Columns 4 (Calling or occupation). The entry in Column 4 should show what trade, profession, calling or occupation each person has followed during the past year or two, whether he has been employed or not during that time. Such terms as "laborer," "servant," "engineer," "clerk," "farmer," "seamstress," "milliner," "dressmaker," "gentleman," "lady," and "boy" are not sufficiently definite to be entered in this column. Persons who have been employed in any capacity, however humble, should not be returned as having no occupation, and persons who have been students at any time during the past year should be returned as students, even though they may not be attending school at the time of embarkation. Wives having no occupation other than housework should be returned as such. Children who have been attending school should be returned as students. Persons of all ages who have been engaged in gainful occupations, even though only for a part of the time, should be returned as having such occupations. Persons who have been employed at various occupations during the past year should be returned as having that occupation at which they have been employed the greater portion of the time. Persons who have been employed at two occupations for the same length of time should be returned as having both occupations. Persons who have been employed at a number of occupations should be returned as having that occupation at which they have been employed the greater portion of the time. Persons who have been employed at various occupations, no one of which they have followed for a period as long as a month, should be returned as laborers. Persons who have been employed at no occupation for a period of a month or more should be returned as having no occupation. Persons who have been employed at no occupation for a period of less than a month should be returned as having the occupation at which they were employed before the period of idleness began. Persons who have been employed at no occupation for a period of a month or more, but who have been employed at an occupation for a period of less than a month, should be returned as having the occupation at which they were employed for the greater portion of the time. Persons who have been employed at no occupation for a period of a month or more, but who have been employed at an occupation for a period of a month or more, should be returned as having both occupations. Persons who have been employed at no occupation for a period of a month or more, but who have been employed at an occupation for a period of less than a month, should be returned as having the occupation at which they were employed for the greater portion of the time. Persons who have been employed at no occupation for a period of a month or more, but who have been employed at an occupation for a period of a month or more, should be returned as having both occupations.

Columns 5 (Nationality). The nationality of each person must be entered, whether a citizen of the United States or not. Nationality means the country to which a person belongs, or in which he has a residence and allegiance. Thus, a native of Germany, naturalized in the United States, before returning to the latter country, remains a German. So, also, a native of Ireland, or Great Britain, who has become naturalized in the United States, before returning to the latter country, remains a subject of Great Britain. Care should be taken to distinguish between natives of the United States and persons naturalized in the United States. Many persons born in the United States, of foreign parents, return to the country of their parents' nativity, and there remain for many years, and frequently marry. Children born of such marriages are natives of the United States, and should be returned as citizens of the United States, and not as citizens of the country in which their parents were born. Persons who have resided in the United States for many years, and who have voted and held office here, frequently return to the country of their birth, and remain there permanently. Such persons are not entitled to be returned as citizens of the United States, but as citizens of the country in which they have resided. Persons who have been naturalized in the United States, and who have resided here for a number of years, frequently return to the country of their birth, and remain there permanently. Such persons are not entitled to be returned as citizens of the United States, but as citizens of the country in which they have resided. Persons who have been naturalized in the United States, and who have resided here for a number of years, frequently return to the country of their birth, and remain there permanently. Such persons are not entitled to be returned as citizens of the United States, but as citizens of the country in which they have resided.

Columns 6 (Race or people). Columns 5 and 6 should be filled [illegible] Under Column 6 should be entered the race or people to which each alien belongs, as "Negro," "Chinese," "Japanese," "Hebrew," "Irish," "English," "Scotch," "French," "German," "Italian," "Spanish," "Portuguese," "Dutch," "Flemish," "Swedish," "Norwegian," "Russian," "Finnish," "Polish," "Bohemian," "Magyar," "Servian," "Croatian," "Slovak," "Dalmatian," "Roumanian," "Greek," "Turkish," "Armenian," "Syrian," "Arabic," "Indian," "Mexican," or "Other nationality," as the case may be.

Column 7 (Last residence). Column 7 should be filled [illegible] Under Column 7 should be entered the country in which each alien has last resided, as "Germany," "Austria-Hungary," "Italy," "Russia," "Sweden," "Norway," "England," "Scotland," "Ireland," "Wales," "France," "Spain," "Portugal," "Netherlands," "Belgium," "Switzerland," "Greece," "Turkey in Europe," "Turkey in Asia," "Syria," "Arabia," "China," "Japan," "India," "Mexico," "West Indies," "Central America," "South America," "Africa," "Australia," or "Other countries," as the case may be.

Columns 8 (Final destination). Column 8 should be filled [illegible] Under Column 8 should be entered the name of the city, town or village in the United States to which each alien is destined, as "New York, N. Y.," "Boston, Mass.," "Philadelphia, Pa.," "Chicago, Ill.," "Detroit, Mich.," "Cleveland, Ohio," "Pittsburg, Pa.," "Buffalo, N. Y.," "San Francisco, Cal.," "Los Angeles, Cal.," "Portland, Ore.," "Seattle, Wash.," "Minneapolis, Minn.," "St. Paul, Minn.," "Duluth, Minn.," "Kansas City, Mo.," "St. Louis, Mo.," "Omaha, Neb.," "Denver, Colo.," "Salt Lake City, Utah," "New Orleans, La.," "Galveston, Texas," "Houston, Texas," "Dallas, Texas," "Fort Worth, Texas," "Waco, Texas," "Austin, Texas," "San Antonio, Texas," "El Paso, Texas," "Tucson, Ariz.," "Phoenix, Ariz.," "Albuquerque, N. I, Thos Evans (State whether Master, First or Second Officer), of the NOORDLAND, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 32 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The entries in column 1 should be expressed in numerals, the ages of infants under one year being stated in fractions or in months.

Column 2 (Sex).—The entries in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entries in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entries in column 4 should describe as specifically as possible the calling or occupation (trade, or profession) of all persons, and if a laborer (whether skilled, or unskilled) of what kind of labor (whether agricultural or otherwise). Persons without occupations should be returned as "none." Wives and children, as a rule, have no occupations, but if they have any occupation they should be returned as laborers, seamstresses, milliners, etc., and not as "wife" or "child." Do not return as laborers, or as having no occupation, persons who are students at any school, college, or university.

A clergyman should be returned as a clergyman, a lawyer as a lawyer, a physician as a physician, regardless of the amount of property they may own or have in prospect.

Do not use such indefinite terms as "gentleman," "lady," "servant," "help," "laborer," "woman," "girl," "boy," or "child" without specifying the character of work usually performed.

A farmer owning a farm should be returned as a farmer, whether he cultivates it himself or employs others to do so.

A farm laborer is one who works on a farm for the most part for wages paid him by another person.

Stonecutters, engravers, etc., should state their skill as such, or as the case may be, and not merely as laborers. Particular care should be taken to ascertain and properly return the occupations of persons belonging to the artistic professions, as many of them are skilled workers in their respective callings. Persons having no occupation, such as housewives, children not at work, etc., should be returned as such, and not as laborers.

Aliens immigrating to this country from any part of the United States should be carefully inquired of as to their occupations, and the information recorded in this column. Persons who have been in the United States for a temporary purpose, as for instance, to work in the harvest fields, and who intend to return to their homes after the accomplishment of their purpose, should not be returned as immigrants, but their occupations should be stated as in the case of other persons.

Column 5 (Can read or cannot read).—The entries in column 5 should be either "Yes" or "No," as the case may be. Every person 14 years of age and upward, physically capable of reading, who can not read his own language, must be returned in this column "No."

Column 6 (Nationality).—The entries in column 6 should be the country of which the alien last became a subject. Care should be taken to distinguish between persons who have become naturalized and those who have not. Declarants for citizenship should be returned as subjects of the country of which they were citizens or subjects before coming to the United States.

Column 7 (Race or people).—The entry in column 7 should show the race or people to which each alien belongs. (See also "Nationality," above.)

Special attention should be paid to the distinction between race and nationality, and neither should be carelessly returned by inspectors and clerks as the other. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuban) not Negroes.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to all Africans (Negroes) coming from Cuba or other countries. Also Indian Natives (Negroes) coming from Africa. Negroes whose nationality is indeterminable should be classified under this heading.

ITALIAN (SOUTH).

The people who are natives of Italy south of the Apennine Mountains, including Sicily and Sardinia, and the provinces of Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Aquila, and Caserta, and except those specified as "Italian (North)." Most of these people are of Greek descent or the Italian branches of the Latin race.

ITALIAN (NORTH).

The people who are natives of that portion of Italy north of the Apennine Mountains, including Tuscany, Umbria, the Marches, Rome, the Maremma, Modena, Reggio, Parma, Piacenza, Lucca, Massa, Carrara, Leghorn, Pisa, Florence, Siena, Arezzo, Perugia, Ancona, Urbino, Pesaro, Ravenna, Forli, Bologna, Ferrara, Rovigo, Venice, Padua, Treviso, Udine, Belluno, Vicenza, Verona, Rovigo, Mantua, Milan, Como, Sondrio, Bergamo, Brescia, Cremona, Piacenza, Pavia, Novara, Vercelli, Alessandria, Turin, Cuneo, Coni, Genoa, Porto Maurizio, Massa, Carrara, Leghorn, Pisa, Florence, Siena, Arezzo, Perugia, Ancona, Urbino, Pesaro, Ravenna, Forli, Bologna, Ferrara, Rovigo, Venice, Padua, Treviso, Udine, Belluno, Vicenza, Verona, Rovigo, Mantua, Milan, Como, Sondrio, Bergamo, Brescia, Cremona, Piacenza, Pavia, Novara, Vercelli, Alessandria, Turin, Cuneo, Coni, Genoa, Porto Maurizio, and should not be classified as "Italian (South)."

Column 8 (Last permanent residence).—The entries in column 8 should be the country of which the alien last became a subject. Care should be taken to distinguish between persons who have become naturalized and those who have not. Declarants for citizenship should be returned as subjects of the country of which they were citizens or subjects before coming to the United States.

Column 9 (Name and complete address of person).—The entry in column 9 should show the name and complete address of the nearest relative or friend in the country whence alien came.

Column 10 (Final destination).—The entry in column 10 should show the name and complete address of the nearest relative or friend in the United States to whom the alien is going, or if going to a friend, the name and complete address of such friend.

Column 11 (If holding ticket to final destination).—The entry in column 11 should be either "Yes" or "No," as the case may be.

Column 12 (If not, whether in possession of sufficient money to pay expenses and reach final destination).—The entry in column 12 should be either "Yes" or "No," as the case may be, and the answer should be based upon the inquiries made by the inspection officers as to whether the alien has sufficient money to pay his railroad fare to his destination, and also sufficient money for his support after arrival, if he is not going to friends who will support him.

Column 13 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 13 should show whether the alien is going to join a relative or friend, and if so, what relative or friend, and his name and complete address.

Column 14 (Whether ever before in the United States, and if so, when and where).—The entry in column 14 should show whether the alien has ever been in the United States before, and if so, when and where. If he has been in the United States before, and if he is not going to join relatives or friends, he should be questioned closely as to his means of support during his former residence in the United States.

Column 15 (Whether ever in prison or almshouse or supported by charity, and if so, which).—The entry in column 15 should show whether the alien has ever been in prison or almshouse or supported by charity, and if so, which and when. This question should be carefully asked of each alien, and the answer recorded.

Column 16 (Whether a polygamist).—The question in column 16 is to be answered by an inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. W. Donnell, Surgeon of the NOORDLAND, ——————, do solemnly, sincerely, and truly swear that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 33 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Thos Deans (Name of Master, First or Second Officer), of the NOORDLAND, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 2 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Thos Deans
Master officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the nationality to which they belong, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at arrival.

Aliens proceeding to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as [illegible] head of occupation.

Columns 7 and 8 (Can read and write).—Column 7 is subdivided and the entries therein should be Yes or No. Yes means can read and write. Yes, No means can neither read nor write, or Yes, No means can read but not write.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which a person last was a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in last but one line of the manifest.

Special attention should be paid to the distinction between race and nationality, and lists should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 10 should show the country, and by city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who have permanently resided in the United States and who return from a visit abroad should be recorded on manifest sheet [illegible] country of last permanent residence.

Columns 12 and 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should show the name and address of such relative. If no such relative has been given, write "None" in column 12.

Column 14 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination in the United States, country, if outside the United States.

Column 15 (Whether going to join relative or friend, and what relative).—The entry in column 14 should be either Yes or No.

Column 16 (Ever in U. S.).—The entry in column 15 should show particularly by whom passage was paid (whether by himself, herself, or by other relative, friend, steamship company, etc.).

Column 17 (Whether in possession of $50 and how much).—The entry in column 16 should give an exact statement, as ascertained by careful inquiry, of the amount of money in possession of alien at the time of landing. Money brought by the head of a family for the use of the family should be specified among the several members of the family.

Columns 18 and 19 (Whether ever before in U. S. and whether ever in prison and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the time and the period in years and place or places, as, 1894, Philadelphia.

Column 20 (Whether having a ticket through and whether paid for by self or other person or corporation).—The entry in column 18 should show whether having a ticket through and if so, whether paid for by himself or by other person or corporation.

Column 21 (Remarks).—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. W. McDonnell, Surgeon of the NOORDLAND, do solemnly, sincerely, and truly declare that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 23 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The number of age in column 3 should be expressed in years or months, the latter applied only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as clearly as possible the occupation of each alien, as laborer, servant, clerk, etc. Persons of no occupation, children, and infants should be entered as "none." Where a person has followed several occupations, that one should be given at which he has most frequently been employed. Do not simply use the general terms "laborer," "servant," or "clerk" without descriptive adjectives.

A comparison should be made between the "calling or occupation" and the "nation or people" columns, to detect any manifest discrepancies in the statements of the immigrant as to his own trade or calling.

Column 6 (Can read).—Specify whether able to read or not.

Column 7 (Can write).—Specify whether able to write or not.

Special attention should be paid to the above two columns, and the answers regarded as of great importance, as they furnish the best means of detecting illiterates who may seek admission to the United States by bringing with them friends or relatives able to read and write, and who, therefore, may not be technically illiterate under the law, but who are likely to become public charges, and who are otherwise undesirable immigrants.

Column 8 (Last permanent residence).—The entry in column 8 should show the country of last permanent residence of each alien, as stated by him. Do not enter merely "Europe" or "Asia," but the name of the country.

Column 9 (Whether ever before in the United States, and if so, when and where last landed).—The entry in column 9 should be either Yes or No. No can be written or read, nor write or read. Yes can read but not write.

Column 10 (Nationality).—Column 10 should be construed to mean the country of which immigrant was last a citizen or subject.

Column 11 (Race or people).—The entry in column 11 should show the race or people to which each alien belongs, as stated by himself.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and reentry lists on this record. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to natives of Africa. Negroes, whether coming from Cuba or other related countries, Negroes born in the United States, or persons of African descent who were appearing as witnesses or otherwise, if Negroes, should be classified under this heading.

PORTUGUESE.

The people who are natives of Portugal, Cape Verde, Fayal, Pico, Porto Santo, Madeira, Terceira, or other Portuguese Islands, and Portuguese who have resided in the United States, whether naturalized or not, should be classified as "Portuguese."

HEBREW.

The people who are natives of Russia, Austria-Hungary, Germany, Roumania, Turkey in Asia, Turkey in Europe, Greece, the African or Asiatic possessions of Portugal, Great Britain, Italy, or France, and Syrians, are to be classed as "Hebrew" under the head of "race or people."

Column 12 (Final destination).—The entry in column 12 should show the name of the city, town, or village in the United States to which the alien intends to go. It is important to ascertain positively the name of the place to which each alien is going, and not merely the State or Territory. Entries of "Pennsylvania," "Ohio," "Illinois," "Kansas," "Texas," "Colorado," "California," or "Oregon" are wholly insufficient and will not be accepted.

Column 13 (Whether having a ticket through to final destination).—The entry in column 13 should be either Yes or No.

Column 14 (Whether the transportation was paid for by himself or by other person or corporation, and if so, by whom).—The entry in column 14 should show whether the passage of each alien was paid by himself, by the person or corporation in the United States who sent for him, or by the government of the country whence he came, and should state the name and address of the person who paid the passage.

Column 15 (Whether in possession of $50 and if less than $50 how much).—The entry in column 15 should be either Yes or No, and if Yes the exact amount of money in the possession of the alien should be stated. Money in the form of drafts, checks, or express orders should be regarded as money, and the amount stated.

Column 16 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 16 should show whether each alien has friends or relatives in the United States to whom he is going, and if so, the name and complete address of such friends or relatives should be given.

Column 17 (Whether ever in prison or almshouse or supported by charity).—The entry in column 17 should be either Yes or No, and should show whether the alien has been in prison, almshouse, or asylum, or supported by charity.

Column 18 (Whether a polygamist).—The entry in column 18 should be either Yes or No, and should show whether the alien is a polygamist.

Column 19 (Whether under contract or agreement to perform labor in the United States, its Territories, or the District of Columbia).—The entry in column 19 should be either Yes or No, and should show whether the alien has been induced to emigrate by any promise of employment, or whether he has any contract or agreement, express or implied, to perform labor in the United States.

Column 20 (Whether in the United States at the time of the passage of the act of March 3, 1903).—The entry in column 20 should be either Yes or No, and should show whether the alien was in the United States at the time of the passage of the act of March 3, 1903.

Column 21 (Whether ever before in the United States, and if so, when and where last landed).—The entry in column 21 should be either Yes or No, and should show whether the alien has been in the United States before, and if so, when and where he last landed.

Column 22 (Whether in the United States or coming under a special contract or agreement, and if so, what).—The entry in column 22 should be either Yes or No, and should show whether the alien is in the United States or coming under a special contract or agreement, and if so, what the terms of such contract or agreement are.

Column 23 (Whether a person in respect to whom application is to be made to the Secretary of Commerce and Labor for special inquiry, examination, or decision by reason of the fact that he belongs to the class excluded by law from admission to the United States).—The entry in column 23 should be either Yes or No, and should show whether the alien belongs to the class excluded by law from admission to the United States, and whether application is to be made to the Secretary of Commerce and Labor for special inquiry, examination, or decision by reason of the fact that he belongs to the class excluded by law from admission to the United States.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Thos Evans (Master, Acting Master, First or Second Officer.) of the NOORDLAND from LIVERPOOL do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 23 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 and 2. Name.—The surname of each alien should be entered first, followed by the given name or initials. The latter should be separated from the surname by a comma (,).

Column 3. Whether a citizen of the United States. Write "Yes" or "No."

Column 4. Whether an immigrant alien. Write "Yes" or "No."

Column 5. Whether in possession of $50 and, if less, how much. The entry in column 5 should show whether the alien has in his possession at the time of his application for admission at least fifty dollars in money, and if he has less than that amount, how much less. Any amount of money, whether in gold, silver, paper, or its equivalent, should be considered.

Column 6. Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address. The entry in column 6 should show whether the alien has in his possession a ticket entitling him to transportation to the place of destination beyond the port of arrival, and whether he has been supplied with money by relatives or friends to pay his passage or is in possession of funds sufficient for the purpose. The name and complete address of the relative or friend who has supplied the means for the journey should be carefully ascertained and recorded. The question should be asked whether the alien intends to join relatives or friends, and if so, what relatives or friends, and their names and addresses should be obtained and recorded.

Column 7. Whether ever before in the United States, and if so, when and where. The entry in column 7 should show whether the alien has ever been in the United States before, and if so, the time of his previous visit or visits and his last place of residence in the United States, as, 1903, Philadelphia.

Column 8. Whether ever in prison or almshouse or supported by charity, and if so, which. The entry in column 8 should show whether the alien has ever been in prison or an almshouse or an asylum for the insane or feebleminded, or has been supported by charity, and, if so, which institution and when.

Column 9. Whether a polygamist. Write "Yes" or "No."

Column 10. Whether an anarchist. Write "Yes" or "No."

Column 11. Whether coming under contract or agreement to perform labor. The entry in column 11 should be "Yes" or "No," as the fact may be.

Column 12. Whether suffering from tuberculosis, or from a loathsome or dangerous contagious disease, and what disease. The entry in column 12 should be either Yes (mark) or No (not a mark).

Column 13. Whether a person who has been convicted of or admits having committed a felony or other crime or misdemeanor involving moral turpitude, and if so, what crime. The entry in column 13 should be either Yes (mark) or No (not a mark).

Column 14. Whether deformed or crippled, and if so, how, and from what cause. The entry in column 14 should show definitely by whom present, what part of body deformed, lost or crippled, and whether from accident, birth, or disease.

Column 15. Height (in feet and inches). The entry in column 15 should show the height of each alien in feet and inches.

Column 16. Complexion. The entry in column 16 should be "light," "medium," or "dark."

Column 17. Color of hair. The entry in column 17 should be "light," "brown," "black," "auburn," "gray," "bald," or "red."

Column 18. Color of eyes. The entry in column 18 should be "blue," "gray," "brown," "black," "hazel," or "green."

Column 19. Nationality. The entry in column 19 should show the nationality of each alien as given in his last legal form of travel.

Special attention should be paid to the distinction between race and nationality, and no entry should be carelessly revised by inspectors and reports to this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race may properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, or black race, coming from Cuba or other [illegible] West Indies, Mexico, Central America, Europe, or Africa. No alien whose [illegible] Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that [illegible] Italy south of the basin of the River Po, [illegible] comprising Piedmont, Liguria, Lombardy, Venetia, [illegible] Emilia, and the other [illegible] whether [illegible] Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a [illegible] dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that [illegible] Italy south of the basin of the River Po, [illegible] comprising Abruzzi, Basilicata, Calabria, Campania, Apulia, Piedmont, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 20. Last permanent residence. The entry in column 20 should show the *country* of last permanent residence. A complete address is not required for statistical purposes, and should not be given unless merely for identification. A statement that the alien has resided in a country for five years or more is sufficient to indicate permanent residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as having the United States as country of last permanent residence.

Column 21. Name and complete address of nearest relative or friend in country whence came. The entry in column 21 should show the name and complete address of such relative or friend in such country as was last mentioned in connection therewith.

Column 22. Final destination. The entry in column 22 should show definitely the place (city or town) of final destination, as known to the alien, and not merely a State or country, if outside the United States.

Column 23. Whether having a ticket through. The entry in column 23 should be either Yes (mark) or No (not a mark).

Column 24. Whether the alien is going to join a husband, wife, father, mother, brother, or other relative or friend, and if so, which one and his name and complete address. The entry in column 24 should show definitely by whom present, what part of body deformed, lost or crippled, and whether from accident, birth, or disease.

Column 25. Whether in possession of ticket, and if less, how much. The entry in column 25 should show whether the alien has in his possession a ticket entitling him to transportation to the place of destination beyond the port of arrival, and whether he has been supplied with money by relatives or friends to pay his passage or is in possession of funds sufficient for the purpose. The name and complete address of the relative or friend who has supplied the means for the journey should be carefully ascertained and recorded. The question should be asked whether the alien intends to join relatives or friends, and if so, what relatives or friends, and their names and complete address should be obtained and recorded.

Columns 26 to 29. The answers to these questions are subject to revision by any inspector who has to do with the examination of aliens.

Affidavit of Surgeon.

I Chr Connell, Surgeon of the NOORDLAND, do solemnly, sincerely, and truly Swear that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets. 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, Thos Evans (State whether Master, First or Second Officer), of the NOORDLAND, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 23 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer, polisher, molder, turner, or other indefinite designation."

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either his own or others.

A farm laborer is one who works on a farm for wages paid by the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens not coming to pass through and out of the United States should be separated under head of "no nationality as such" in transit. Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "temporary visitors" under head of no nationality.

Column 7 (Can read and write).—Column 7 is subdivided and the entries therein should be either Yes or No. Yes means can read and write; No means cannot read and write. Yes, No means can read but not write.

Column 8 (Nationality).—Column 8 should be examined to insure the country of which nationality is claimed is correctly entered.

Column 9 (Race or people).—The entry in column 9 should show the race or people as shown in list or lists on the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For example: "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly enough make the sailing of United Kingdom or any other country his nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the West Indies.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negro.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the Negroes of the West Indies or other coming from Cuba or other islands of the West Indies, Negroes of South America, Negroes of Africa, Negroes whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising the Provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and the Provinces of Tuscany, Umbria, and Marches, Compagna, Abruzzi, Molise, Capitanata, Terra di Lavoro, Basilicata, Calabria, Sicily, and Sardinia should be classified as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should be the country in which the alien has last resided for a period of one year or more, and not the country from which he last came, unless he has resided in the latter country for one year or more. Mere transit through a country does not constitute residence therein.

Column 11 (Seaport for landing).—The entry in column 11 should show the seaport at which the alien intends to land in the United States, not the ultimate destination.

Column 12 (Final destination).—The entry in column 12 should show the city or town (if any) and State of the ultimate destination of each alien, as known at the time of arrival at the seaport of landing in the United States.

Column 13 (Whether having a ticket through to final destination).—The entry in column 13 should be either Yes or No.

Column 14 (Whether in possession of $50 and how much).—The entry in column 14 should show whether each alien has in his possession at the time of landing in the United States fifty dollars in money, and how much money he has in excess of fifty dollars. Money includes bank notes and gold, silver, and other coin of the United States or foreign countries. Drafts, checks, letters of credit, and travelers' checks are not to be regarded as money.

Column 15 (Whether going to join a relative and if so, what relative and where).—The entry in column 15 should show whether each alien is going to join a relative in the United States, and if so, what relative and where. Mere friends should not be reported as relatives. Use plain English.

Column 16 (Whether ever in prison or almshouse or supported by charity).—The entry in column 16 should show whether each alien has been in prison or almshouse within the three years next preceding his arrival, or has been supported by charity.

Column 17 (Whether a polygamist).—The entry in column 17 should show whether each alien is a polygamist, or one who admits belief in the practice of polygamy.

Column 18 (Whether coming under contract or agreement to perform labor).—The entry in column 18 should show whether each alien is coming under contract or agreement, express or implied, to perform labor in the United States.

Column 19 (Whether an anarchist).—The entry in column 19 should show whether each alien is an anarchist.

Column 20 (Whether a prostitute or coming for an immoral purpose).—The entry in column 20 should show whether each alien is a prostitute or is coming to the United States for the purpose of prostitution or for any other immoral purpose.

Column 21 (Whether ever before in the United States, and if so, when and where).—The entry in column 21 should show whether each alien has been in the United States previously, and if so, when and where. If the alien has been in the United States previously, but cannot remember when and where, the entry should show that fact.

Column 22 (Whether coming for the purpose of joining husband or for what purpose).—The entry in column 22 should show whether each alien woman is coming to join a husband, and if so, what husband and where. If coming for any other purpose, that fact should be stated.

Column 23 (If deported, why).—This column is not to be used except by officers of the Department of Commerce and Labor.

Affidavit of Surgeon.

I, Chas Donnell, Surgeon of the NOORDLAND, (State whether Surgeon sailing therewith or employed by owners thereof, as the case may be,) do solemnly, sincerely, and truly Swear that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2e3 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Thos Deans (State whether Master, First or Second Officer.), of the NOORDLAND, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 83 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Thos Deans

Officer.

Sworn to before me this 1 day of SEP 1907, 190 .

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of an alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrivals.

Aliens intending to pass through, and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes, No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN—NORTHERN.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTHERN.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded in manifests as "United States" for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address in each case. If no such relative or friend, so state, and give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely by the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place (as, 1894-97, Philadelphia).

Column 17 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 24.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. H. Donnell, Surgeon of the NOORDLAND, (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be,) do solemnly, sincerely, and truly Swear that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 23 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Thos Dean, (Master, Author Master, First or Second Officer.) of the NOORDLAND, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 33 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Thos Dean
Officer.

Sworn to before me this [illegible] day of [illegible], 1907.

J. Brownell
Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 (Age). — The return of age in column 1 should be expressed in years for persons above one year of age, and for children under 1 year of age in months.

Column 2 (Sex). — The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single). — The entry in column 3 should be either M (married) or S (single). Widows and widowers should be returned as married.

Column 4 (Calling or occupation). — The entry in column 4 should describe as accurately as possible the occupation (trade, profession, or other calling) of each alien, as for example: Farmer, clergyman, physician, author, lecturer, engineer, mining engineer, brass polisher, cloth polisher, iron moulder, wood carver, etc., and not simply as engineer, polisher, moulder, carver, or other indefinite classifications.

A distinction should be made between *laborers* and *farm laborers*, regardless of the country of which they are natives. (See Page.)

Laborer includes (1) one employed at a large variety of tasks by different persons; (2) one employed at a large variety of tasks by the same employer in different departments of his business; (3) one employed at a large variety of tasks by himself or by others.

Farm laborer includes one employed on a farm for the same employer generally.

Servant includes one employed in any household for the same employer generally.

Waiter includes one employed in serving food or drink to guests, patrons, or the like, in hotels, restaurants, clubs, boarding houses, or other establishments, and who is not employed generally by the same employer.

Aliens stopping in transit through and out of the United States should be recorded under a head of "In transit" (see instructions). Those subject only to a temporary detention in the United States and intending to pass through in transit should be classed as "In transit" under Rule 2 (exemption).

Column 5 (Able to read or write). — Column 5 is to be divided and the entries therein should be either Yes or No. Yes if can read and write. No if can neither read nor write, or Yes, No if can read but not write.

Column 6 (Nationality). — Column 6 should be construed to mean the country of which foreigners are natives or citizens or subjects.

Column 7 (Race or people). — The entry in column 7 should show the race or people as given by the alien, as Hebrew, Irish, Polish, Spanish, Dutch, etc.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully examined by inspectors and registry clerks in this regard. For instance, "German" appearing on a manifest does not necessarily mean "French" by race or people and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Mexico, South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). — The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately declare country of last permanent residence independent of country of temporary residence or nationality of race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded in manifests as "United States" for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of such relative. It is not sufficient to give merely general address, as "Europe" or "Ireland."

Column 12 (Final destination). — The entry in column 12 should show definitely the place (city or town) of final destination of another United States country, if outside the United States.

Column 13 (Whether having ticket and how paid—Instructions). — The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). — The entry in column 14 should show definitely by whom passage was paid, as self, himself, father, brother or other relatives, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much). — The entry in column 15 should give in each case the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States and if so, when and where). — The entry in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 17 (Going to join relatives or friends, and if so, what relatives or friends). — The entry in column 17 should show whether going to join either a relative or friend, and if so, what relatives or friends, with name and complete address.

Columns 18 to 33. — The questions in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. M. Donnell, Surgeon of the NOORDLAND, ..., do solemnly, sincerely, and truly declare that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 23 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN, NORTHERN.

The people who are natives to the basin of the River Po in northern Italy (i. e., comprising Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (northern)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTHERN.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (southern)."

Column 1. Last permanent residence.—The entry in column 10 should show the country only in favor of last permanent residence. It is important for statistical purposes that accurate comparative figures show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be entered as residents of the United States, country of last permanent residence.

Column 2. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative or friend in the country from which the alien has come.

Column 3. Final destination.—The entry in column 12 should show definitely the place to which a ticket of final destination is booked in the United States country, if outside the United States.

Column 4. Whether having a ticket through and whether paid for.—The entry in column 13 should be either "Yes" or "No," as the case may be.

Column 5. Whether any passage money was sent to him, and if so, by whom.—The entry in column 14 should show definitely by whom, if by anybody, money was sent to the alien, whether by himself or other relatives or friends, or whether by the government.

Column 6. (1) Whether in possession of $50, and if less than $50, how much.—The entry in column 15 shall show in each case, individual or family, the exact amount of money carried. Money belonging to the head of a family should not be divided among the several members of the family.

(2) Whether going to join relatives in the United States, and if so, where and what relatives.—The entry in column 16 should show definitely by "Yes" or "No" in the United States census year if the alien is passed to join relatives (see pages 1, 894-95, Philadelphia).

Column 7. (1) Whether in possession of ticket to such place, and (2) whether paid for by self or others.—The entry in column 17 should show definitely by "Yes" or "No" whether the alien has a ticket to the place of destination, and whether paid for by himself or others.

Column 8. (1) Whether ever before in the United States, and if so, when and where.—The entry in column 18 should show definitely by "Yes" or "No" in the United States census year if the alien is passed to return (see pages 1, 894-95, Philadelphia).

(2) Whether ever in prison or almshouse or supported as a pauper.—The entry in column 19 should show definitely by "Yes" or "No" whether the alien has been in prison or almshouse or supported as a pauper, and if so, where and how long.

Column 9. Whether coming under contract or agreement to perform labor.—The entries in column 20 are subject to revision by any

Affidavit of Surgeon.

I, [illegible] Surgeon of the NOORDLAND do solemnly, sincerely, and truly declare that I have had Ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 23 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The entry of age in column 4 should be entered as of last birthday, if over one year of age, and as of last month if under one year of age.

Column 5 (Sex).—The entry in column 5 should be "M" for male or "F" for female.

Column 6 (Married or single).—The entry in column 6 should be "M" for married or "S" for single, "W" for widowed or "D" for divorced.

Column 7 (Calling or occupation).—The entry in column 7 should be the calling or occupation, if any, at which the alien has been employed during the past year, or if under 14 years of age, the occupation, if any, of parents or guardians. Wherever possible, the occupation should be stated specifically, as "locomotive engineer," "conductor," "machinist," "farmer," "laborer," "servant," "domestic," "cook," "waiter," "barber," "clerk," "salesman," "merchant," "peddler," "tailor," "tailoress," or other definite description.

A "laborer" is one who performs *unskilled* labor for wages, and *farmer, laborer*, a combination of the two words should not be used to describe any one.

A "farmer" is a person who operates a farm, either as owner, tenant, or overseer.

A "servant" is a person who performs labor for wages in or about a private household.

Slovenly, incomplete, and unintelligible returns will not be accepted, and corrections should be made if necessary, by the inspectors and neglect or refusal on the part of masters in this matter will be severely punished.

Aliens in transit through the United States should be inspected and their names recorded under heading corresponding to "In transit." Those coming only to a seaport of embarkation for the United States, but not intending to pass through it in transit, should be recorded as "Destined to" under heading "Final destination."

Column 8 (Final destination).—The entry in column 8 should be the name of the place where each alien intends to reside, as "Brooklyn" or "New York City," not "New York" unless the alien intends to reside in the borough of Manhattan, and not "Greater New York" unless he intends to reside in some part of the city.

Column 9 (Whether ticket is through to final destination).—The entry in column 9 should be "Yes" or "No," as the case may be.

Column 10 (Whether in possession of $50 and if not, by whom amount was furnished).—The entry in column 10 should be "Yes" or "No," as the case may be.

Column 11 (Whether going to join relatives and if so, what relatives and their names and complete address).—The entry in column 11 should show whether the alien is going to join relatives or friends, and if so, what relatives or friends, and their names and complete address.

Column 12 (Whether ever before in the United States and if so, when and where).—The entry in column 12 should show whether or not the alien has been in the United States before, and if so, when and where, as "1903, Philadelphia."

Column 13 (Whether have a relative or friend in the country whence he came and his name and complete address).—The entry in column 13 should show whether going to join relatives or friends, and if so, what relatives or friends, and their names and complete address.

Column 14 (Ultimate destination).—The entry in column 14 should show the place where each alien intends to reside, as "Brooklyn" or "New York City," not "New York" unless the alien intends to reside in the borough of Manhattan, and not "Greater New York" unless he intends to reside in some part of the city.

Column 15 (Whether in possession of ticket to such destination).—The entry in column 15 should be either "Yes" or "No."

Column 16 (If not, whether amount sufficient).—The entry in column 16 should show whether the alien has sufficient money to pay his railroad fare to his ultimate destination.

Column 17 (If going to join a relative, name and address).—The entry in column 17 should be made only when the alien is going to join a relative, and should show the name and complete address of such relative.

Column 18 (Name and address of nearest relative or friend left behind).—The entry in column 18 should show the name and complete address of the nearest relative or friend left behind by each alien.

Column 19 (Head tax).—The entry in column 19 should be "Yes" or "No," as the case may be.

Column 20 (If in possession of $50 and if less than that amount, how much).—The entry in column 20 should show the exact amount of money in possession of each alien. Money brought by the head of a family should not be divided among several members of the family.

Column 21 (Nationality).—The entry in column 21 should show the nationality of each alien, as "Irish," "German," "Scotch," "English," "French," "Italian," "Spanish," "Russian," "Polish," "Swedish," "Norwegian," "Finnish," "Dutch," "Belgian," "Greek," "Portuguese," "Bohemian," "Magyar," "Croatian," "Slovak," "Roumanian," "Lithuanian," "Armenian," "Syrian," "Turkish," "Japanese," "Chinese," "Hindu," "East Indian," "Mexican," "West Indian," "Central American," "South American," "Negro," "Colored," or other designation.

Column 22 (Race or people).—The entry in column 22 should show the race or people to which each alien belongs, as "Anglo-Saxon," "Celtic," "Irish," "English," "Scotch," "Welsh," "German," "Teutonic," "Hebrew," "Jewish," "French," "Basque," "Spanish," "Portuguese," "Italian," "Latin," "Slavonic," "Bohemian," "Czech," "Moravian," "Slovak," "Polish," "Russian," "Finnish," "Lithuanian," "Magyar," "Dutch," "Flemish," "Belgian," "Greek," "Roumanian," "Armenian," "Syrian," "Turkish," "Hebrew," "Arabic," "Japanese," "Chinese," "Hindu," "East Indian," "Mexican," "West Indian," "Central American," "South American," "Negro," "Colored," or other designation.

Special attention should be paid to the distinction between race and nationality, and manifests should be rejected by inspectors and returned for correction where this is not observed. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "Ireland" appearing on a manifest does not necessarily mean "Celtic" by race. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies (other than Cuban) (not Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the Negroes of Africa. Natives of Egypt, Barbary States, Cuba, or other countries should not be described as "African (Black)," but as "Egyptian," "Moorish," "Cuban," or other appropriate designation, as otherwise the Negro cases will be confused under this heading.

PORTO RICAN.

The people who are native-born citizens of the Island of Porto Rico (or Puerto Rico), comprising the Province of Humacao, Province of Aguadilla, Province of Arecibo, Province of Mayaguez, Province of Ponce, Province of San Juan, Province of Guayama, Province of Aguadilla, Province of Bayamon, and Province of Coamo, and the islands of Vieques, Culebra, Mona, and other islands, should be classed as "Porto Rican." Many of these people have Spanish names, but the Porto Rican race is distinct from the Spanish race.

HAWAIIAN.

The people who are natives of the Hawaiian Islands, comprising the Islands of Oahu, Kauai, Niihau, Hawaii, Maui, Kahoolawe, Molokai, and Lanai, should be classed as "Hawaiian." Many of these people have Spanish names, but the Hawaiian race is distinct from the Spanish race.

Affidavit of Surgeon.

I, E. H. McDonnell, Surgeon of the NOORDLAND, do solemnly, sincerely, and truly declare that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative or friend, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination or not).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever in prison, etc., United States—and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relatives or friends—and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 23.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, P. Dolan, Surgeon of the SS Finland, Liverpool, (State whether Surgeon sailing therewith or employed by owners thereof, as the case may be,) do solemnly, sincerely, and truly swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 26 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 4 should be expressed by years or months, the latter appearing only in those under 1 year of age.

Column 2 (Sex).—Here a word (male or female) should be written, not M or F, for example.

Column 3 (Married or single).—The entry in column 3 should be either M, married, S, single, W, widowed, or D, divorced.

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as far as practicable in accordance with the following classification: Professional persons, including engineers, literary and scientific persons, artists, musicians, lawyers, physicians, surgeons, teachers, clergymen, and other professional persons; merchants, manufacturers, and dealers, and persons employed in trade and commerce, except clerks; clerks and persons employed in offices; domestic servants; farmers, including farm laborers, stock raisers, herders, and other persons employed in agriculture; laborers, including all persons who perform labor not falling within any of the foregoing specifications, or who have no occupation; and all others, including persons of leisure or independent means, gentlemen, ladies, students, children, and persons with no occupation.

A distinction should be made between persons who have a trade and assert that they are still engaged in the exercise thereof, and persons who have a trade but state that they are not working at it because they can not find employment. The former should be entered as mechanics, the latter as laborers.

A person formerly employed as a laborer, but who has become a capitalist, should be entered as a capitalist.

A person having no occupation, but living on the income of property owned, should be entered as "capitalist," "gentleman," or "lady," as the case may be, and not as "none."

All persons under 16 years of age, or who can not read, should be entered, respectively, as children, scholars, or without occupation.

Column 5 (Nationality).—The nationality of aliens should be stated as that of the country in which they severally claim allegiance—not by place of birth. Thus, a native of Germany, naturalized in the United States, before the expiration of the period required by law for naturalization, should be described as a German, and not as a citizen of the United States. So, also, a native of Ireland, who has not become naturalized, should be described as a subject of Great Britain, and not as a citizen of the United States.

Column 6 (Race or people).—The entry in column 6 should describe the race or people to which each alien belongs. Care should be taken to specify the particular race or people, and not merely the general race to which such race or people belongs. Thus, natives of England, Scotland, and Wales should not be described as British, but as English, Scotch, or Welsh, as the case may be. Natives of India should be described as Hindus, Bengalese, Parsees, Mahrattas, Canarese, Pariahs, Cingalese, Afghans, Beloochees, Sikhs, Punjabees, or Goorkas, as the case may be. Natives of Germany should be described as Germans, and not as Prussians, Bavarians, Hessians, Saxons, Wurtembergers, Poles, Bohemians, Moravians, Austrians, Hungarians, Croatians, Servians, Dalmatians, Bosnians, Herzegovinians, Transylvanians, Roumanians, Croats, Slavonians, Ruthenians, Moldavians, Bukovinians, Montenegrins, Carniolans, Galicians, Lodomerians, or Styrians, as the case may be. Natives of Turkey should be described as Turks, Armenians, Syrians, Arabs, Albanians, Greeks, Roumanians, Montenegrins, Bulgarians, Servians, Croats, Slavonians, Ruthenians, Bosnians, Herzegovinians, Dalmatians, Carniolans, Transylvanians, Moldavians, Bukovinians, Hungarians, Austrians, Poles, Bohemians, Moravians, Germans, Russians, or Finns, as the case may be. Natives of Russia should be described as Russians, Finns, Poles, Lithuanians, Germans, Livonians, Esthonians, Courlanders, Jews, Tartars, Georgians, Circassians, Bessarabians, Moldavians, Bukovinians, Armenians, Austrians, Hungarians, Roumanians, Croats, Slavonians, Ruthenians, Bosnians, Herzegovinians, Dalmatians, Carniolans, Transylvanians, Montenegrins, Bulgarians, Servians, Turks, Greeks, Finns, Laplanders, Kalmucks, Moldavians, Bukovinians, Samoyedes, Siberians, Kamchatkans, Aleutians, Kurilians, Mantchoos, Koreans, Chinese, Japanese, Tartars, Thibetans, Cossacks, Nogais, Calmucks, Usbeks, Kirghis, Toorkomans, Persians, Afghans, Beloochees, Hindus, Bengalese, Parsees, Mahrattas, Canarese, Pariahs, Cingalese, Sikhs, Punjabees, or Goorkas, as the case may be. Natives of Scotland should be described as Scotch, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Wales should be described as Welsh, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Ireland should be described as Irish, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of England should be described as English, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Canada should be described as Canadians, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Australia should be described as Australians, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Africa should be described as Africans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Asia should be described as Asiatics, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Europe should be described as Europeans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of America should be described as Americans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Mexico should be described as Mexicans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Cuba should be described as Cubans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Porto Rico should be described as Porto Ricans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Hawaii should be described as Hawaiians, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of the Philippine Islands should be described as Filipinos, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Japan should be described as Japanese, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of China should be described as Chinese, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Siam should be described as Siamese, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Corea should be described as Coreans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Africa should be described as Africans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Asia should be described as Asiatics, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Europe should be described as Europeans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of America should be described as Americans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Mexico should be described as Mexicans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Cuba should be described as Cubans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Porto Rico should be described as Porto Ricans, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Hawaii should be described as Hawaiians, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of the Philippine Islands should be described as Filipinos, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Japan should be described as Japanese, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of China should be described as Chinese, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Siam should be described as Siamese, and not as Britons, Britishers, Englishmen, or Englishwomen. Natives of Corea should be described as Coreans, and not as Britons, Britishers, Englishmen, or Englishwomen.

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

SPANISH AMERICAN.

"Spanish-American" refers to the peoples of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands in the West Indies, America, or Europe. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardia, Venezia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of the portion of Italy south of the basin of the River Po (i. e., compartimenti of Umbria, Toscana, Le Marche, Campania, Roma, the Abruzzi and Molise, Puglie, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 7 (Last residence).—The entry in column 7 should show the country in which each alien had his last permanent residence. It is important for statistical purposes that records of passengers should show correctly the country of last permanent residence and not merely the country whence they sailed.

Column 8 (Intending to become a citizen).—The entry in column 8 should show whether each alien intends to become a citizen of the United States. If unable to speak for himself, the statement should be made for him by his relative or friend accompanying him.

Column 9 (Final destination).—The entry in column 9 should show definitely the place (city or town) of final destination of each alien in the United States. Mere entry of the State will not be sufficient. If going to a relative or friend, the name, relationship, and complete address of such relative or friend should be given.

Columns 10 and 11 (Whether going to join a relative or friend, and name and address of such relative or friend).—The entry in column 10 should show definitely whether each alien is going to join a relative or friend, and if so what relative or friend, and the entry in column 11 should show the name and complete address of such relative or friend.

Column 12 (Have you ever been in prison, etc.).—The entry in column 12 should show definitely by whom passage was paid, as well as the name, relationship, and complete address of such person.

Column 13 (How much money have you in your possession? and How much?).—The entry in column 13 should show in each case by actual count the exact amount of money possessed. Money brought by one member of a family must not be divided among the several members of the family.

Column 14 (Whether ever before in the United States, and If so, when and where?).—The entry in column 14 should show whether each alien has ever been in the United States before, and if so, the year, or period of years, and place, as, 1904, Philadelphia.

Column 15 (Whether going to join a relative or friend, and if so, what relative or friend).—The entry in column 15 should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 16 to 44.—The answers to these questions are subject to revision by any inspection officer at the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas Hogg Master, of the FRIESLAND, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 76 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas Hogg
Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, such as for example: Civil engineer, stationary engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A laborer (so called) is liable to be anything, or nothing, and should not be returned as a laborer unless he has previously stated what particular kind of labor he is capable of performing, and has actually performed labor of that kind for wages, or has been employed to perform labor of that kind.

A person formerly engaged in any occupation, but temporarily out of employment, should be returned according to the occupation at which he last worked.

Persons having no occupation, such as women and children, should be returned as having no occupation.

Column 7 (Can read).—Every alien 16 years of age and upward, physically capable of reading, who can not read the English language or some other language or dialect, including Hebrew or Yiddish, should be returned as able to read.

Column 8 (Can write).—Every alien 16 years of age and upward, physically capable of writing, who can not write a legible hand, should be returned as unable to write.

Column 9 (Country of which citizen or subject).—The country to be designated in column 9 should be the country of which the immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in but one of the following grand divisions:

Special attention should be paid to the distinction between race and nationality, and names in column 10 should be carefully revised by inspectors and reentry made in the record. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, nor "England," "French," or "Scotch" does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Central American" refers to the people of Central America (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent (not Negroes).

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Mexico, South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardi, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 11 should show the *country* or *town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens whose permanent residence is in the United States and who return to this country from a visit abroad should be classified as "returning resident aliens," but should not be returned as having any permanent residence in a foreign country.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should show the name and address of such relative. If the alien has no relative in the country whence he came, the fact should be stated.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination of which the United States immigration officials take the United States.

Column 14 (Whether going to join a relative and name of relative).—The entry in column 14 should be either Yes or No (not Negroes).

Column 15 (Whether in possession of $50 and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money belonging to the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States and if so, when and where).—The entries in column 16 should be Yes or No (not Negroes), as the case may be, and if Yes the year or period of years and place, as, 1894-97, Philadelphia.

Column 17 (Whether coming to any relative and if so, what relative or friend).—The entry in column 17 should show whether coming to an alien's relative or friend, and if so what relative or friend, with name and complete address.

Column 18 (Remarks).—The answers in these columns are subject to revision by any inspection officer to the examination of aliens.

Affidavit of Surgeon.

I, F. Dolan, Surgeon of the ss Finland, LIVERPOOL, do solemnly, sincerely, and truly swear that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 36 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J Rogers Master, of the FRIESLAND, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Edw Corbin, Jr.
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residency.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother or other relative, friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 18 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Tab Doran, Surgeon of the SS Finland, [illegible], do solemnly, sincerely, and truly Swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons & Physicians Ireland. and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1/- in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J Rogers Asst, of the FRIESLAND, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas J Rogers
Officer.

Sworn to before me this 1st day of Sept 1907.

Jno Corbin Jr
Immigration Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter age being only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien above 14 years of age, for example: Clerk, engineer, shoemaker, tailor, engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

Aliens having no occupation should be returned as "none," regardless of the amount of money they may have in their possession.

A laborer is one who performs manual labor for hire, whether by the day or otherwise.

A farmer is one who owns, hires, or works on a farm for the sake of operating it.

A farm laborer is one who works on a farm for the sake of the wages.

Strenuous efforts should be made by this definition on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens proceeding in transit through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "housework" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba, not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this headline.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) or their descendants, whether residing in Italy, Switzerland, America, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or place* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as of United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether in possession of ticket through and how paid for).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid as well (husband, father, brother, or other relative; friend; steamship company, etc.).

Column 15 (Whether in possession of $50 and by whom was it given).—The entry in column 15 should give in each case (male and female) the exact amount of money shown. Money brought by one head of a family should not be divided among the several members of the family.

Column 16 (Whether going to join husband, father, or other relative in the United States, and if so, what relative, where, and where).—The entries in column 16 should show whether or not Yes or No) in the United States before, and if so, the name and period of years and place (as 1904, Philadelphia).

Column 17 (Whether going to join relatives or friends, and if so, what relatives or friends).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18 (Remarks).—The answers to these columns are subject to revision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, T. P. Dolan, Surgeon of the S.S. Friesland, [illegible], do solemnly, sincerely, and truly Swear that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 16 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas F Rogers Master, of the FRIESLAND, from LIVERPOOL, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 56 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months; the latter applying only to those under 1 year of age.

Column 6 (Sex).—Designate by a column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should describe as specifically as possible the occupation (trade, profession, or other calling) of each alien, as, for example, wheelwright, mechanic, engineer, farmer, merchant, lawyer, nursing, engineer, bone polisher, coal polisher, iron polisher, wood turner, etc., and by simple terms, as laborer, servant, waiter, tailor, tailoress, seamstress, milliner, housekeeper, etc., or other definite designations.

A distinction should be made between persons and young children, a number of classes of persons of tender years, as follows:

A child is one who requires a home, either for himself or others.

A little laborer is one who works on a farm for the benefit of his parents.

Strong, healthy persons should not be classified as laborers, as the latter term is usually found to include persons of inferior mentality and physique. If necessary for inspectors and registry clerks to distinguish between laborers and persons of other occupations.

Aliens intending to pass through and not to the United States should be described under head of occupation as "in transit," those coming only for a temporary residence in the United States but not intending to pass through to another country should be classed as "former" under head of occupation.

Column 9 (Able to read and write).—Column 9 is intended to obtain literacy and the entries therein should be either Yes (Y) or No (N). Any person who can read and write, or can read only, is to be entered as Yes (Y). Any person who can not read and write is to be entered as No (N).

Column 10 (Country of birth).—Column 10 should be constructed to show the country of which the immigrant is a native or subject.

Column 11 (Race or people).—The entry in column 11 should show the race or people as given in last column of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "France" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria (i. e., Genoa and Genoese), Lombardy, and Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 12 (Last permanent residence).—The entry in column 12 should show the country in which the immigrant has had his last permanent residence. If he has lived in the United States for a number of years, and only returned to his native country for a visit, or for the purpose of bringing back his family, or for other temporary cause, the entry should be the United States. If he has lived in two countries, the one in which he has lived the longer should be recorded as his last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should show the name and complete address of the relative. If no such relative, give name and address of friend.

Column 14 (Final destination).—The entry in column 14 should show the city, town, or place in the United States to which the immigrant intends to go, and not merely the State. If he has friends or relatives in any part of the United States, their address should be given.

Column 15 (Whether having [ticket] prepaid by himself or others).—The entry in column 15 should be either Yes (Y) or No (N).

Column 16 (Whether in possession of $50 and if not, by whom furnished).—The entry in column 16 should show specifically by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50 and if less, how much).—The entry in column 18 should show in each case the individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1893, Philadelphia.

Column 19 (Intending to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, L Dolan, Surgeon of the FRIESLAND, [illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons of Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 76 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J. Rogers Master, of the FRIESLAND, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas J Rogers
Master. Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of Age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each person aged 14 or over, for example: (1) Engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, tool polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of means shown, as follows:

A *farmer* is one who operates (plants, cultivates) either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of ALIEN Arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through, in transit, should be classed as "tourists" under head of occupation.

Column 9 (Able to read and write).—Column 9 is subdivided and the entries therein should be either Yes (Yes) (can read and write). No. No (can neither read nor write) or Yes. No (can read but not write).

Column 10 (Nationality).—Column 9 should be construed to mean the country of which unnaturalized is a citizen or subject.

Column 11 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Negroes of Central America, or Negroes of Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy (Venetia), and Emilia) and their descendants, whether residing in Italy, elsewhere in Europe, America, Australia, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence).—The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who have permanent residence in the United States and who return to it from a visit abroad, should be recorded as having come from the United States (or country of last permanent residence).

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, name and address of friend.

Column 14 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination (within the United States country) if not in the United States.

Column 15 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 16 (Who paid passage).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give, in each case, individual or family amount of money shown. Money brought by a head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1902, Philadelphia.

Column 19 (Whether going to join a relative or friend, and if so, what relative or friend, and its name and complete address).—The entry in column 17 should show whether going to join either a relative or friend, and if so what relative or friend, with name and complete address.

Column 20 (Remarks).—The entries in these columns are subject to revision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the FRIESLAND, [illegible], do solemnly, sincerely, and truly swear that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible] Surgeon's Diploma dated [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 36 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas E. Rogers (Name of Master, First or Second Officer.), of the [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas E Rogers
Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, or by such other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmers include all persons who operate a farm, either for himself or others.

Farm laborers include those who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens at ports of arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "Temporary" under head of occupation.

Columns 7 and 8 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes or No (can read and write). No. No. (can neither read nor write). or Yes. No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in Part 44, page 3, of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people (and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality). An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last previous residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are temporarily residing in the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (not ticket).

Column 15 (Who paid passage; if not, how much money had he).—The entry in column 15 should show definitely by whom passage was paid, as "self," "husband," "father," "brother," or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if yes, the year or period of years and place or places, as, 1894-97, Philadelphia.

Column 18 (Coming to join friends or relatives, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 31.—The answers to these questions are subject to revision by any inspection officer at the various ports of arrival.

Affidavit of Surgeon.

I, P. Solan, Surgeon of the FRIESLAND, (state whether surgeon employed by vessel named or by the company, etc.), do solemnly, sincerely, and truly Solan that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal Corps of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 76 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J Rogers Master, of the FRIESLAND, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 76 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas J Rogers
Master Officer.

Sworn to before me this 9/2/07 day of , 1907,
at PHILADELPHIA

Jno Cosgrove
Immigrant Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *prime* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspector and registry clerks during the personal examination of alien arrivals.

Aliens suggesting to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (Able to read and write).—Columns 7 and 8 subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, Emilia, and those provinces, whether resting in Italy, Switzerland, Austria, or the Adriatic, which are ethnologically classed as "Italian") are to be classed as "Italian (north)." Most of these people speak Gallo-Italic of the Latin linguistic.

ITALIAN, SOUTH.

The people who are native to that portion of the basin of the River Po (i. e., compartments of Lucca, Tuscany, the Marches, Umbria, Rome, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and those descended and should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 11 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies give accurately new country of last permanent residence independent of country of temporary residence, hesitancy, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as "United States" as country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in this column should show name and address of such relative. If no such relative, "None" should be entered.

Column 13 (Final destination).—The entry in this column should show definitely the place (city or town) and State to which the alien is destined in the United States. If entirely the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (Why alien was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, friend, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year, or period of years, and place, as 1884, E. Philadelphia.

Column 18 (Going to join relative or friend, and if so what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so what relative or friend, with name and complete address.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. Rogers Master (Master, or other Master, First or Second Officer), of the RIESLAND, from LIVERPOOL, do solemnly, sincerely, and truly depose and say that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* means a person who operates a farm, either for himself or others.

A *farm laborer* means one who works on a farm for the man who operates it.

Steamship companies should make this distinction upon the manifests, and corrections could be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes or No. Yes, can read and write. No, can neither read nor write. Or Yes, can read but not write.

Columns 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people; and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising most of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising most of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies carefully show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as "United States" for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, state "None," and name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town, not final destination if in western United States country, if outside the United States).

Column 13 (Whether having a ticket through; whether sent for).—The entry in column 13 should be either Yes (ticket) or No (not ticketed).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as "self, husband, father, brother, or other relatives; friend, steamship company, etc."

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should serve in each case (individual or family) the exact amount of money shown. Money brought in the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year, or period of years, and place; as, 1903-06, Philadelphia.

Column 17 (Coming to join relatives or friends, and if so, what relatives or friends).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18, 19, 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the FRIESLAND, [illegible], do solemnly, sincerely, and truly affirm that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 16 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, Edward Boggs Master of the [illegible] from [illegible] do solemnly, sincerely and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The number of years in column 1 should be expressed by year unless the latter is under one year, when months should be used.

Column 2 (Sex).—Females are to be indicated by the letter "F" and males by "M."

Column 3 (Married or single).—The entry in column 3 should be the letter M, indicating "married," S, "single," W, "widowed," or D, "divorced."

Column 4 (Occupation).—The entry in column 4 should describe as accurately as possible the occupation (trade or profession) of each alien, if employed, whether skilled or unskilled laborer, clerk, etc. Persons of independent means should be returned as "gentlemen," "capitalists," "bankers," "merchants," "manufacturers," "ministers," "lawyers," "physicians," "students," "teachers," "authors," "artists," "editors," "musicians," "actors," "painters," "sculptors," "engineers," "farmers," "stockmen," "herders," "laborers," "servants," "housekeepers," "housewives," or other such definite occupations.

A married woman should be returned as following a profession or occupation, if she habitually pursues the same regardless of the marriage relation, and "housework" in all other cases.

Children should not be returned as having no occupation, but if at school as "scholars."

Persons of no occupation should be returned as such.

Stewards should not return themselves as cooks, waiters, etc., but as stewards.

Sheepherders should be returned as such, and not as laborers.

Aliens proceeding to pass through and not to the United States should be returned under head of occupations as "in transit," those coming only to a seaport to take ship to the United States but not intending to pass through it inland should be classed as "seaport, unable to find occupation."

Column 5 (Can read and write).—Children 5 years old and under should be entered as "Yes" if they can read and write, and as "No" if they cannot. Persons over 5 years of age should be entered "Yes" or "No" according to their ability to read and write.

Column 6 (Name, nearest relative or friend in country whence he came).—Each alien should be required to name the country of which he or she is a citizen or subject.

Column 7 (Last permanent residence).—The entry in column 7 should show the name of people or place in full as far as it is known.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and examining officers before they are signed. For instance, "French" appearing on a manifest does not necessarily mean "French" in race of people and ethnically. "French" appearing as a nationality does not necessarily mean "French" in nationality. An alien who is a Pole, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRO-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the native Negro race, whether coming from Cuba or other countries of the West Indies, Central or South America, Europe or Asia, who are pure-blooded Negroes. Mulattoes or other persons of mixed Negro blood should be classified under this heading.

HEBREW (RACIAL).

The people who are native to the countries bordering on the Black Sea, commonly known as Russian Hebrews, and their descendants, whether residing in Russia, Germany, Austria, Hungary, or any other country, should be known as "Hebrew (racial)." Most of these people speak the Yiddish dialect, but the easiest line of

ITALIAN (RACIAL).

The people who are native to the Kingdom of Italy, the Republic of San Marino, the Papal States, the Island of Sicily, the Island of Sardinia, Switzerland, Corsica, Malta, Austria, Hungary, and Turkey, and their descendants, whether residing in Italy, Switzerland, Africa, Egypt, or any other country, should be known as "Italian (racial)." Most of these people speak the Italian dialect, but the easiest line of

Column 8 (Final destination).—The entry in column 8 should show the city, town, or village in the United States to which the alien is destined, as far as known.

Column 9 (Whether joining relative or friend, and what relative or friend).—The entry in column 9 should show the name of relative or friend whom the alien intends to join, and the relationship of such relative or friend to the alien. Money brought by one friend for another should be recorded among the entries of the latter.

Column 10 (Whether in possession of $50 and by whom furnished, and whether ticket through).—The entry in column 10 should show whether the alien has in his or her possession fifty dollars in money, and by whom furnished. If the ticket is through to destination, that fact should be stated.

Column 11 (Whether going to join husband or other relative in the United States).—The entry in column 11 should show whether the alien is going to join husband or other relative in the United States, and if so, what relative.

Column 12 (Whether ever before in the United States, and if so, when and where).—The entry in column 12 should show whether the alien has ever been in the United States before, and if so, when and where.

Column 13 (Whether going to join a friend, and if so, what friend, and his or her full address).—The entry in column 13 should show whether the alien is going to join a friend, and if so, what friend, and his or her full address.

Column 14 (Whether having been in prison, etc.).—The entry in column 14 should show whether the alien has been in prison, or in an almshouse or asylum, or supported by charity, or a refugee from justice, and the cause thereof.

Affidavit of Surgeon.

I, [illegible], Surgeon of the FRIESLAND, [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Columns 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish [illegible]

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 24.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 4 should be expressed in years or months, the latter appearing only for those under 1 year of age.

Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien arrived, as for example: Clerk, engineer, shoemaker, locomotive engineer, mining engineer, house painter, wood painter, etc., and not simply as engineer, painter, laborer, farmer, or other indefinite description.

A distinction should be made between *farm laborers* and *farmers*, regardless of the amount of money shown, as follows:

A farmer is one who owns or rents a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of the aliens.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States but not intending to pass through in transit should be classed as "tourists" under head of occupation.

Columns 5 and 6 (Able to read and write).—Columns 5 are subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in fact by each of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other place in the West Indies, South or South Central America, Europe or Africa. A traveller whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I Chas L Rogers Master (Name of Master, First or Second Officer.), of the NEBRASKA, from [illegible] 1907, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 76 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas L Rogers
Officer.

Sworn to before me this 9/7/07 day of [illegible], 1907.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The entry of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, such as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, cloth polisher, iron molder, wood turner, etc., and not simply as "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between *persons* and *from laborers*, regardless of the amount of money shown, as follows:

A person is one who cooperates a farm, either for himself or others.

A person *from* is one who works on a farm for the man who operates it.

Secondary inspectors should make this distinction on the manifests, and corrections should be made if necessary, by inspectors in registry clerks during the personal examination of alien arrivals.

Aliens proceeding to pass through, and out of the United States, should be recorded under head of emigrants as "In transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Y (yes) (can) read and write. Yes N (can) neither read nor write, or Yes N (can) read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immediately a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in lists and marks of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Syrian" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Continental Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence of the immigrant for commercial purposes. Understand, to constitute a permanent residence of any person in a country, independent of temporary residence, nationality, or race.

Aliens returning to permanent residence in the United States will be entered from a point abroad, should be recorded as returning to the United States for permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give the name and address of the nearest relative. If no such relative, the friend.

Column 12 (Final destination).—The entry in column 12 should show correctly the place (city or town) of final destination of the immigrant in the United States, if outside the United States.

Column 13 (Whether having a ticket to final destination).—The entry in column 13 should be either Y (yes) or N (no).

Column 14 (Why whose cash passage paid).—The entry in column 14 should show definitely by whom passage was paid, as well understood, whether friends or other relatives, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and how much).—The entry in column 15 should give in each case the amount shown to exist. The exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether or not the alien is or has been in the United States before, and if so, the exact time and place of entry, as for example, "1893, Boston."

Column 17 (Whether going to join husband or other relative, and if so, what relative and where).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The entries in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the FRIESLAND, do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons of Physicians, Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 16 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, "Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood carver, etc., and not simply as "engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of capital shown, as follows:

"Farmer" to include one who operates a farm, either for himself or others.

"Farm laborer" to include one who works on a farm for the man who operates it.

Steerage passengers coming under the distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens aboard ship.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "temporary" under head of occupation.

Columns 7 and 8 (Able to read and write).—Columns 7 and 8 are combined and the entries therein should be either: Yes (Yes I can read and write), No (No I can neither read nor write), or Yes—No (Yes I can read but I can't write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which the person named is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given at top on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)."

Column 11 (Last permanent residence).—The entries in column 11 should show the country, and city, or town of last permanent residence. It is important for statistical purposes that as specific information as possible about country of last permanent residence be secured. If country of temporary residence (sojourn), or place

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative or friend. If such a relative or friend gives name only for a town or county

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination, as known, in the United States. Country if outside the United States.

Column 14 (If having a ticket through to final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (If not, how much money in possession).—The entry in column 15 should show definitely by whom possessed (cash, as well as money-order, draft, or other negotiable evidence of money).

Column 16 (If going to join a relative, name this relative; his relationship, if any, and complete address).—The entry in column 16 should give in each case (whether cash or draft) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the date (as to month or year) and place (as to city or Philadelphia).

Column 18 (Having to whom remitted, and if not relative, relationship, if any).—The entry in column 18 should show whether remitted by the alien to a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 30.—The columns on these manifests are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, P. Dolan, Surgeon of the FRIESLAND, ..., ..., do solemnly, sincerely, and truly swear that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeon & Physician Ireland; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 26 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town,* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative being, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, 97, Philadelphia.

Column 18 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19, 20, 21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the FRIESLAND, [illegible], do solemnly, sincerely, and truly swear that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons & Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 26 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J Rogers Master, of the [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the FRIESLAND, [illegible], do solemnly, sincerely, and truly state that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons + Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 36 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien aged 14 or over. For example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amounts of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

(over)

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardy, Venezia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country* and *city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as "United States" for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894, 97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 79.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, Chas J Rogers Master, of the [illegible] from [illegible], do solemnly, sincerely, and truly declare, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 76 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The entries of age in column 3 should be expressed in years or months, the latter appearing only in those under 1 year of age.

Column 3 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, tailor, and not simply as engineer, polisher, molder, tapper, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who owns or hires a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should not use this distinction on the manifests, and corrections should be made by Commissioners, Deputies, and registry clerks during the personal examination of aliens arrived.

Alien.—Intending to pass through, and out of the United States should be recorded under head of occupation as "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "temporary," under head of occupation.

Column 8 (Able to read or write).—Column 8 is subdivided and the entries therein should be Yes or No. Yes if can read and write; No, if can neither read nor write; or Yes, No [if can read but not write].

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given on page 3 on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and names should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South American Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmonte, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Toscana, the Marches, Umbria, Roma, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States the country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less than $50 how much).—The entry in column 16 should give in each case (and total of family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever in the United States, and if so, when and where).—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I. C. D. Jones, Surgeon of the S.S. Merion, E. By. C, do solemnly, sincerely, and truly Sweas that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, B B Hill (Given and Surname. First or Second Name.), of the S S Menom, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 5th day of Sept, 1907

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrival.

Aliens intending to pass through, and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Can read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show countries of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Y—yes, or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as, 1903, Philadelphia).

Column 17 (Whether going to join relatives, and if so, what relatives, or friend, and if so, what friend, and where).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 31.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. D. Jones, Surgeon of the S. S. Merion, E. By. O. (State whether Surgeon sailing herewith" or "employed by owners thereof," as the case may be.), do solemnly, sincerely, and truly Swear that I have had [redacted] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [redacted] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Hill (Strike out neither Master, First or Second Officer), of the S.S. Merion, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as actual, not future, occupation. For example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, bread peddler, coal peddler, iron molder, wood turner, etc., and not simply as engineer, peddler, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read) and 8 (Able to write).—Columns 7 is subdivided and the entries therein should be either Yes or No, as to read and write. No can neither read nor write; Yes, but can read but not write.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs, as enumerated in the list on page 4 of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Central American" refers to the people of Central America, of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardia, Venetia, and Emilia) and those descended in Italy, south of Italy, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Raetian language.

ITALIAN (SOUTH).

The people who are natives of that peninsula of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last previous home).—The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country or transportation ticket or nationality of race.

Aliens who are participants in the International Sunday School Convention from a city abroad should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should show name and address of such relative. If no such relative, "None" should be written.

Column 13 (Final destination).—The entry in column 12 should show distinctly the place (city or town) of intended final destination in the United States, country, if outside the United States.

Column 14 (If held for whom).—The entry in column 13 should be either Yes or No.

Column 15 (Ship's boat or other conveyance).—The entry in column 14 should show definitely by which passage was paid for each alien, husband, father, brother, or other relative, friend, or other person, etc.

Column 16 (Whether in possession of $50 and whether ever in prison).—The entry in column 15 should show whether each alien has in his possession at least fifty dollars in money or not. Money in the form of a draft should not be recorded among the several items enumerated in the law.

Column 17 (Whether going to join husband, relative, friend, or other, and where).—The entry in column 16 should show whether each alien has a ticket to and destination final in the United States before, and if so, the name, full address, and relationship, if any, of the person holding such ticket, and if not, the name, full address, and relationship, if any, of the person who paid for same.

Column 18 (Whether ever before in United States and when and where).—The entry in column 17 should show whether each alien has been in the United States before, and if so, the year or years and place or places—i. e., 1893, Philadelphia.

Column 19 (Whether going to join a relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join another relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 (Remarks).—The entries in all the columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. D. Jones, Surgeon of the S.S. Menon E. by O. (State whether Surgeon employed by owners thereof, or otherwise), do solemnly, sincerely, and truly Swear that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Hill, Master, of the S S Meron, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing List's or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this [illegible] day of [illegible], 1907

[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age.)—The entry of age in each case should be expressed by years or months, the latter only if under 1 year of age.

Column 2 (Sex.)—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or Single.)—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Occupation.)—The entry in column 4 should indicate what each alien can do, or has been employed at, during the past year, if employed, and if not employed, what his last occupation was. If a child, write "child," if a woman, write "none," unless she has been employed, when her occupation should be given. Persons of no occupation, such as gentlemen of leisure, should be so described. Do not use such indefinite terms as "laborer," "servant," "clerk," "student," "agent," "peddler," "manufacturer," "dealer," or "merchant" without specifying the character of labor performed or article produced or handled.

Column 5 (Can read?)—Write "yes" or "no" to indicate whether each alien can read or not.

Column 6 (Can write?)—Write "yes" or "no" to indicate whether each alien can write or not.

Column 7 (Country of which citizen or subject.)—The entry in column 7 should be the name of the country of which each person is a citizen or subject.

Column 8 (Race.)—The entry in column 8 should show the race of each person as generally understood in this country.

Special attention should be paid to the distinction between race and nationality, and particular care should be exercised by inspectors and agents clerks in this regard. For instance, "Hebrew" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "German" by race or nationality. An alien who is Irish, German, or Hebrew by race or people properly enters under the heading of United Kingdom or such other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the native inhabitants of the island of Cuba (not Negroes).

WEST INDIAN.

"West Indian" refers to the native people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

Spanish American refers to the people of Central and South America of Spanish descent.

ARMENIAN (RACE).

Armenian (Race) refers to the natives of Armenia, whether coming from Turkey or other countries of which no distinction is made. Persons born in Armenia, but who are natives of Asia Minor, Syria, or other countries, should be described as to their birthplace.

SYRIAN (RACE).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, Emilia and Romagna) should be described as Italian (North Italy), and not as Austrian, Hungarian, or any other country, or should be classed as "Italian (North)." Most of these people speak a totally distinct dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and these designated should be classed as "Italian (South)."

Column 9 (Last permanent residence.)—The entry in column 9 should be such that the country and city or town of last permanent residence—i. e. the country and city or town where the person has resided for a year or more with the intention of remaining permanently—can be definitely ascertained. Mere transients or temporary visitors should not be entered from the country of last permanent residence.

Column 10 (Final destination.)—The entry in column 10 should show the city and State for which each alien is destined. If going to a place in the United States, the name of a street and number should be added if the destination is a large city.

Column 11 (Whether going to join a relative or friend, and if so, what relative or friend, and its name and complete address.)—The entry in column 11 should show whether each alien is going to join a relative or friend, and if so, what relative or friend, and the name and complete address of such relative or friend.

Column 12 (Have you ever been in prison, etc.?)—The entry in column 12 should be either Yes or No.

Column 13 (Are you a polygamist?)—The entry in column 13 should be either Yes or No.

Column 14 (Are you an anarchist?)—The entry in column 14 should be either Yes or No.

Column 15 (Are you coming under contract, express or implied, to perform labor in the United States?)—The entry in column 15 should be either Yes or No.

Column 16 (Are you in possession of $50, and if less, how much?)—The entry in column 16 should show whether each alien has in his possession fifty dollars in money, and if less, how much less. Money brought in by the head of a family should be counted as belonging to the several members of the family.

Column 17 (If a woman, whether married or single, and if married, the name of husband or wife.)—The entry in column 17 should show whether each woman is married or single, and if married, the name of her husband or wife.

Column 18 (Ever before in the United States, and if so, when and where?)—The entry in column 18 should show whether each alien has been in the United States before, and if so, the time or times of such previous visit or visits and place or places of residence, if known.

Column 19 (Whether a ticket was purchased to destination.)—The entry in column 19 should show whether each alien has been assisted in coming by any person, either by the payment of his passage or otherwise.

Affidavit of Surgeon.

I, C. B. Jones, Surgeon of the S.S. Pleuron, E. By C., do solemnly, sincerely, and truly Swear that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Hill, of the SS Merion, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 (Age).—The entries of ages in column 3 should be expressed in years or months, the latter only in cases where under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation of each person, if any specified, as per examples: "Farmer," "laborer," "engineer," "servant," "clerk," "shoemaker," "tailor," "printer," "cook," "carpenter," "mason," "blacksmith," "miner," "painter," "butcher," "baker," "seamstress," "milliner," "dressmaker," "no occupation," etc.

A person should be reported as having no occupation (1) if under 16 years of age, or (2) if living on his income, or (3) if a housewife, unless she follows some gainful occupation outside of her household duties.

A farmer is one who owns or hires and manages a farm; a farm laborer is one who works on a farm for wages, salary, or share of the products.

A laborer without further description is one who performs unskilled labor for wages.

Steamship companies should make every distinction in the power of words and corrections should be made in a careful, legible, and orderly way. Any illegible or illegal entries may cause a detention of the alien on arrival.

Aliens coming to Canada or Mexico and entering the United States should be recorded on the lists of the countries from which they came, and not as coming from the United States, but nevertheless, if they have been in the United States they should be described as "returning" under head of "Remarks."

Column 7 (Nation or people).—The entry in column 7 should be entered and the entries therein should be either Yes (Y) or No (N). Not Nos. or any other marking should be made, but Y or Yes or N or No must be used for each person.

Column 8 (Nationality).—Column 8 should be inserted to denote the country of which immigrant last became a subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or book. Only one.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien, who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or some other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negroes, also natives coming from Cuba or other islands of the West Indies, Central America, South America, or Mexico. All such should be described as "African (black)," and not as Negroes. [illegible] should be classified under this heading.

HEBREW.

The people who are native or inhabitants of Russia (Poland), Austria-Hungary (Bohemia), Roumania, Turkey in Europe, Turkey in Asia, Persia, Syria, Arabia, Palestine, Egypt, Portugal, Spain, Italy (including Sicily and Sardinia), and Greece should be classified as "Hebrew" (not Negroes), whether they are of the Hebrew religion or not.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the limits of the Provinces of Leghorn, Florence, Ancona, Urbino and Pesaro, Macerata, Camerino, Perugia, Viterbo, and Rome, including Sicily and Sardinia, and those coming from Naples, Palermo, Messina, Catania, Syracuse, Girgenti, and Trapani should be classified as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country only in case of last permanent residence. It is important for statistical purposes that a steamship company should know country of last permanent residence and not merely country of a passenger's ticket or last place of departure.

Aliens who have been in the United States and are returning from a visit abroad should be credited to the country in the United States to which they belong as last residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of nearest relative. It will not be sufficient to write "wife" or "husband" or "friend."

Column 12 (Final destination).—The entry in column 12 should show destination by city or town and State of final destination, if within the United States country, if outside the United States.

Column 13 (Whether having a ticket through to final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether any person paid passage).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of money, and if less than $50).—The entry in column 15 should show in each case whether had or [illegible] this exact amount. If money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as 1903, Philadelphia.

Column 17 (Whether going to join husband or other relative or friend).—The entry in column 17 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 31.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C D Jones, Surgeon of the S S Meteor, E By C, do solemnly, sincerely, and truly Swear that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Hall, of the S.S. Merion, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J B Hall
Master. (Officer.)

Sworn to before me this 1st day of Sept 1907

at Philadelphia

John Cochran
Commissioner.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age.)—The return of age in column 2 should be expressed in years only, no months nor the latter applying only to those under 1 year of age.

Column 3 (Sex.)—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or Single.)—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation.)—The entry in column 5 should be the occupation, trade, or profession of each alien, if any, as far as practicable (as "laborer," "servant," "clerk," "shoemaker," "engineer," "farmer," "merchant," "tailor," "weaver," "blacksmith," "carpenter," "bricklayer," "painter," "plasterer," "mason," "miner," "printer," "cooper," "baker," "butcher," "seamstress," "milliner," "dressmaker," "stenographer," "typewriter," "bookkeeper," "accountant," "teacher," "professor," "physician," "surgeon," "lawyer," "clergyman," "author," "editor," "musician," "actor," "artist," "engraver," "photographer," "lithographer," "architect," "draftsman," "chemist," "electrician," "mechanical engineer," "civil engineer," "mining engineer," "stationary engineer," "locomotive engineer," "railroad contractor," "manufacturer," "merchant," "banker," "broker," "real estate dealer," "gentleman," "lady," "no occupation," "none," "at home," "housework," "housekeeper," "housewife," "student," "scholar," "boy," "girl," "child," "infant," or other definite description).

A distinct answer should be made for every person, and "same as above," "do," or similar answers should not be used. If a person has no occupation, the word "none" should be written.

Column 6 (Can read.)—Every alien can read something. Every alien should be questioned as to whether he can read, and the answer entered accordingly.

Can you read anything? Can you read a letter from your family?

Can you read? Can you read a book or a paper?

Stenciled copies of these instructions for the information and guidance of masters and surgeons should be made if necessary by inspectors and regularly furnished to them for the personal examination of aliens arriving.

Aliens proceeding to pass through and out of the United States should be considered under head of "in transit." Those coming only for a temporary sojourn in the United States and not intending to pass through in transit should be classed as "temporary" under head of occupation.

Column 7 (Can write and read.)—Column 7 is subdivided and the answer thereto should be either Yes or No, as to read and write. No "Yes" can be made to read for "Yes" can write and read and vice versa.

Column 8 (Nationality.)—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people.)—The entry in column 9 should show the race or people as given to last on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and deputy clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the Negro race, whether coming from Africa or other countries of the Western hemisphere. Such Africans and Negroes from Africa who appear to have Arabic admixture of blood should be classified under this head also.

ITALIAN

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venice, and Emilia) and [illegible] adjacent districts, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to the provinces of Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and adjacent districts, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 10 (Final destination.)—The entry in column 10 should show the name of the city or town of intended final destination in the United States for each alien, as far as practicable. It is proper for intending immigrants to have in their possession a railroad ticket covering transportation to their final destination. Every effort should be made by the master and other officers of the vessel to prevent aliens from leaving the vessel at any intermediate port of entry in the United States, and the importance of this matter can not be overestimated. Every alien who is destined to any place in the United States except the port of arrival should be listed at the seaport of debarkation for his ultimate destination.

Column 11 (Whether having a ticket, etc.)—The entry in column 11 should show whether the alien has been assisted in coming, or has his ticket or passage paid for by others, or whether he has sufficient money to pay his way, and how much, or whether he is coming under contract, etc.

Column 12 (Whether going to join a relative or friend, and if so what relative or friend, and his name and complete address.)—The entry in column 12 should show whether going to join relative or friend, and if so what relative or friend, with name and complete address.

Columns 13 to 17.—The answers to these questions are subject to revision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, C. D Jones, Surgeon of the S S Alesia, E By O, do solemnly, sincerely, and truly declare that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relating to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Still (State whether Master, First or Second Officer.), of the S S Merion, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5, Age.—The return of age in column 5 should be expressed in years or months, the latter appearing only for those under 1 year of age.

Column 6, Sex.—The entry in column 6 should be "Male" or "Female."

Column 7, Married or single.—The entry in column 7 should be "Married," "Single," "Widow," or "Widower."

Column 8, Calling or occupation.—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, clerk, mason, engineer, locomotive, engineer, stationary, tailor, tailoress, seamstress, laborer, farmer, servant girl, etc. Merely general terms, such as "laborer," "servant," or "none," are to be avoided.

A distinction should be made between farmers and farm laborers, as the amount of money they bring to this country is usually quite different.

Persons of no occupation should be returned as such.

Aliens *children* under 16 years of age, going with parents, should be returned as "none."

Steamship companies should make this distinction on the manifests, and inspectors should be careful to note any omissions in this respect. Under the present administration of the immigration laws it is important that the exact occupation of each alien should be ascertained.

Aliens coming in part through, and not to the United States should be returned under head of "In transit." Those coming only to a contiguous country to the United States, but not intending to pass through it to the United States, should be returned as "Emigrant" under head of "Destined to."

Column 9, Nation or people.—[illegible] the country of which the person last mentioned in column 3 is a citizen or subject. Thus, a native of Germany, naturalized in the United States, should be returned as a German, and a native of Ireland, naturalized in the United States, should be returned as Irish. Persons entered as citizens of the United States will be returned as such in the column for "Nation or people."

Column 10, Last residence.—Citizens of the United States should be returned as from the country of which naturalized citizens were formerly subjects.

Column 11, Destined to.—The entry in column 11 should show the name of the people as given in column 9, if destined to the United States.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully examined by inspectors and a strict adherence to this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "Ireland" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban—not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (COLORED).

[illegible] refers to the African Negroes coming from Cuba or other [illegible] of the United States, [illegible] or [illegible] Negroes coming from [illegible] and [illegible] or Negroes coming from [illegible] should be classified under this heading.

[illegible]

The people who are native to [illegible] Europe, Asia, Africa, Australia, and the islands pertaining thereto, or to any part thereof, [illegible] Canada, Mexico, Central America, and the West Indies, and their descendants, whether residing in [illegible] or elsewhere, [illegible] or any other country, should be classified as "[illegible]." Thus a [illegible] should be classified as a Portuguese, [illegible] as a Russian, [illegible] as a Turk, [illegible] as a Hebrew, [illegible] as a Scandinavian, [illegible] as a Finn, [illegible] as a Dutch, [illegible] as a Belgian, [illegible] as a Swiss, [illegible] as a Spaniard, [illegible] as a Spanish-American, [illegible] as a Mexican, [illegible] as a Canadian, [illegible] as a Scotch, [illegible] as an Irish, [illegible] as a Welsh, [illegible] as an English, [illegible] as a Cuban, [illegible] as a West Indian, [illegible] as an Australian, [illegible] as a Japanese, [illegible] as a Chinese, [illegible] as a Hindu, [illegible] as a Syrian, [illegible] as an Arabian, [illegible] as an African (Colored), [illegible] as a Negro, [illegible] as a Pacific Islander, [illegible] as an East Indian, [illegible] as a Central American, [illegible] as a West Indian (except Cuban), [illegible] as a South American, [illegible] as a Turkish Asiatic

Affidavit of Surgeon.

I, C. B. Jones, Surgeon of the S. S. Merrow, E. By. C., do solemnly, sincerely, and truly Swear that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Hill (State whether Master, First or Second Officer.), of the SS Merion, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, gem cutter, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown as following.

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes or No. Yes can read and write. No—No can neither read nor write, or Yes—No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po, i. e., the compartimenti of Liguria, Lombardia, Venezia, Emilia, Marche, Toscana, Umbria, Lazio, Abruzzi e Molise, Campania, Puglia, Basilicata, Calabria, Sicilia, and Sardegna, and their descendants should be classed as "Italian (north)."

SOUTH ITALIAN.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the compartimenti of Liguria, Lombardia, Venezia, Emilia, Marche, Toscana, Umbria, Lazio, Abruzzi e Molise, Campania, Puglia, Basilicata, Calabria, Sicilia, and Sardegna, and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies should show correctly the country of last permanent residence, independently of temporary residence, nationality, or race.

Aliens who have permanent residence in the United States and are returning from a visit abroad should be charged to the United States as the country of last permanent residence.

Column 11 (Name and address of nearest relative or friend in country whence alien came).—The entry in column 11 should show the name and address of such relatives. If no such relatives exist, the fact should be stated.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination in the United States, country, if not in the United States.

Column 13 (Whether having a ticket to final destination).—The entry in column 13 should be either Yes or No.

Column 14 (By whom passage paid).—The entry in column 14 should show definitely by whom passage was paid, whether himself, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should show in each case (yes or no) the exact amount of money shown. Money brought by one of a family should not be divided among the several members of the family.

Column 16 (Whether going to join relatives and if so, what relatives and where).—The entries in column 16 should show whether the alien is going to relatives (Yes or No) in the United States, and if so, the name and address of such relatives and place, as 1804 97, Philadelphia.

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 18 should show whether the alien is going to a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C D Jones, Surgeon of the S.S. Hibernia, E. B. & A., do solemnly, sincerely, and truly Swear that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at time of arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for hire, for wages, or upon shares.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro or other coming from Cuba or other island of the West Indies, Mexico or South American Republics or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect, not the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show countries of last permanent residence independent of country of temporary sojourn, nationality, or race.

Aliens who have formerly been admitted to the United States and are returning from a visit abroad should be questioned in a manner to elicit from them the country of last permanent residence.

Column 11 (Name and complete address of person whom alien intends to join).—The entry in column 11 should give name and address of such relative. If no such relative is designated, give name and full address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if west of the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, friend, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year or period (5 years), and place, as, 1895-97, Philadelphia.

D Jones, Surgeon of the S S Mesaba, E By O, (State whether "employed by the Government" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly Swear that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Hall (Master, First or Second Officer), of the SS Menow, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other [redacted]e or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J B Hall
Master Officer.

Sworn to before me this 10 day of Sept 1907.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at time of arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the year or season.

Steamship companies should make this distinction on the manifest, and corrections should be made if necessary by inspectors and registry clerks during the personal examinations of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "temporary" under head of occupation.

Columns 7 (Can read) and 8 (Can write).—Column 7 is subdivided and the entries therein should be either Yes (if can read and write), No (if can neither read nor write), or Yes (if can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which a person is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given, but not be left to the discretion of the alien.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish [illegible]

AFRICAN (BLACK).

"African (black)" refers to natives of Africa. Negroes coming from Cuba or other islands of the West Indies, Central America, or South America, and also those whose appearance indicates an admixture of Negro blood, should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprehending the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or San Marino country, should be classed as "Italian (north)." Most of these people speak a dialect differing from the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the compartimenti of Liguria, Tuscany, Umbria, the Marches, Latium, Campania, Abruzzi and Molise, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 10 should show the country in which each alien has had his last permanent residence. It is important for statistical purposes that steamship companies accurately show the country of last permanent residence independent of country of last temporary sojourn, nationality, or race.

Aliens who have resided in Canada [illegible] and who are coming from a visit to their old home should be recorded as coming from the United States, not Canada, as that is their actual residence.

Column 12 (Name and complete address of person in country whence alien came).—The entry in column 11 should be either the name and address of the nearest relative of the alien in the country whence he came, or the name and address of some friend to whom he is going. The entry in column 11 should show definitely the place (city or town) in which the person named resides, and should not be a place in the United States.

Column 13 (Final destination).—The entry in column 12 should show definitely the place (city or town) to which the alien is going, if destined to some point in the United States.

Column 14 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 13 should give the name and complete address of the relative or friend to whom the alien is going.

Column 15 (Have you ever been in prison, etc., and if so, why, when, and where?).—The entry in column 14 should show whether the alien has been in prison or in a poorhouse, or supported by charity, or a professional beggar, or has been connected with any immoral practice, or has been in the United States before, and if so when and where. Persons who have been in the United States before should be questioned as to their previous occupation.

Column 16 (Condition of health, mental and physical, of each person).—The entry in column 15 should show whether the alien is deformed or crippled, or is blind, deaf, dumb, an idiot, insane, epileptic, or has any other mental or physical defect or disease.

Column 17 (Height).—The height of all aliens is required to be given by any inspection officer at the discretion of such officer.

Affidavit of Surgeon.

I, C. D. Jones, Surgeon of the S.S. Merion, E. By C., do solemnly, sincerely, and truly Swear that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Hill (State whether Master, First or Second Officer.), of the S.S. Merion, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Sworn to before me this 4 day of Sept, 1907

Thos Corbin Sr
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money in each, as follows:

A *farmer* means one who operates a farm, either for himself or others.

A *farm laborer* means one who works on a farm for the land or operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by examining inspectors and registry clerks during the personal examination of aliens at ports.

Aliens returning to pass through and out of the United States should be recorded under heading of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7, 8, 9 (Can read and can write).—Column 7 is subdivided and the entries therein should be either Yes or No. Yes can read and write. No. No can neither read nor write. Yes. No can read but not write.

Column 10 (Nationality).—Column 10 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people).—The entry in column 9 should show the race or people as given in list on back of Old. manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island, the West Indies, Central or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Toscana, Marche, Umbria, Roma, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last previous residence).—The entries in column 12 should show the *country* and *city or town* of last permanent residence. It is important for statistical purposes that steamship companies secure the name of last permanent residence independent of country. Temporary residence, sojourn, etc., not to be given.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as permanent residents of United States for country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should give name and address of such relative. If no such relative, the place name should be stated.

Column 14 (Final destination).—The entry in column 14 should show definitely the place (city or town, if final destination is in the United States) to which alien is going, if in the United States country, if outside the United States.

Column 15 (Whether having a ticket through to such destination).—The entry in column 15 should be either Yes (ticket) or No (no ticket).

Column 16 (Whether any money sent by relatives or friends, and if so, how much).—The entry in column 16 should show whether or not (Yes or No) in the United States before. And if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before. And if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relatives or friend, and if so, what relatives or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed by years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M for male or F for female.

Column 5 (Married or single).—The entry in column 5 should be either M for married, S for single, or W for widowed, or D for divorced.

Column 6 (Calling or occupation).—The entry in column 6 should show the calling or occupation at which each alien named has been employed during the past year, or since last coming to the United States, if he has been here within that time. The entry should be stated as definitely as possible the occupation, trade, or profession of each alien named, as, for example, Cleaning and dyeing, carpenter, engineer, locomotive engineer, machinist, tailor, tailoress, farmer, laborer, servant, waiter, waitress, clerk, bookkeeper, stenographer, typewriter, etc. Such terms as "laborer," "servant," "waiter," "waitress," "clerk," "bookkeeper," "stenographer," "typewriter," "seamstress," "housekeeper," "housework," "gentleman," "lady," "none," "student," "child," "boy," "girl," "infant," and other indefinite designations are insufficient.

A distinction should be made between *gentleman* and *lady* and persons who follow some occupation. The words of a person's answer as to these

If a woman or girl was formerly a prostitute, either in the United States or elsewhere, that fact should be stated.

If any laborer, skilled or unskilled, seeks admission to the United States, the particular kind of labor he is to perform should be stated.

Special attention should be paid to the distinction between skilled and unskilled labor, and numbers should be classified by inspectors and agents according to the following list. For instance, "Farmer" appearing on a manifest sheet before the name of a native of Bohemia, Hungary, Russia, Poland, Germany, or other country of central Europe, would indicate that the person was a peasant farmer, and should be so classified, and not as a farmer possessing capital, as the latter term is understood in the United States. In like manner "Farmer" appearing on a manifest sheet before the name of a native of Ireland, England, Scotland, Wales, France, Belgium, Holland, Switzerland, Germany, Scandinavia, or Australia would indicate that the person was a farmer possessing capital, and should be so classified. "Laborer" appearing on a manifest sheet before the name of a native of Italy, Austria-Hungary, Russia, Mexico, Spain, Portugal, Greece, Turkey in Europe, Asia, Africa, Japan, China, Syria, Arabia, or other Oriental country should be classified as "Italian (south)," "Slovak," "Russian," "Mexican," "Spanish," "Portuguese," "Greek," "Turkish," "Syrian," "Arabian," "Japanese," "Chinese," or other race designation. "Laborer" appearing before the name of a native of Ireland, England, Scotland, Wales, Germany, Scandinavia, France, Belgium, Holland, Switzerland, Australia, New Zealand, or other English-speaking country should be classified as "laborer." In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people of Negro race.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negro.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) includes all Africans, Negroes, and other coming from Cuba or other West Indian Islands, Central America, European Africa, Asiatic Africa, etc. Mulattoes or persons of mixed African and white blood should be classified under this heading.

ITALIAN.

The people who are natives of the Valley of the River Po in northern Italy (i. e., comprising the Provinces Piedmont, Lombardy, Venetia, and Emilia) and who do not speak the Italian language as their native tongue should be classified as "Italian (north)." Most of these people speak the Gallic dialect of the French language.

ITALIAN (SOUTH).

The people who are natives of the Valley of the River Po, in northern Italy (i. e., comprising the Provinces Piedmont, Lombardy, Venetia, and Emilia) and who do not speak the Italian language as their native tongue should be classified as "Italian (north)." Most of these people speak the Gallic dialect of the French language.

A person is classified as a citizen of the United States when he has been naturalized, or has acquired citizenship through the naturalization of his parents, or has resumed citizenship by taking the oath of allegiance after having lost his citizenship by residence abroad, or has derived citizenship through service in the army or navy. A person who has declared his intention to become a citizen of the United States, but who has not completed his naturalization, is not a citizen. A person who has taken out his first papers is not a citizen. A person who has merely filed a petition for citizenship is not a citizen. A person who has been naturalized, but who has subsequently returned to the country of his birth or former nationality and resumed his former residence there, is presumed to have renounced his citizenship and to be an alien. The presumption is not conclusive, but may be overcome by evidence.

Column 7 (Nationality).—Under this column should be entered the country of which the alien named therein is a native or citizen. The entry should be made in such a way as to show clearly whether the alien is a citizen or a subject of the country named. A native of Russia who has become a citizen of the United States should be entered as "Russian-American," or "American," or "United States," but not as "Russian." A native of Russia who has not become a citizen should be entered as "Russian," or "Finn," or "Lithuanian," or "Polish," or "Hebrew," or "Georgian," or "Armenian," or "Turkish," or "Tartar," or "Siberian," according to the race or people to which he belongs. A native of Great Britain who has become a citizen of the United States should be entered as "American," or "United States," but not as "English," "Scotch," "Welsh," or "British." A native of Great Britain who has not become a citizen should be entered as "English," "Scotch," "Welsh," or "British," as the case may be. A native of France who has not become a citizen should be entered as "French." A native of Sweden who has not become a citizen should be entered as "Swedish." A native of Turkey in Asia who has become a citizen of the United States should be entered as "American," or "United States," but not as "Turkish," "Armenian," "Syrian," or "Arabian." A native of Turkey in Asia who has not become a citizen should be entered as "Turkish," "Armenian," "Syrian," or "Arabian," according to the race or people to which he belongs. A native of China who has become a citizen of the United States should be entered as "American," or "United States," but not as "Chinese." A native of China who has not become a citizen should be entered as "Chinese." A native of Japan who has become a citizen of the United States should be entered as "American," or "United States," but not as "Japanese." A native of Japan who has not become a citizen should be entered as "Japanese." A native of Mexico who has become a citizen of the United States should be entered as "American," or "United States," but not as "Mexican." A native of Mexico who has not become a citizen should be entered as "Mexican." A native of Cuba who has become a citizen of the United States should be entered as "American," or "United States," but not as "Cuban." A native of Porto Rico who has become a citizen of the United States should be entered as "American," or "United States," but not as "Porto Rican." A native of Porto Rico who has not become a citizen should be entered as "Porto Rican." A native of Hawaii who has not become a citizen should be entered as "Hawaiian." A native of the Philippine Islands who has become a citizen of the United States should be entered as "American," or "United States," but not as "Philippine." A native of the Philippine Islands who has not become a citizen should be entered as "Philippine." A native of Central America who has become a citizen of the United States should be entered as "American," or "United States," but not as "Central American." A native of Central America who has not become a citizen should be entered as "Central American." A native of South America who has become a citizen of the United States should be entered as "American," or "United States," but not as "South American." A native of South America who has not become a citizen should be entered as "South American." A native of Portugal who has become a citizen of the United States should be entered as "American," or "United States," but not as "Portuguese." A native of Portugal who has not become a citizen should be entered as "Portuguese." A native of Greece who has become a citizen of the United States should be entered as "American," or "United States," but not as "Greek." A native of Greece who has not become a citizen should be entered as "Greek." A native of Holland who has become a citizen of the United States should be entered as "American," or "United States," but not as "Dutch." A native of Holland who has not become a citizen should be entered as "Dutch." A native of Belgium who has become a citizen of the United States should be entered as "American," or "United States," but not as "Belgian." A native of Belgium who has not become a citizen should be entered as "Belgian." A native of Switzerland who has become a citizen of the United States should be entered as "American," or "United States," but not as "Swiss." A native of Switzerland who has not become a citizen should be entered as "Swiss." A native of New Zealand who has become a citizen of the United States should be entered as "American," or "United States," but not as "New Zealander." A native of New Zealand who has not become a citizen should be entered as "New Zealander."

Column 8 (Last permanent residence).—The entry in column 8 should show the country in which each alien named has his permanent residence, as distinguished from a temporary residence. The entry should be stated as definitely as possible, and should not simply be "Europe," "Asia," "Africa," "Russia," "Austria-Hungary," "Turkey," "Mexico," "Spain," "Portugal," "Greece," "Holland," "Belgium," "Switzerland," "Germany," "Scandinavia," "France," "Australia," "New Zealand," or other indefinite designation.

Column 9 (Final destination).—Under this column should be entered the city or town in the United States to which each alien named therein is destined. The entry should be made in such a way as to show clearly whether the alien is destined to a city or town in the United States. Thus, a person destined to Chicago, Ill., should be entered as "Chicago," not as "Illinois." A person destined to Pittsburg, Pa., should be entered as "Pittsburg," not as "Pennsylvania." A person destined to Boston, Mass., should be entered as "Boston," not as "Massachusetts." A person destined to Cleveland, Ohio, should be entered as "Cleveland," not as "Ohio." INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The entry in column 1 should be expressed in years or months. Any age under one year should be stated in months.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as nearly correct as possible the occupation or trade, or profession of each alien above fifteen years of age, whether actually employed at the time of embarkation or not. If without occupation, the word "none" should be entered. Wives and children, unless they have occupations of their own, should be returned as without occupation.

Column 5 (Nation or people).—The entry in column 5 should be the nation or people to which each alien declares himself to belong, as "English," "Scotch," "French," "German," "Italian," "Irish," "Swedish," "Polish," "Russian," "Finnish," "Hebrew," "Bohemian," "Magyar," "African (black)," "Cuban," "West Indian," "Mexican," "Japanese," "Chinese," or whatever it may be, without reference to the country of which he may be a subject.

Column 6 (Personal description).—The entry in column 6 should show the personal description of each alien, as follows:

Is he a cripple or deformed in any way?

Is he an idiot?

Is he deaf and dumb?

Is he blind?

If a cripple, deformed, deaf and dumb, blind, or otherwise defective, the cause thereof should be stated, if known.

Special inquiry should be made regarding tuberculosis and other diseases, and the answers recorded.

All aliens coming to this country should be examined as to their mental and physical condition by the surgeon of the vessel, and the certificates of such examinations should be signed by the surgeon and produced and verified by the oath of the master or commanding officer of the vessel at the time of sailing.

All aliens arriving at ports in the United States should be examined orally and certificates issued to them by the examining surgeons at the ports of arrival, and no alien should be admitted to the United States who appears to the examining surgeon to be mentally or physically defective, with such defect as would be likely to affect his ability to earn a living, unless such alien is in the company of and is claimed by a parent or guardian who is able to care for him, or unless such alien has a ticket entitling him to pass through to a place where he has friends or relatives who are able to care for him, and the fact that he has such friends or relatives and such ticket should be noted on the manifest.

All aliens arriving at ports in the United States who have been in the United States before and are returning from a visit abroad should be examined and may be admitted upon the certificate of the examining inspector at the last port of departure by which they came to the United States, unless the immigrant inspectors at the port of arrival have reason to believe that they have become a public charge, are suffering from a contagious disease, have committed a felony or other crime or misdemeanor involving moral turpitude, are polygamists, or have been deported as being under offer, contract, or agreement to perform labor in the United States, or are prostitutes, or have been engaged in prostitution, or have come for the purpose of prostitution or for any other immoral purpose; but such aliens may be certified at the discretion of the inspector in charge at the port of arrival to the commissioner of immigration at the port of last departure by which they came to the United States, and may be returned to that port at the option of the master, agent, owner, or consignee of the vessel in which they arrived at the port of arrival within one year after the date of such arrival, at the expense of the vessel in which they arrived at the port of arrival, and if any such alien shall become a public charge from causes existing prior to his last arrival at a port of the United States within one year thereafter, the vessel which brought him to the United States shall be notified by the commissioner of immigration at the port to which he returns, and required to return and receive him, and shall be required to return him to the United States.

Column 7 (Last residence).—The entry in column 7 should be the country of which he last became a resident or citizen before coming to this country.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Hall (State whether Master, First, or Second Officer), of the S S Merion, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The figures of age in column 3 should be expressed by years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widow), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe, as accurately as possible, the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, miner, engineer, brass polisher, steel polisher, tinsmith, wood turner, cabinet maker, surgeon, polisher, moulder, compositor, other definite designations.

A distinction should be made between *persons* and *young children*, regardless of the amount of money shown, as follows:

I (*person*) in second compartment, Parlor, Other Part of Vessel, or others.

I (*young child*) in arms, who will be on a farm for the most part, Steerage.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and reported clerk during the personal examination of aliens at ports.

All aliens embarking to pass through and out of the United States should be recorded under Head of Immigrants (see "Note" thereto). Those coming only for a temporary sojourn in the United States (e.g., not intending to pass through in transit) should be classed as "travelers" under Head of Exception.

Column 5 (Nearest relative or friend).—Column 5 is established that the person shall be named who was the nearest and last friend or relative of the alien in the country whence he came.

Column 6 (Nation or people).—The entry in column 6 should show the race or people of which each alien is a citizen or subject.

Special attention should be paid to the distinction between race and nationality, and carefully should be noted by inspectors and reported clerk in case of doubt. For instance: Tyrone, appearing on a manifest does not necessarily mean "Irish" by race or people, and so also "French" appearing on a manifest does not necessarily mean "French" by race or people. An alien who is Irish, German, or Hebrew by race may be properly described as a native (or citizen) of United Kingdom (or some other country) by nationality. In this connection the following distinctions should be carefully observed:

AFRICAN (BLACK).

"African (black)" refers to the Negro race of Africa. Natives of Cuba or other islands of the West Indies, even though they be of pure African blood, should not appear as "African (black)," but as natives of their respective islands. Negroes should be classified under this heading.

BASQUE (SPANISH).

The people who are native to the Basque provinces on the northern frontier of Spain, comprising parts of Biscay, Guipuzcoa, Alava, and Navarre, and their descendants, whether residing in Italy, Switzerland, America, Hungary, or any other country, should be classed as "Basque (Spanish)." Most of these people speak a Celtic dialect of the Iberian language.

BASQUE (FRENCH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., comprising provinces Liguria, Piedmont, the Marches, Umbria, Tuscany, Latium, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 7 (Last permanent residence).—The entry in column 7 should show the country in which each alien has last resided permanently prior to his departure from it for the purpose of coming to the United States. It is not sufficient to write "Europe" or "Asia," but the name of the country should be given. Where a person has resided in two countries for a long time, the country of last residence should be given.

Aliens who are passengers arriving in the United States only and not coming from a foreign country should be considered as transferred from the United States to the United States, and not as immigrants.

Column 8 (Ever in U. S.).—Column 8 should show whether or not each alien has been in the United States at any previous time.

Column 9 (Ever in prison, etc.).—The entry in column 9 should show whether each alien has been in prison or almshouse or supported by charity, and if so, which.

Column 10 (Final destination).—The entry in column 10 should show the city or town of intended future residence in the United States.

Column 11 (Have you money).—The entry in column 11 should show whether each alien has money in his possession, and how much, in accordance with the requirements of the law.

Column 12 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 12 should show whether each alien has a ticket entitling him to transportation to the place of destination of a relative or friend, and if so, what relative or friend, and his name and complete address.

Column 13 (Ever in penitentiary, etc.).—The entry in column 13 should show whether each alien has been in a penitentiary, almshouse, asylum, or hospital, or supported by charity, and if so, which.

Column 14 (Health, mental and physical defect).—The entry in column 14 should show whether each alien is in good health, mentally and physically, and whether deformed or crippled, and if so, how.

Column 15 (Condition).—The entry in column 15 should show whether each alien is single or married, a child or parent, or a widow, and if so, how many children under 18 years of age.

Column 16 (Height).—The entry in column 16 should show the height of each alien in feet and inches.

Column 17 (Complexion).—The entry in column 17 should show the complexion of each alien, whether light or dark.

Column 18 (Color of hair and eyes).—The entry in column 18 should show the color of hair and eyes of each alien.

Column 19 (Marks of identification).—The entry in column 19 should show whether each alien has any visible distinguishing marks, and if so, what they are.

Column 20 (Place of birth).—The entry in column 20 should show the place of birth of each alien, giving the city, town, or village, and the province or state, and the country.

Column 21 (Immigrant inspector's final action).—This column is to be filled out by the inspector finally passing upon the case, and should show whether admitted or detained for special inquiry. Numbers should correspond with those on the certificates issued to aliens.

Special inquiry cases should be noted in red ink. Those not to be admitted should be noted in red ink, and the words "Not admitted" written in full. Those admitted should be noted in black ink, and the words "Admitted" written in full.

Cases in which bonds are required should be noted in red ink, and the words "Bond required" written in full.

Cases in which bonds are given should be noted in black ink, and the words "Bond given" written in full.

Cases in which bonds are canceled should be noted in black ink, and the words "Bond canceled" written in full.

Cases in which bonds are satisfied should be noted in black ink, and the words "Bond satisfied" written in full.

Cases in which bonds are discharged should be noted in black ink, and the words "Bond discharged" written in full.

Cases in which bonds are released should be noted in black ink, and the words "Bond released" written in full.

Cases in which bonds are exonerated should be noted in black ink, and the words "Bond exonerated" written in full.

Cases in which bonds are remitted should be noted in black ink, and the words "Bond remitted" written in full.

Cases in which bonds are mitigated should be noted in black ink, and the words "Bond mitigated" written in full.

Cases in which bonds are compromised should be noted in black ink, and the words "Bond compromised" written in full.

Cases in which bonds are settled should be noted in black ink, and the words "Bond settled" written in full.

Cases in which bonds are adjusted should be noted in black ink, and the words "Bond adjusted" written in full.

Cases in which bonds are closed should be noted in black ink, and the words "Bond closed" written in full.

Cases in which bonds are filed should be noted in black ink, and the words "Bond filed" written in full.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J B Hall (State whether Master, First or Second Officer.), of the S.S Merion, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J B Hall
Master Officer.

Sworn to before me this 6 day of Sept, 190 7.

at Phila

John Corbin Jr
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through, and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Can read and can write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Central or South America, Europe, or Africa. An alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 10 (Last permanent residence).—The entries in these columns should show the country and city or town of last permanent residence. It is for statistical purposes that steamship companies are to duly show country of last permanent residence independent of country of foreign purchase, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as to country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address in full of relative. If no such relative is living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show the place (city or town) of final destination, if within the United States, in case the alien is not to remain in the United States.

Column 13 (Whether having ticket through and whether paid for by self or other person or corporation).—The entry in column 13 should be Yes (ticket) or No (no ticket).

Column 14 (Whether in possession of $50 and if less how much).—The entry in column 14 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Columns 15 (Whether ever in prison, etc.).—The entries in column 15 must show whether or not (Yes or No) in the United States or elsewhere, and if so, the crime and the period of sentence and place; as, 1901, 90 days, Philadelphia.

Columns 16 (Whether going to join relative or friend, and if so, what relative or friend, and name and complete address).—The entry in column 16 should show as to whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. D. Jones, Surgeon of the S S Menon, E By C, (State whether employed by owners thereof or otherwise.) do solemnly, sincerely, and truly Swear that I have had 19 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 31 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. B. Hill, (State whether Master, First or Second Officer) of the S.S. Teutonic, from Liverpool, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 31 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections would be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in but one blank of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" for nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid?).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894 97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers in these columns are subject to revision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, J. W. Conway, Surgeon of the S.S. Westernland, (State whether Surgeon "of the above vessel" or "employed by owners therein," as the case may be.) do solemnly, sincerely, and truly swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Six in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The number of age in column 4 should be expressed in years or months, the latter for infants under one year old. Omit words "years old."

Column 5 (Sex). The entry in column 5 should be written M (male) or F (female).

Column 6 (Married or single). The entry in column 6 should be written M (married), S (single), W (widow), or D (divorced).

Column 7 (Calling or occupation). The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, as "farmer," "laborer," "servant," "tailor," "tailoress," "clerk," "shoemaker," "baker," "butcher," "carpenter," "cabinetmaker," "painter," "blacksmith," "engineer," "machinist," "miner," "merchant," "physician," "surgeon," "teacher," "trader," "weaver," "wheelwright," "woodworker," etc. Do not use such indefinite terms as "laborer," "servant," "clerk," "manufacturer," "agent," "dealer," "gentleman," "lady," "boy," "girl," "child," "invalid," "none," or "scholar" unless accompanied by words specifying the character of labor performed. Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between professional and trade classes regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corporations should be avoided. It is necessary for inspectors and registry clerks to note personal examination of alien aboard.

Aliens traveling in pass through and not to the United States should be recorded under head of occupation as "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through to Canada, should be classed as "tourists" under head of occupation.

Columns 8 and 9 (Can read and can write). Columns 8 to 9 inclusive are to be divided and the entries therein should be either Yes or No. Yes in column 8 and 9 means Yes—Yes in column 8 and No in column 9 means Yes—No; and so forth.

Column 10 (Nationality). Column 10 should be used to mean the country of which immigrant is last permanent subject.

Column 11 (Race or people). The entry in column 11 should show the race or people as given to Inspector by alien. (See this page.)

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," by race or people, nor necessarily "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether coming to Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence). The entries in column 12 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came.) The entry in column 13 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Final destination.) The entry in column 14 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 15 (Whether having a ticket to said final destination or not.) The entry in column 15 should be either Yes (ticket) or No (no ticket).

Column 16 (If whose passage paid.) The entry in column 16 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (If in possession of $50, and if less than that.) The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where.) The entry in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, Philadelphia.

Column 19 (Coming to join relative or friend, and if so, what relative or friend.) The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 21 to Four. The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Conway, Surgeon of the C.P.R. Western Lands, (State whether surgeon acting herewith "as" or "employed by owners thereof," as the case may be.), do solemnly, sincerely, and truly swear that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, six in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master W. [illegible] of the S/S Westernland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $—; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, F. W. Conway, Surgeon of the S.S. Waterlands, _____, do
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.)
solemnly, sincerely, and truly Swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets Six in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

A laborer [illegible] should be asked to explain [illegible] gardener of the amount of money shown, as follows:

A farmer [illegible] whether he owns a farm or works on a farm for the land-owner.

A farm laborer [illegible] whether he works on a farm for the land-owner.

Steamship companies should make this distinction, as the two classes and sometimes should be treated differently by immigrants and require different forms during the personal examination of aliens arriving.

Aliens [illegible] upon arrival at any of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary visit to the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 8 (Able to read or write).—Columns 8 and 9 are subdivided and the entries therein should be either Yes or No. Yes in read and write. No—No in neither read nor write. Yes—No in can read but not write.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given to him or her on the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" in nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Negro, or South American, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Liguria, Lombardia, Venetia, and Emilia) and their descendants, whether residents in Italy, contiguous American States, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Toscana, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary sojourn, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of married relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 15 (Whether any relative pays passage and, if so, what relative).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Affidavit of Surgeon.

I, T. W. Conway, Surgeon of the S. S. Finland, (State whether surgeon sailing therewith or employed by owners thereof, or the case may be.) do solemnly, sincerely, and truly swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 4 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master W. W. S. Jones (Name of Master, First or Second Officer) of the S.S. Westernland, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, six in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. W. Jones
Officer.

Sworn to before me this 23rd day of September, 1907.

Jas Cotter Jr.
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as laborer, farmer, merchant, clerk, etc. Do not use such indefinite terms as "mechanic," "engineer," "manufacturer," or "dealer." Do not report a man as a mechanic unless he is actually employed at his trade. Do not report a man as a manufacturer unless he is actually engaged in manufacturing. Do not report a man as a dealer unless he is actually engaged in buying and selling. Do not report a man as a clerk unless he is actually employed as a clerk. Do not report a man as a merchant unless he is actually engaged in buying and selling. Do not report a man as a laborer unless he is actually employed as a laborer. Do not report a man as a farmer unless he is actually engaged in farming. Do not report a man as a miner unless he is actually employed as a miner. Do not report a man as a fisherman unless he is actually employed as a fisherman. Do not report a man as a sailor unless he is actually employed as a sailor. Do not report a man as a soldier unless he is actually employed as a soldier. Do not report a man as a sailor unless he is actually employed as a sailor. Do not report a man as a soldier unless he is actually employed as a soldier.

Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *common* and *farm laborers*, regardless of the amount of money claimed to be earned.

A farmer is one who cultivates a farm, either for himself or others.

A farm laborer is one who works only on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspectors at registry ports, during the personal examination of these aliens.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through to Canada, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Columns 7 to 10, inclusive, and the entries therein should be either Yes or No. Yes can read and write; No, No can neither read nor write; Yes, No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in last column headed this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "Poland" appearing on a manifest does not necessarily mean "Pole" by nationality. An alien who is Jew, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of mixed Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North, or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Toscana, Marche, Umbria, Roma, the Abruzzi and Molise, Campania, Puglia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on such lists as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (or ticket) or No (no ticket).

Column 14 (Whether any relative pays passage and, if so, whether by father, mother, husband, wife, brother, sister, other relative, friend, steamship company, etc.).

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States and if so, when and where).—The entry called for by column 16 should show whether or not (Yes or No) in the United States before, and if so, the *date* (or period of years) and place, as, 1894-97, Philadelphia.

Column 17 (Whether coming to join relatives or friend, and if so what relatives or friends).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18, 19, 20.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, F. W. Conway, Surgeon of the P. C. Westernland, (State whether European sailing steamship, or employed by owners thereof, or the same may be.) do solemnly, sincerely, and truly swear that I have had two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, five in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The entry of age in column 3 should be expressed in years or months, the latter appropriately only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master. W.W.S. Turner, (State whether Master, First or Second Officer,) of the S/S Westerland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Wm D Turner
Officer.

Sworn to before me this [illegible] day of September, 1907.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through, and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894–97, Philadelphia.

Column 17 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Conway, Surgeon of the S. S. Westernland. (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.), do solemnly, sincerely, and truly Swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, six in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master, W. W. D. Turner, of the S.S. Westernland, from **LIVERPOOL.**, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(Strike out whether Master, First or Second Officer.)

W. W. D. Turner
Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 8 (Calling or occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien arrival (as for example: Clerk, engineer, tailor, tinner, mechanic, locomotive engineer, mining engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 9 (Able to read and write).—Column 9 is subdivided and the entry therein should be either Yes. Yes (can read and write), No. No (can neither read nor write), or Yes. No (can read but not write).

Column 10 (Nationality).—Column 10 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people).—The entry in column 11 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe or Africa. Any case where apparently indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence).—The entry in column 12 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies should show carefully the last permanent residence, independent of country of last purchase of steerage ticket.

Aliens having permanent residence in the United States and returning from a visit abroad should be recorded on manifest as from United States, country. (Last permanent residence.)

Columns 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should show name and address of such relatives. If no such relative, friend, or acquaintance is named, so record.

Column 14 (Final destination).—The entry in column 14 should show distinctly the place (city or town) of final destination (not state) in the United States, country. It excludes the United States.

Column 15 (Whether having a ticket through and if not, by whom purchased).—The entry in column 15 should be either Yes (ticket) or No (no ticket).

Column 16 (Whether in possession of $50 and by whom purchased).—The entry in column 16 should be either Yes (cash) or No (no cash).

Column 17 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years), and place (as, 1904, Philadelphia).

Column 18 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Jw Conway, Surgeon of the S/S Westerland, (State whether Surgeon sailing herewith or employed by owners thereof, as the case may be,) do solemnly, sincerely, and truly swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Irelands, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 4 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 [Age].—The return of age in column 4 should be expressed in years or months, the latter appliance only to those under 1 year of age.

Column 5 [Sex].—The entry in column 5 should be either M (male) or F (female).

Column 6 [Married or single].—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 [Calling or occupation].—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien as such. For example, "good engineer," not merely "engineer"; locomotive engineer, marine engineer, brass polisher, coal passer, iron molder, wheelwright, farmer, etc., and not simply as "engineer," "polisher," "molder," "farmer," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown to be in their possession. Thus—

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for a master who operates it.

Stowaways, when found, should be listed on the Manifest and their cases specially reported, in order that such action may be taken by the Department as the circumstances may warrant.

Aliens immigrants in transit through the United States should be recorded under a special head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to land, should be classed as "temporary" under head of occupation.

Column 8 [Able to read and write].—Column 8 is subdivided and the entries therein should be either Yes or No. Yes can read and write. No. No can neither read nor write. Yes—No can read but not write.

Column 9 [Nationality].—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 [Race or people].—The entry in column 10 should show the race or people as given in bill on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to all negroes. Negroes, whether born in this or other countries, Cuban or other islanders of the West Indies, Central or South America, Africa, or elsewhere, should be specially designated as such, and should not be described under the various local appellations sometimes applied to them, such as "Creole," "Kanaka," etc.

TURKISH (SYRIAN).

The people who are native to the basin of the River Euphrates in southern Asia Minor, comprising all of Mesopotamia, Armenia, Kurdistan, Syria, and Palestine, and who are sometimes classified as Turkish, Armenian, Kurdish, or Syrian, should be classed as "Turkish (Syrian)." Most of these people are of the Arabic branch of the Semitic race.

HEBREW.

The people who are natives of the basin of the River Euphrates, and who emigrated to Palestine, Egypt, Arabia, Persia, Afghanistan, Beloochistan, Hindostan, Turkestan, Asia Minor, Syria, and Armenia, and their descendants, should be classed as "Hebrew (Semitic)."

Column 11 [Last permanent residence].—The entries in column 11 should show the country, and city or town of last permanent residence. It is important for commercial purposes that reasonably complete and uniform information of last permanent residence of aliens be secured. Specific information should be required in all cases.

Aliens arriving at seaports for transportation in transit to Canada or Mexico should be recorded as immigrants to the United States, country of last permanent residence.

PASSED BY BOARD OF SPECIAL INQUIRY.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master (or W. W. D. Turner, of the) S.S. Westernland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The number of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as precisely as possible the occupation, trade, or profession of each alien, as "farmer," "merchant," "engineer," "clerk," "author," "editor," "laborer," "servant," "weaver," "dressmaker," "tailoress," "shoemaker," "no occupation," "none," and not indefinitely as "laborer," "mechanic," "manufacturer," or other indefinite designations.

Nothing else should be made to appear, printed or written, in the column, regardless of the amount of money shown, as follows:

A person is not *able to read* unless he can read his own name.

A person is not *able to write* unless he can write his own name.

Strokes, ditto marks, or similar devices will not be accepted in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens applying.

Aliens intending to pass through, and not to remain in the United States should be recorded under head of "in transit." Those coming only for a temporary residence in the United States, but not intending to pass through in transit, should be classed as "temporary" under head of "nonimmigrant."

Columns 8 and 9 (Able to read and write).—Column 8 should be filled and the entries therein should be either Yes or No. Yes means can read and write. No means neither. Can read only. Yes. No. Can read but not write.

Column 10 (Nationality).—Column 10 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people).—The entry in column 9 should show the race or people as even in last column of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully examined by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa, and must show appearance, traditions, or admixture of Negro blood should be classed under this heading.

ITALIAN (SOUTH).

The people who are native to the basin of the river Po in northern Italy (i. e., comprising the compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, northern Italy, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect and the Italian literature.

ITALIAN (NORTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence).—The entries in column 12 should show the country, and only as town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence.

Aliens who are permanent residents of the United States and who, returning from a visit abroad, intend to be recorded as nonimmigrants (United States for country of last permanent residence).

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should show name and address of such relative. If no such relative, a friend may be given.

Column 14 (Whether going to join a relative or friend, and name of such relative or friend).—The entry in column 14 should show definitely the place (city or town) of final destination, or residence (United States country, if outside the United States).

Column 15 (Whether having a ticket through and whether prepaid by others).—The entry in column 15 should be either Yes or No (not both).

Column 16 (Whether in possession of $50 and if less, how much).—The entry in column 16 should give, in each case (under head of "money"), the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as "1903, Philadelphia."

Column 18 (Whether going to join relatives or friends, and if so, what relatives or friends).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 37.—The answers on these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I Wm Conway, Surgeon of the S/S Straforus Castle, do solemnly, sincerely, and truly swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master W. W. D. Jones (State whether Master, First or Second Officer) of the S.S. Westerlands, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 17 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. W. D. Jones
Signature of Officer.

Sworn to before me this 23rd day of September, 1907.

John Cotton, Jr.
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, Stationary engineer, Locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination at the arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States the country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and residence of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city, town, or village) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to said final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 21.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I. Jno Conway, Surgeon of the U.S. Revenue Cutter Service, do solemnly, sincerely, and truly Swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 14 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master W. D. Jones, of the S.S. Westerenland, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 14 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this 2 [illegible] day of [illegible], 190[illegible],

at [illegible]

[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation (if any) followed by each alien named, as farmer, laborer, merchant, engineer, shoemaker, tailor, clerk, miner, engraver, bricklayer, painter, or whatever it may be, or if without occupation, as none, or if a child, as child, or simply as girl, boy, wife, or other indefinite description.

A description should be made in every case and given deliberately, regardless of the amount of money shown to [illegible].

A woman is not a [illegible] a farmer, [illegible] merchant or capitalist.

A [illegible] is not a [illegible] on a farm [illegible] the man who employs it.

Steamship companies should make special effort to secure the most complete and correct returns under this head, [illegible] [illegible] personal examination of each alien arriving.

Aliens [illegible] through and not of the United States should be recorded under heads of explanations as "in transit." Bona fide aliens in a temporary sojourn in the United States, but not intending to pass through to [illegible], should be recorded as "visitors" under head of explanations.

Column 10 (Race or people).—The entry in column 9 should show the race or people to which [illegible] belongs.

Special attention should be paid to the distinction between race and nationality, and inquiries should be carefully framed by inspectors and registry clerks in this regard. For instance, "France" [illegible] on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly [illegible] from either the [illegible] United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

ITALIAN (NORTH).

The people who are native to the basin of the Riviera Po in northern Italy (i. e. comprising the departments of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and their descendants, whether residing in the United States or in any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that peninsula (and its adjacent islands) of the basin of the Riviera Po (i. e. comprising the departments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 11 should show the country in which each alien has his permanent residence. It is important for statistical purposes that [illegible] and addresses of such relatives. If no such relative, friend, or acquaintance, [illegible] should be stated.

Column 13 (Ever in the United States).—The entry in column 13 should show definitely the place (city or town) of final destination, if within the United States, country if outside the United States.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not [illegible] in the United States before, and if so, [illegible] [illegible] and place, as "1903, Philadelphia."

Column 18 (Whether going to join a friend, and if so, what friend and where).—The entry in column 18 should show whether going to join another person [illegible], and if so what [illegible] and [illegible] [illegible] [illegible].

Columns 19 to [illegible].—The answering to these columns are subject to revision by any inspection officer [illegible] the examination of aliens.

Affidavit of Surgeon.

I. T. W. Conway, Surgeon of the S.S. Westerland, do solemnly, sincerely, and truly swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 4 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master, (or W. S. D. Purser) of the S.S. Westernland, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 37 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (No.).—The number of age in column 2 should be inserted in case of rejection, the latter appearing only in connection with a case of age.

Column 2 (Age).—The entry in column 2 should be written M (months) or F (months).

Column 3 (Sex).—The entry in column 3 should be written M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be written M (married), S (single), W (widow), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as precisely as possible the occupation, trade, or profession of each alien, as far as known. Terms indicating no occupation, such as "gentleman," "lady," "housekeeper," "none," "servant," "child," and the like, should not be used. Terms applicable to nearly all occupations, such as "laborer," "clerk," "manufacturer," "agent," etc., should be avoided, and the occupation, trade, or profession specified in each case.

A distinction should be made between persons and former laborers (specifying in the manual of arms, "Laborer").

A farmer (Farmer) is a person who owns a farm, tilling it himself or employing others.

A farm laborer (Farm laborer) is one who works on a farm for the owner who employs him.

A stockman (Stockman) is a herder or one who tends cattle, sheep, or other animals.

A laborer (Laborer) is one who performs unskilled manual labor for wages, and who does not belong to any of the classes enumerated above.

A person following no gainful occupation (No occupation) should be so returned.

A person contributing to his own support by his labor, but having no regular occupation, should be returned as "Laborer," "Farmer," "Servant," or other occupation, as the case may be.

A person having a special calling, but out of employment, should be returned according to his occupation, with the word "Laborer" added, as "Clerk (Laborer)," "Weaver (Laborer)," etc.

Column 6 (Nationality).—The entry in column 6 should show the country in which each alien named was born.

Column 7 (Race or people).—The entry in column 7 should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between nationality and race or people. Thus, a native of Germany is a German by nationality, but may belong to any one of several races or peoples, such as Hebrew, Bohemian, Pole, Slovak, Magyar, Croatian, Servian, Bulgarian, Roumanian, Lithuanian, Finn, Dane, Norwegian, Swede, Scotch, Irish, Welsh, Cornish, Saxon, Celt, Basque, Spanish, Portuguese, Italian, Dalmatian, Greek, Syrian, Armenian, Arab, Turk, Japanese, Chinese, Hindu, Negro, Mulatto, West Indian, Mexican, Cuban, Porto Rican, South American, Indian, Pacific Islander, Ethiopian, Egyptian, etc. Under no circumstances should the term "American" be used in this column, as it is not indicative of race or people. Persons of mixed races should be returned according to the race predominating in their composition.

Specific instructions as to the proper designation of certain races or peoples, and as to the distinction between race or people and nationality, are given below.

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban and Negro.

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the Negro race, whether coming from Africa or other parts of the world, including South American Negroes, West Indian Negroes, Cubans, Haitians, etc. Persons who are a mixture of Negro blood should be classified under this heading.

ITALIAN (SOUTH).

The people who are natives of the Kingdom of the Two Sicilies in northern Italy (i. e., comprising the provinces of Liguria, Piedmont, Lombardy, Venetia, Emilia, Romagna, Tuscany, Umbria, Marches, Campagna di Roma, Abruzzi e Molise, Capitanata, Terra di Lavoro, Principato Citeriore, Principato Ulteriore, Basilicata, Calabria Citeriore, Calabria Ulteriore, Sicily, and Sardinia) and their descendants should be classed as "Italian (South)."

Persons of Greek nationality or race should be returned as "Greek," and persons of Turkish nationality or race should be returned as "Turkish," regardless of the country in which they were born.

Column 8 (Last permanent residence).—The entry in column 8 should show the country of which each alien named is a permanent resident, and not merely a temporary sojourner. It is important for statistical purposes that distinctions should be drawn between mere transient visits and bona fide residence. Information of value in this connection can usually be obtained from aliens themselves.

Column 9 (Final destination).—The entry in column 9 should be the name of the city or town in the United States where each alien named intends to reside or has the address of friends to whom he is going. If he has no definite destination, the entry should be "Not decided."

Column 10 (If going to join relative).—The entry in column 10 should show the relationship of any relative whom each alien named is going to join in the United States, whether living or dead, as "father," "mother," "husband," "wife," "child," "brother," "sister," "uncle," "aunt," "cousin," "grandfather," "grandmother," "nephew," "niece," "grandchild," "father-in-law," "mother-in-law," "brother-in-law," "sister-in-law," "son-in-law," "daughter-in-law," "stepfather," "stepmother," "stepson," "stepdaughter," "stepbrother," "stepsister," "half brother," "half sister," "fiancé," "fiancée," or "friend."

Column 11 (Whether having been in the United States before, and if so, when and where).—The entry in column 11 should show whether each alien named has been in the United States before, and if so, the year or approximate date of last arrival, as "1903," "Philadelphia."

Column 12 (Whether going to join relative, friend, or other person, and if so, what relative or friend, with name and address).—The entry in column 12 should show whether each alien named is going to join a relative or friend, and if so, what relative or friend, with name and address.

Columns 13 to 37, inclusive.—The questions in these columns are subject to revision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, J W Conway, Surgeon of the S S Westerland, do solemnly, sincerely, and truly swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 17 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master, W. W. D. Turner, of the S.S. Westerniland, from LIVERPOOL, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 17 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Wm D Turner
Master or other officer.

Sworn to before me this 23rd day of September, 1907,
at Philadelphia.

John Gorham Jr
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be described on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (If having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (If any person has paid passage).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15 (If in possession of $50 and if less, how much).—The entry in column 15 should prove in each case (individual or family) the exact amount of money shown. Money brought to the head of a family should not be divided among the several members of the family.

Column 16 (If ever in the United States before, and if so, when and where).—The entry in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894 NY., Philadelphia.

Column 17 (If coming to join husband, wife, father, or other relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 35.—The answers in these columns are subject to revision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, W. W. Conway, Surgeon of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The number of age in column 2 should be expressed in years or months, the latter appearing only in those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as given as exactly as possible the occupation (trade, profession, or other calling) of each alien arrival, as for example: Chief engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, cabinet maker, wood turner, etc., and not simply engineer, polisher, molder, carpenter, or other indefinite designation.

A distinction should be made between *persons* and *nurse children*, regardless of the amount of money shown as in charge.

A person is to be regarded as "in possession" of money if he has it for himself or others.

A person is to be regarded as "in charge" of a railway ticket when he has it for himself or others.

Steerage passengers should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of exceptions as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 11 and 12 (Can read and write).—Column 7 is subdivided and the entries therein should be (1) the Yes or No to can read and write; (2) No or No can neither read nor write; or Yes or No to can read but not write.

Column 13 (Nationality).—Column 7 should be construed to mean the country of which a certain person is a native subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (SOUTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether resident in Italy, Switzerland, America (Hispanic), or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, The Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country* and *city or town* of last permanent residence. It is important for statistical purposes that as nearly as practicable the actual country of last permanent residence, independent of country of purchase of railway ticket, be given.

Aliens who were previously residents of the United States and are returning from a visit abroad should be recorded as residents of the United States, country of last permanent residence.

Column 11 (Name and complete address of person or persons in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative known, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination within the United States, country, if outside the United States.

Column 14 (If ticket is through to final destination).—The entry in column 14 should be either Yes (ticket is) or No (not known).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 16 (If in possession of less than $50, how much).—The entry in column 14 should give in each case in dollars and cents the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (If belonging to or going to the United States, and if so, where and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year and period of years, and place or places, as 1884-97, Philadelphia.

Column 18 (Ever in prison, etc., and if so, what relative or friend).—The entry in column 18 should show whether belonging to prison, and if so, what relative or friend, with name and complete address.

Columns 19 to [illegible].—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master, [illegible] Owner of the S/S Westerland, from LIVERPOOL, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Master

Sworn to before me this [illegible] day of September, 1913.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *persons* and *farm laborers*, regardless of the amount of money shown in each case.

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens proceeding to pass through and out of the United States should be recorded under head (6) occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "laborers" under head of occupation.

Columns 6 and 7 (Able to read and write).—Columns 6 and 7 are subdivided and the entries therein should be either Yes—Yes can read and write), No—No can neither read nor write), or Yes—No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico, South America, Europe, or Africa. Any such person of apparent mixed African and admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies strictly observe the entry of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who have been in transit through the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, post-office address is to be stated.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination in some the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom were passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, by friend, father, husband, other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should give in each case (individual or family) the actual amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States and if so when and where).—The entries in column 16 should show whether yes or no (Yes or No) by the United States had ever been, and if so the year or period of years and place or places, as, 1904, Philadelphia.

Column 17 (Coming to join husband, father, or other relative or friend).—The entry in column 17 should show whether going to join father, a relative or friend; and if so what relative or friend, with name and complete address.

Columns 18 to 37.—The answers to these questions are subject to question by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, T. W. Conway, Surgeon of the S.S. Westernland, do solemnly, sincerely, and truly swear that I have had Two years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of Royal College of Physicians Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

T. W. Conway

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E Mellor (State whether Master, First or Second Officer), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J Hurley
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through, in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States (or country of last permanent residence).

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States and if so, when and where).—The entries in column 16 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 17 (Whether going to join relative or friend, and if so, what relative or friend, with name and complete address).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Daniel F. Hegarty, Surgeon of the HAVERFORD, employed, do
(State whether Surgeon "sailing upon" or "employed by owners thereof," as the case may be.)
solemnly, sincerely, and truly swear that I have had four years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons
of Physicians Ireland, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Two in number, are, according
to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First or Second Officer), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The entry of age in column 3 should be expressed in years or months, the latter age (expressed in fractions) if under 1 year of age.

Column 4 (Sex).—The entry (M or F) in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry (M or S) in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien aged 14 or over, as for example: Civil engineer, stationary engineer, locomotive engineer, machine engineer, brass polisher, steel polisher, iron molder, wood turner, cabinet maker, tailor, baker, engineer, polisher, molder, turner, or other definite designation.

A distinction should be made between *laborer* and *farm laborer*, regardless of the amount of money shown as following:

A laborer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through to France, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Columns 7 is subdivided and the entries therein should be either Yes (Yes, can read and write), No (no, can neither read nor write), or Yes (No, can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether coming from Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 30.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, David T. Hegarty, Surgeon of the HAVERFORD, employed, do
(State whether "Surgeon" and "Contract Surgeon" or "employed by owners thereof" as the case may be.)
solemnly, sincerely, and truly swear that I have had four years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons
of Physicians Ireland, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according
to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

I, E Merrill, Master of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (age).—The entry of age in column 1 should be expressed in years of age, and where preceding entry is one year or more should follow in order of age.

Column 2 (sex).—The entry in column 2 should be M (male) or F (female).

Column 3 (married or single).—The entry in column 3 should be expressed by M (married) or S (single). W (widow) or D (divorced).

Column 4 (calling or occupation).—The entry in column 4 should state the actual calling or occupation of each alien, if any, and not his future intentions or expectations or the occupation he has had in the past. Wife, children, or other members of the family, unless they have a distinct calling or occupation, should be entered as "none." Laborers, without specification as to kind, should be entered as "laborer." Persons formerly engaged in any calling or occupation, but temporarily out of employment, should be entered according to their former calling or occupation.

A farmer owning or cultivating a farm should be entered as such, whether he is classified as a farmer or planter in the country from which he comes.

A person having no occupation should be entered as "none."

A gentleman or person of independent means should be entered as such.

Stenographers, engineers, accountants, architects, draftsmen, electricians, and persons of similar occupations should be entered as such, and not as clerks, unless they have been employed as clerks.

Persons formerly engaged in any calling or occupation, but temporarily out of employment, should be entered according to their former calling or occupation.

Persons having no occupation, including children under 14 years of age, should be entered as "none."

Column 5 (if can read).—The entry in column 5 should show whether the alien can or cannot read the language or dialect of some country. It is not sufficient to record all as able to read, unless they can read English or the language or dialect of their native country.

Column 6 (country of which citizen or subject).—The entry in column 6 should be the name of the country of which the alien is a citizen or subject.

Column 7 (race or people).—The entry in column 7 should show the race or people to which each alien belongs, as Anglo-Saxon, Chinese, Danish, English, Finnish, French, German, Hebrew, Irish, Italian, Japanese, Magyar, Mexican, Pacific Islander, Polish, Portuguese, Roumanian, Russian, Ruthenian (Russniak), Scandinavian, Scotch, Slovak, Spanish, Spanish-American, Welsh, West Indian, or other designation.

Special attention should be paid to the distinction to be drawn between race or people and nationality, and modified should be employed. For instance, a native of Scotland is generally a Scotch person by race or people and a British subject by nationality. A person born in Ireland, of Irish parents, would be Irish by race or people and a subject of Great Britain by nationality. A native of Germany, or Hebrew by race, might properly come upon a visa bearing an United Kingdom or any other country by nationality. In this connection the following descriptions should be specially observed:

CUBAN.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the Provinces of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia), and their descendants, should be classed as "Italian (south)."

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read or write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1135

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (If holding a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, 97, Philadelphia.

Column 18 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Daniel F. Hegarty, Surgeon of the HAVERFORD, employed, (State whether employed by the Government or by the Steamship Company, as the case may be.) do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons & Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First, Second Officer), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The entries of age in column 4 should be expressed in years or months, the latter appearing only for those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (married woman), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, farmer, stationary engineer, tailor, tinsmith, engineer, painter, engraver, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply laborer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money which each has.

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests. And corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence or sojourn.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 11 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50 and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Daniel J. Hegarty, Surgeon of the HAVERFORD, employed, do solemnly, sincerely, and truly Swear that I have had five years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons & Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Fifty in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E Mallet (State whether Master, First or Second Officer), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E Mallet
Master ~~Officer~~.

Sworn to before me this 30 day of Sept, 1907

A. Hunter
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation (trade or profession) of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite description.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they own, as follows:

A *farmer* is one who operates a farm, either his own or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens intending to pass through and out of the United States should be recorded under head of exemption as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through, or transit, should be classed as "temporary," under head of exemption.

Column 8 (Last residence).—[illegible] should be entered the country of which immediate last a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or book of ship's surgeon.

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," by race or people, and similarly, "Ireland" appearing on a manifest does not necessarily mean "Irish" by nationality. An alien who is Irish, German, or Hebrew by race might frequently come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The terms "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies, excluding Cuba and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America, and Spanish Creoles.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South American Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti or provinces) Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, continental Europe, America, Australia, Hungary, Turkey, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country*, and *city or town* of last permanent residence, as it is important for statistical purposes that ownership, or lack of ownership, of last permanent residence be correctly reported. If country of last permanent residence and country of birth are identical, the entry in column 10 should be repeated.

Aliens who have been in the United States and who are returning from a visit abroad should be recorded, as regards last permanent residence, the country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If such relative has given a name and address in column 9, it will suffice to repeat the name and address in column 11.

Column 12 (Final destination).—The entry in column 12 should show destination by the post-office address of friend or relative, if within the United States, country. If outside the United States.

Column 13 (Whether having a ticket prepaid by self or others).—The entry in column 13 should be either Y (yes) or N (no).

Column 14 (Whether in possession of $50 and if less than $50 how much).—The entry in column 14 should show the amount of money in possession of each alien, and not merely that he has the amount required by law. The law requires that each alien in possession of less than $50 shall state the exact amount he has in his possession. Many foreigners bring in $49 or $49.50 and say they have $50, which is a violation of the law. Such cases should be specially noted.

Column 15 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 15 should show what the alien is going to do—whether he has a definite position to go to, or is going to look for employment, and, if he has friends or relatives to join, he should be required to give their names and complete address.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether the alien has ever been in the United States before, and, if so, when (by month and year) and where (city or town and State).

Column 17 (Whether ever in prison or almshouse or supported by charity).—The entry in column 17 should show whether the alien has ever been in prison or almshouse, or supported by charity, and if so, when and where.

Column 18 (Whether a polygamist).—The entry in column 18 should show whether the alien is a polygamist.

Column 19 (Whether an anarchist).—The entry in column 19 should show whether the alien is an anarchist.

Column 20 (Whether coming under contract or agreement to perform labor).—The entry in column 20 should show whether the alien has any contract or agreement, written or verbal, express or implied, to perform labor in the United States, and if so, what it is and with whom made, and complete address.

Column 21 (Whether deformed or crippled).—Such defects are subject to revision by any inspection officer at the time examination is made.

Affidavit of Surgeon.

I, David T. Fegarty, Surgeon of the HAVERFORD, employed, do
(State whether employed "as" or "employed by owners thereof," as the case may be.)
solemnly, sincerely, and truly Swear that I have had Five years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons
2nd Physicians of Ireland, and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Two in number, are, according

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E Mallet (Strike out whether Master, First or Second Officer.), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 390 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who cultivates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 6, 7, 8 (Able to read and write).—Column 6 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrants is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies carefully show country of last permanent residence independent of country of temporary residence, or sojourn, of alien.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of several relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (Whether money was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50 and if less how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place (as, 1903, Philadelphia).

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join other a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, David J. Hegarty, Surgeon of the HAVERFORD, employed (Strike out words not applicable. If employed by owners there should be added "and not employed by owners thereof" or "employed by owners thereof" as the case may be.) do solemnly, sincerely, and truly Swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons and Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E Miller (State whether Master, First or Second Officer.), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E Haverford
Master

Sworn to before me this 25 day of July, 190 ,

Inspecting Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at time of arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who purchases a farm, cultivates it himself or others.

A *farm laborer* is one who works on a farm for the land who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this page.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America, Australia, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last previous residence).—The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies require each alien to state country of last permanent residence independent of a country of temporary residence, and not merely of race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as emigrants to United States from country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is living, state fact and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination in the United States, country, if outside the United States.

Column 13 (Whether having a ticket through and if not, by whom purchased).—The entry in column 13 should be either Yes or No (or Yes—No).

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 13 should be either Yes or No (or Yes—No).

Column 15 (If going to join relative or friend, what relative or friend, and his name and complete address).—The entry in column 15 should give definitely by whom passage was paid, i. e., self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of railroad ticket to final destination).—The entry in column 13 should give in each case each individual or family the exact amount of money shown. Money brought by the agent of a family should be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 14 should answer whether or not (Yes or No) in the United States before, and if so, the year (or years) and place (e. g., 1894, Philadelphia).

Column 18 (Whether coming to join relatives or friends, and if so, what relatives or friends).—The entry in column 18 should show whether going to join relative or friend; and if so, what relative or friend, with name and complete address of friend.

Columns 19 to —.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, David F. Hegarty, Surgeon of the HAVERFORD, employed do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of, Royal College of Surgeons and Physicians of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

PASSED BY SURGEON

230

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E Mallet, of the MAVERFORD. from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E Mallet
Master ~~Officer~~.

Sworn to before me this 25 day of Sept, 190 ,

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year. Large.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *persons* and *farm laborers*, regardless of the age, and it may be shown as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (Able to read and write).—Column 7 is subdivided and the entries thereon should be either Yes—Yes, can read and write; No—No, can neither read nor write; or Yes—No, can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as shown on bottom back of this manifest.

Special attention should be paid to the distinction between race and nationality, and mistakes of the kind are readily noted by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Final destination).—The entry in column 11 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies should show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States, country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should show name and address of such relative. If not such relative, explain fully in column 17 (Final destination).

Column 13 (Final destination).—The entry in column 13 should show designedly the place (city or town) of final destination, as within the United States, country, if outside the United States.

Column 14 (If in possession of $50 and if less how much).—The entry in column 14 should be either Yes (or No).

Column 15 (Whether going to join relative or friend, and if so, what relative, and how much money sent him).—The entry in column 15 should show definitely by whom passage was paid as "self, husband, father, brother, or other relative, friend, steamship company, etc."

Column 16 (If in possession of $50 and if less how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period as nearly as may be, and place as, 1894 Y., Philadelphia.

Column 18 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and full complete address.

Columns 19 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

HAVERFORD

I. Daniel J. Hegarty, Surgeon of the , employed, do solemnly, sincerely, and truly Swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons and Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 3 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, D Mallet, of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

D. Mallet
Master

Sworn to before me this 30 day of April, 1907

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The entry of age in column 1 should be expressed in years or months; the latter only in those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or Single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as "clerk" for example, not "engineer, stationary, mechanical, electrical, mining, railroad, brass polisher, tool polisher, iron molder, wood turner, etc.," but simply as "engineer, polisher, molder, farmer, or other such brief description."

A distinction should be made between *former* and *future* occupations, regardless of the amount of money earned in the former.

A person having been employed by a firm, either by himself or others.

A person *intending* to work for a wage-earner, a firm, or the man who operated it.

A person having no occupation, should make this fact plain on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of all arrivals.

Aliens in transit to pass the port and exit of the United States should be recorded under heading of "Aliens in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "visitors" under head of "Occupation."

Columns 5 (Able to read and write).—Column 5 is subdivided, and the entries therein should be either Yes (Y) or No (N). Yes—Yes means can both read and write. Yes—No means can read but not write. No—No means can neither read nor write.

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, America, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to rest portion of Italy, south of the basin of the River Po (i. e., compartimenti of Tuscany, The Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 8 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

If Aliens who are permanent residents of the United States and are returning from a visit Abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 9 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 9 should give name and address of such relative. If no such relative is living, given town and country of friend.

Column 10 (Final destination).—The entry in column 10 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 11 (Whether having a ticket to such final destination).—The entry in column 11 should be either Yes (ticket) or No (no ticket).

Column 12 (By whom was passage paid).—The entry in column 12 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 13 (Whether in possession of $50, and if less, how much).—The entry in column 13 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 14 (Whether ever before in the United States, and if so, when and where).—The entries in column 14 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as, 1893-97, Philadelphia).

Column 15 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 16 to 30.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Daniel F. Hegarty, Surgeon of the HAVERFORD, employed (State whether regularly employed by the Company or as the case may be.) do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Two in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourist," under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

19-115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, The Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, whether it be for days, or years.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination of alien in the United States country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and at less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place; as, 1904–07, Philadelphia.

Column 17 (Coming to join relative or friend, and if so what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to ——.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

solemnly, sincerely, and truly Swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons and Physicians of Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Thirty in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddox (Name of Master, Mate or Second Officer), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Maddox
Master ~~Officer.~~

Sworn to before me this 30 day of Sept., 1907.

at, Phila. [illegible]
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 23.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Daniel F. Hegarty, Surgeon of the HAVERFORD, employed by Inman Steamship Company, do solemnly, sincerely, and truly Swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons in Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Daniel F. Hegarty

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien as such, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

[illegible]

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico, South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venezia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country* and *city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative be living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether coming to join relative or friend in such final destination).—The entry in column 13 should be either Yes (or Ker) or No (or Ko).

Column 14 (Who paid passage).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50 and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years), and place; as, 1894–97, Philadelphia.

Column 17 (Going to join a relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Daniel F. Hegarty, Surgeon of the HAVERFORD, Employed, do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons and Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E Mallet, Master, of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly depose and say that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

A distinction should be made between *common* and *farm laborers*, regardless of the amount of money Shortened Galleys.

A farmer is one who operates a farm, either for himself or others.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through to Canada, should be classed as "tourists" under head of occupation.

Column 9 (Able to read and write).—Columns 9 to 12, inclusive, are subdivided and the entries therein should be either Yes or No, as the case may be. Yes means can read and write; No means can neither read nor write; or Yes—No means can read but not write.

Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, would be classed as "Italian (south)."

Column 13 (Last permanent residence).—The entries in column 13 should show the *country and city or town* of last permanent residence. Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Miller (Name of Master, First or Second Officer.), of the HAVERFORD., from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Miller
Master (Officer.)

Sworn to before me this 30 day of Sept, 1907

John F. Hartigan
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrived.

Aliens intending to pass through, and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through, in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (Able to read and write).—Column 7 is subdivided and the entry thereon should be either Yes or No. Yes (can read and write). No. No (can neither read nor write). Yes. No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as person is set down on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Negroes of South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia), and their descendants, whether residing in Italy, western Europe, America (Buenos Ayres), or any other country. Are often classed as "Italian (merid'l)." Most of these people speak the dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Toscana, the Marches, Umbria, Roma, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (merid'l)."

Column 11 (Last permanent residence).—The entry in column 11 should show the country from which alien has last permanent residence. It is important for statistical purposes that a foreign component be created, showing country of last permanent residence independent of nationality (i. e., race or people), or allegiance.

Aliens who have previously been in the United States, but have gone to their homes in a visit, should be questioned as to their last permanent residence in the United States, and not as to their last permanent residence.

Column 12 (Name and complete address of relative in country whence alien came).—The entry in column 12 should show the name and address of such relative. If no such relative be living, the words "None" should be used.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination in the United States. A country is outside the United States.

Column 14 (Whether having a ticket through to final destination).—The entry in column 14 should be either Yes (or check) or No (or x).

Column 15 (Whether in possession of $50 and if not, how much).—The entry in column 15 should show the amount of money in possession of each alien, whether he has $50 or more or less. Money brought in the hand of a family should not be divided among the several members of the family.

Column 16 (Whether going to join a relative and if so, what relative and where).—The purpose in column 16 is to show whether alien is going to join relatives in the United States. And if so, that name and location (number and place), as, "cousin, 27 Philadelphia."

Column 17 (Having paid own passage or paid by whom).—The entry in column 17 should show whether alien has paid his own passage or whether it was paid by relative or friend, and if so, what relative or friend, and where found and name and address.

Column 18.—The [illegible] in these columns are subject to revision by any inspector officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], employed, do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible] Surgeon's Diploma, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

PASSED BY [illegible] DAIRY.

246

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (State whether Master, First or Second Officer.) of the HAVERFORD. from LIVERPOOL do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Master Officer.

Sworn to before me this 24 day of SEPT, 190[illegible],
at [illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, etc., the latter being indefinite designations.

A distinction should be made between *laborer* and *farm laborer*, regardless of the amount of former's skill or experience.

A *farmer* means a person who owns a farm, either for himself or others.

A *farm laborer* means one who works on a farm for the man who operates it.

Steam lap-riveters and hand-riveters make this distinction in their membership, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of the aliens arrived.

Aliens coming to pass through, and out of the United States should be recorded under the head of "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "temporary" under the head of occupation.

Column 7 (Last permanent residence).—Column 7 embodies Land the entries therein should be either Yes or No, and read and state: Nor No—can neither read nor write (or Yes—Nor—can read but not write).

Column 8 (Nationality).—Column 8 should be so instructed to mean the country of which the alien is a native or citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as near as practicable the alien belongs to.

Special attention should be paid to the distinction between race and nationality, and names should be carefully revised by inspectors and registry clerks on this account. For instance, "Finnish" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" apparently on a manifest does not necessarily mean "Finnish" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti di Piedmonte, Lombardy, Venezia, and Emilia) and their descendants, whether residing in Italy, Europe, or America, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti di Tuscia, Umbria, The Marches, Umbria, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the last permanent residence of the alien as distinguished from his place of birth. It is important for statistical purposes that careful inquiry be made in every case of alien to ascertain his residence before coming to the country of immediate destination mentioned in column 11.

Aliens who have resided in [illegible] and who have come to the United States from a foreign country should be credited to the country from which they came to the United States, which is considered their permanent residence.

Column 11 (Ultimate destination).—Under the head of "country of which citizen or subject" should be given the name of the country to which the alien belongs politically, as distinguished from race or people. Thus, a native of Bohemia, Austria, should be credited to Austria, not to Bohemia, which is a province and not a country. Care should be taken to distinguish the place of birth from the place of residence. Thus, a native of Germany who has resided in Belgium for a number of years before coming to the United States should be credited to Germany, not to Belgium.

Column 12 (Final destination).—The entry in column 12 should show the name of the State and city or town of the ultimate destination of the alien. Thus, a person coming to Boston, Mass., to join a friend in Chicago, Ill., should be credited to Illinois, not to Massachusetts. Many aliens do not know the name of the State to which they are going, but only the name of the city or town. Others do not know the name of either State or city or town, but only the name of the county to which they are going. In such cases the name of the county should be given.

Column 13 (Whether having a ticket).—The entry in column 13 should show whether the alien has a ticket to his final destination, and if so, whether he has any money with which to purchase one.

Column 14 (Whether in possession of $50).—The answers to these questions are subject to revision by any inspection officer at the time of examination of aliens.

Affidavit of Surgeon.

I, David F. Hegarty, Surgeon of the HAVERFORD, employed, do solemnly, sincerely, and truly swear that I have had three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College Surgeons Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, five in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only in those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example, Civil engineer, stationary engineer, locomotive engineer, baking engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is a man who operates a farm, either for himself or others.

A *farm laborer* is a man who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that (example) compatriots or nearby countries should not be credited with the country of last permanent residence if it be not the country of birth.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as "United States" for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative or friend, so state (as "None" or "No friend").

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 13 should be either Yes (or last) or No (or "None").

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative friend, steamship company, etc.

Column 15 (If in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 30.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, David F. Fogarty, Surgeon of the HAVERFORD, employed, do solemnly, sincerely, and truly Swear that I have had Four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal Navy (Surgeon), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Two in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrived.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourist" under head of occupation.

Columns 8 and 9 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia) and Ligurians, whether residing in Italy, Switzerland, America, Africa, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Toscana, Marche, Umbria, Roma, the Abruzzi and Molise Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 10 should show the *country*, and *city or town*, of last permanent residence. It is important for statistical purposes that steamship companies in a uniform way show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be described on manifests as to their residence (or country of last permanent residence).

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relatives living, give name and address of friend.

Column 13 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, or location in the United States; country, if outside the United States.

Column 14 (Whether having a ticket by and final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (If alien was passenger paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother or other relative; friend, steamship company, etc.

Column 16 (If in possession of $50 and if less how much).—The entry in column 13 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (If ever in the United States and if so, when and where).—The entries in column 14 should show whether or not (Yes or No) in the United States before, and if so, the year (or period) and place; as, 1895, Philadelphia.

Column 18 (Name of person to which joining or going, and if so, what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 31.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, David F. Fegely, Surgeon of the HAVERFORD, employed (Name whether employed, waiting thereon, or unemployed by orders thereof, as the case may be.), do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 3, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, D Madden (State whether Master, First or Second Officer), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies correctly show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Whether coming to join relatives or friends, and if so, what relatives or friends).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, David F. Hegarty, Surgeon of the HAVERFORD, employed, do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of Royal College of Surgeons and Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, -5- in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relating to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E Mallet (Master, Owner, Agent, First or Second Clerk), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E Mallet
Master, Agent, etc.

Sworn to before me this 7th day of April, 1911

at Philadelphia

Inspector in charge.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The number of age in column 1 should be entered in years or months, but never as "under 1 year," "under 2 years," etc.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married) or S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should show, as accurately as possible, the occupation (trade or profession) of each alien as stated by the examining official inspector. Ordinary occupations of persons engaged in mercantile, manufacturing, professional, and public life, and skilled trades are to be entered specifically. Laborers, servants, and persons of no occupation are to be described as such. Entries of "driver," "operative," "engineer," "mechanic," "manufacturer," "agent," "clerk," "dealer," "merchant," "gentleman," "lady," "student," "child," "boy," "girl," "farmer," or other indefinite designations are improper.

A married woman should be specifically described as such, without reference to the occupation of her husband, as shown by the following illustrations:

A woman of her own occupation should be described as follows: "Actress," "Artist," "Author," "Clerk," "Dressmaker," "Lecturer," "Musician," "Nurse," "Physician," "Professor," "Saleswoman," "Servant," "Stenographer," "Teacher," "Typewriter," etc.

A woman without occupation should be described as follows: "Wife," "Widow," "Housekeeper," "Housework," "Married woman," "Widowed woman," "Divorced woman," "Domestic duties," "Home duties," "Keeping house," "Married woman keeping house," "Widowed woman keeping house," "Divorced woman keeping house," "Married woman at home," "Widowed woman at home," "Divorced woman at home," "Married woman without occupation," "Widowed woman without occupation," "Divorced woman without occupation," "Married woman, housework," "Widowed woman, housework," "Divorced woman, housework," "Married woman, home duties," "Widowed woman, home duties," "Divorced woman, home duties."

A woman who is a housekeeper for her husband, father, brother, or other relative, friend, or employer should be described as "Housekeeper."

The term "Cuban" refers to the Cuban people (not Negroes).

The term "West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

The term "Spanish-American" refers to the people of Central and South America of Spanish descent.

Column 6 (Last permanent residence).—The entry in column 6 should show the country of last permanent residence as distinguished from country of birth or country to which he may go temporarily. The information called for in this column is important for statistical purposes that cannot be complied with unless the country of last permanent residence is correctly stated. Country of temporary residence not sufficient.

Aliens returning to permanent residence in the United States after a temporary visit abroad should be entered for manifest and record as coming from the country of last permanent residence.

Column 7 (Final destination).—The entry in column 7 should show the city, town, or village in the United States to which the alien intends to go, as indicated by his ticket. If he has no definite knowledge as to his destination, the entry should be "Not known."

Column 8 (Whether going to join a relative or friend, and if so, what relative or friend, and its name and complete address).—The entry in column 8 should show whether the alien has a ticket or money sent him by relatives or friends, and if so, what relatives or friends, with name and complete address.

Column 9 (Have you ever been in prison, etc.?).—The entry in column 9 should show distinctly the nature of the offense committed, the date of conviction, and the length of sentence in each case. If the alien has been in prison, or in a reformatory, almshouse, or institution for the care of the insane or support of paupers, or supported by charity, or a refugee from justice, the fact should be fully stated.

Column 10 (Whether a polygamist, etc.).—The entry in column 10 should show distinctly whether the alien is a polygamist, or coming in pursuance of any prearrangement or contract to perform labor, skilled or unskilled, or whether coming for any other immoral purpose, or whether he is an anarchist, or a believer in the practicability or propriety of overthrowing by force or violence the Government of the United States, or of assassinating public officials, or a member of or affiliated with any organization entertaining a belief in, teaching, or advocating such overthrow by force or violence, assassination, or unlawful destruction of property.

Column 11 (Condition of health, mental and physical).—The entry in column 11 should show whether the alien is sound in mind and body, and if defective, mentally or physically, the entry should show the nature and extent of the defect, mental or physical, of each alien.

Column 12 (Deformed or crippled).—The entry in column 12 should show whether the alien has lost the use of a limb or is crippled in any way, and if so, which limb and to what extent.

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors and reviewing clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly stand under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

ASIATIC (RACE).

Asiatic (Race).—Added to the Alien Act, includes persons coming from Asia or other adjacent islands, Polynesia, Malay States, Asiatic Russia, Turkish Empire or Africa. Any alien coming to a country inhabited by persons of Asiatic race should be classified under this heading.

ITALIAN (RACE).

The people who are native to or inhabit the Alpine Po in northern Italy; i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, wherever residing, in Italy, Switzerland, Austria-Hungary, France, and other countries, should be classed as "Italian (race)." Most of these people are readily identified by the Italian language.

JEWISH (RACE).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (race)."

Column 13 (Last permanent residence).—The entry in column 13 should show the country and only the country of last permanent residence. It is important for statistical purposes that accurate information shall be given as to country of last permanent residence only, and not country of temporary residence, nor country of birth.

Aliens returning to permanent residence in the United States after a temporary visit abroad should be entered for manifest and record as coming from the country of last permanent residence.

Column 14 (Final destination).—The entry in column 14 should show the city, town, or village in the United States to which the alien intends to go, as indicated by his ticket. If he has no definite knowledge as to his destination, the entry should be "Not known."

Column 15 (Whether going to join a relative or friend, and if so, what relative or friend, and its name and complete address).—The entry in column 15 should show whether the alien has a ticket or money sent him by relatives or friends, and if so, what relatives or friends, with name and complete address.

Column 16 (Have you ever been in prison, etc.?).—The entry in column 16 should show distinctly the nature of the offense committed, the date of conviction, and the length of sentence in each case. If the alien has been in prison, or in a reformatory, almshouse, or institution for the care of the insane or support of paupers, or supported by charity, or a refugee from justice, the fact should be fully stated.

Column 17 (Whether a polygamist, etc.).—The entry in column 17 should show distinctly whether the alien is a polygamist, or coming in pursuance of any prearrangement or contract to perform labor, skilled or unskilled, or whether coming for any other immoral purpose, or whether he is an anarchist, or a believer in the practicability or propriety of overthrowing by force or violence the Government of the United States, or of assassinating public officials, or a member of or affiliated with any organization entertaining a belief in, teaching, or advocating such overthrow by force or violence, assassination, or unlawful destruction of property.

Column 18 (Condition of health, mental and physical).—The entry in column 18 should show whether the alien is sound in mind and body, and if defective, mentally or physically, the entry should show the nature and extent of the defect, mental or physical, of each alien.

Column 19 (Deformed or crippled).—The entry in column 19 should show whether the alien has lost the use of a limb or is crippled in any way, and if so, which limb and to what extent.

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors and reviewing clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly stand under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

The answers to questions 19 to 30, inclusive, are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Mallet (State whether Master, First or Second Officer), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, Philadelphia.

Column 17 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, David F Hegarty, Surgeon of the HAVERFORD, employed, do solemnly, sincerely, and truly swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons and Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Mudd, of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes. Yes (can read and write), No. No (can neither read nor write), or Yes. No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend, steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 30.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Daniel F Hegarty, Surgeon of the HAVERFORD, employed
(State whether "regularly attached to" or "employed by" vessel thereof, as the case may be.)
solemnly, sincerely, and truly Swear that I have had four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons and Physicians Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Mexico, Central America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia and their adjacent islands), whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Lucania, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies correctly show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as of United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such, the fact should be given as in case of absolute stranger.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if known, in the United States country, if outside the United States.

Column 13 (Whether having a ticket through).—The entry in column 13 should be either Yes (ticket) or No—no ticket.

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 15 should give in each case (preferred as final) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year or period, as well and place; as, 1894–97, Philadelphia.

Column 17 (Whether going to join a husband, father, or other relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 18.—The answers in this column are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (Master or other Master, First or Second Officer) of the HAVERFORD from LIVERPOOL do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel said ship therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 39 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 [Age].—The number of age in column 1 should be inserted opposite each name. If under 1 year of age, the entry should be in months, the latter appearing only as "Nine months," "Six months," etc. If under 1 month, the entry should be in days, as "Ten days," "Two days," "One day," etc. If the age is unknown it should be so stated.

Column 2 [Sex].—The entry in column 2 should be "Male" or "Female."

Column 3 [Married or single].—The entry in column 3 should be "Married" or "Single." Widowed or divorced persons should be so stated.

Column 4 [Calling or occupation].—The entry in column 4 should describe as fully and clearly as possible the occupation (trade, or profession) of each alien above 14 years of age, whether actually employed or not. Such entries as "laborer," "servant," "engineer," "farmer," "clerk," "merchant," "tailor," "shoemaker," "dressmaker," "milliner," "gentleman," "lady," and the like, are unsatisfactory, and should not be used unless absolutely correct, as they do not indicate the occupation with sufficient definiteness.

A distinction should be made between "servant" and "farm laborer," "merchant" and "retail dealer," and "engineer" and "locomotive engineer."

A farmer is one who operates a farm, whether he owns it or hires it or tills it.

A farm laborer is one who works on a farm for the farmer who employs him.

Skilled and unskilled laborers should be distinguished, so far as practicable, and "laborer" should be used only when no other occupation can properly be given. If necessary, by inspectors and registry clerks during the personal examination of aliens, added.

Aliens coming to pass through, and not of the United States should be recorded under head of occupation as "In transit." Those coming only for a temporary residence in the United States, but not intending to pass through, in transit, should be classed as "temporary," under head of occupation.

Column 5 [Able to read and write].—Columns 5 and 6 should be filled and the entries therein should be made with reference to the ability of the alien to read and write. No "yes" or "no" entry should be used in these columns.

Column 7 [Nationality].—Column 7 should be filled and the entry therein should be made with reference to the country of which the alien claims to be a citizen or subject.

Column 8 [Race or people].—The entry in column 8 should show the race or people as given in fact on line 9 of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of Spanish descent.

[illegible]

ARMENIAN.

[illegible]

SYRIAN.

[illegible]

Column 9 [Last permanent residence].—The entry in column 9 should show the name of the country which was the last permanent residence of the alien. If he has been in the United States or Canada for a period of one year or more, the entry should be "United States" or "Canada," as the case may be, for the purpose of this column, irrespective of temporary residence in any foreign country.

Aliens who are returning to residence in the United States and who are coming from a visit abroad should be questioned as carefully as those coming from the country of last permanent residence.

Column 10 [Name and location of kin from whom alien is coming].—The entry in column 10 should be the name and address of the person in the country whence the alien came who is related to the alien by blood or marriage, and who is known to the alien to be living at the time of the alien's departure. If the alien is coming to join a husband, wife, father, mother, child, brother, or sister, the entry should show the relationship.

Column 11 [Final destination].—The entry in column 11 should show the place (city or town) of final destination in the United States, as known to the alien. If destined to a State only, the entry should be "Unknown."

Column 12 [Whether having a ticket to final destination].—The entry in column 12 should be either "Yes" or "No."

Column 13 [By whom passage paid].—The entry in column 13 should show by whom the passage was paid, as "Self," "Father," "Husband," "Friend," "Steamship company," etc.

Column 14 [Whether in possession of $50 and upwards; if less, how much].—The entry in column 14 should give in each case the amount of money in the possession of the alien. Money brought by the head of a family or a married man for himself and family should be stated in the total for the family.

Column 15 [Whether ever before in the United States, and if so, when and where].—The entry in column 15 should show whether or not the alien has been in the United States before, and if so, the time (as near as can be ascertained) and place of last visit.

Column 16 [Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address].—The entry in column 16 should show whether the alien is going to join a relative or friend, and if so, what relative or friend, and his name and complete address.

Column 17 [Ex.].—The columns to the extreme right are subject to revision by any inspector after the examination of aliens.

Affidavit of Surgeon.

I, [illegible] Surgeon of the HAVERFORD [illegible] do solemnly sincerely, and truly [illegible] that I have had [illegible] years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible] and that I have made a personal examination of each of the above named lambs, and that the foregoing List or Manifest Sheets [illegible] in number are according to the best of my knowledge and belief full, correct, and true in all particulars relative to the mental and physical condition of each alien.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, D Mallet, of the [illegible]FORD, from LIVERPOOL, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

D Mallet
Master [illegible] Officer.

Sworn to before me this 30 day of Sept, 1901,
at [illegible]

John T Harper
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex.)—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien aged 14 or over, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write.)—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), N—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people.)—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence.)—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came.)—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination.)—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination.)—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I Ernest W Kelsey, Surgeon of the S.S. Admiral Farragut, do solemnly, sincerely, and truly declare that I have had Thirteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Univ of Pa Pa State Med Coud, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 (Age). - The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 3 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, Clerk, Engineer, Stationary engineer, Locomotive engineer, mining engineer, brass polisher, iron polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other inaccurate designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money they have, as follows:

A *farmer* is one who owns a farm or rents a farm for himself or others.

A *farm laborer* is one who works by day or month for the man who operates it.

Steamship companies should make their instructions to the manifests, and corrections should be made by examining inspectors and registry clerks during the personal examination of aliens arriving.

Aliens coming to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through as transit, should be classed as "tourist" under head of occupation.

Column 5 (Able to read and write). — Column 11 is subdivided and the entries therein should be either Yes or No, as an alien can read and write (Yes - Yes), can neither read nor write (No - No), can read but not write (Yes - No), or can read but not write (No - Yes).

Column 6 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AMERICAN (BLACK).

"American (black)" refers to the American Negro, or Negroes coming from other countries, regardless of their birthplace. Negroes coming from Africa, Asia, or Europe, or from any other quarter of the globe, whether natives or citizens of the United States or not, should be classified under this heading.

SYRIAN.

The people who are natives of the basin of the Euphrates River in northern Arabia and a comparatively small portion of northwestern Mesopotamia, Asiatic Turkey, and Turkey in Europe, whether residing in Arabia, Syria, Asiatic Turkey, Egypt, Turkey in Europe, or the United States, should be classed as "Syrian" regardless of race. Most of these people speak Arabic, Turkish, or the Druse language.

PERSIAN.

The people who are native to that portion of Asia south of the basin of the Euphrates River and west of Beloochistan, including Persia, the Mesopotamian Valley, Asiatic Turkey, Arabia, Afghanistan, and Beloochistan, should be classed as "Persian" regardless of race. Most of these people speak Persian, Arabic, Turkish, Afghan, Beloochistan, Kurdish, or Armenian.

Column 8 (Last permanent residence). — The entry in column 10 should show the country in which the alien has last had a permanent residence. It is important that this should be carefully observed, as many aliens have only a temporary residence in the country from which they sail, and it is necessary to ascertain the country in which they have had their permanent residence.

A foreign city or town should not be entered in this column, and one coming from a city whose name is the same as that of a country should be required to specify very definitely his residence.

Column 9 (Final destination). — The entry in column 11 should show, if possible, the place (city or town) of final destination. If destined to the United States, if outside the United States.

Column 10 (Whether having a ticket through). — The entry in column 12 should be (Yes) or (No).

Column 11 (By whom passage paid). — The entry in column 13 should show definitely by whom passage was paid, as such: Himself, herself, or (name of) wife, or (name of) friends, steamship company, etc.

Column 12 (If in possession of $50 and if not, how much). — The entry in column 14 should be (Yes) or (No), as the case may be, and if less than $50 the amount in money should be given. Money is required by the United States law to be produced by several members of the family.

Column 13 (If ever in prison or almshouse, and if so, why). — The entry in column 15 should be (No) or (Yes), as the case may be, and if Yes, it should show the cause, as "Political offense," "Crime," "Pauper," "Idiocy," "Insanity," etc. Philadelphia.

Column 14 (Whether going to join relative or friend, and if so, what relative or friend). — The entry in column 16 should be (No) or (Yes), as the case may be, and if Yes, it should show the name and address of friend, and if so, what relationship, as "Father," "Brother," "Uncle," "Friend," etc.

Columns 15 to 17. — The answers in these columns are subject to revision by any inspection officer or the examining surgeon.

Affidavit of Surgeon.

I, Henry Maxwell Eranges, Surgeon of the Red S. Ltg of Bombay sailing thereunto, do solemnly, sincerely, and truly declare that I have had one years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The General Medical Council of Great Britain, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, three in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, Robt R. S. Miller Master, of the Str City of Bombay, from Liverpool & St Johns NFD & Halifax NS
(Master or Other Master, First or Second Officer.)

solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Nine in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Thos F Keir
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter appearing only for those under 1 year of age.

Column 5 (Sex).—Presently in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien above 14 years of age. Clerk, engineer, laboratory engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money showing as follows:

A *farmer* is one who operates a farm, either his own or another's.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at arrival.

Aliens in transit through and not to the United States should be recorded under head of occupation as "In transit." Those coming only for a business visit to the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 8 (Able to read and write).—Column 8 to be scrutinized and the entry therein should be either Yes—Yes can read and write; No—No can neither read nor write; or Yes—No can read but not write.

Column 9 (Nationality).—Column 9 should be scrutinized to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people possess Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 11 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies make this entry correctly. Last permanent residence independent of country of which citizen or subject is not sufficient.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as emigrants and credited to the country of last permanent residence.

Column 12 (Name and complete address of relative or friend in country whence alien came).—The entry in column 12 should show the name and address of such relative. If no such relative, friend, or acquaintance, so state.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination, if within the United States; if not, country, if outside the United States.

Column 14 (Whether having a ticket to final destination).—The entry in column 14 should be either Yes or No (not by).

Column 15 (Whether and passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, friends, father, mother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50 and by whom).—The entry in column 16 should give in each case (under head of "amount") the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether going to join a husband, relative, friend, or other person, and if so, what person, and his name and complete address).—The entry in column 17 should show whether going to join husband, relative, or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 21.—The answers in these columns are subject to revision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, Henry Maxwell Traugh Surgeon of the Red Star Line Service, do solemnly, sincerely, and truly declare that I have had one years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal Medical Council of Great Britain, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Robt R. Mills Master of the S.S. City of Bombay, from Liverpool W.A. St Johns N.F. & Halifax solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therein (or the surgeon employed by the owners thereof) to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one advocating belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Robt R. Mills
Master.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The number of age to subjects 1 should be expressed in years or months, the latter in connection with fractions under 1 year of age.

Column 2 (Sex).—The entry in columns 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as well and as specific as possible the calling, trade, or profession of each person, such as "laborer," "servant," "engineer," "stenographer," "clerk," "shoemaker," "tailor," "seamstress," "housekeeper," "wife," "gentleman," "lawyer," "physician," "minister," "professor," "teacher," "musician," "actor," "artist," "author," etc., and not simply as "laborer," "student," "child," or other indefinite description.

Column 5 (Can read? Can write? Can both read and write? Language spoken).—The entry in column 5 should show whether the immigrant can read, can write, and can both read and write, and should also show the language or dialect spoken by him.

Column 6 (Nationality).—Column 6 should be construed to mean the country of which a person is a native or a citizen.

Column 7 (Race or people).—The entry in column 7 should show the race or people to which each alien belongs, as "English," "Irish," "Scotch," "Welsh," "German," "French," "Italian," "Spanish," "Portuguese," "Dutch," "Flemish," "Swedish," "Norwegian," "Danish," "Russian," "Finnish," "Polish," "Bohemian," "Slovak," "Moravian," "Hungarian," "Croatian," "Servian," "Bulgarian," "Dalmatian," "Greek," "Lithuanian," "Roumanian," "Syrian," "Armenian," "Turkish," "Japanese," "Chinese," "Hindu," "East Indian," "Mexican," "Negro," "Indian," "Pacific Islander," etc. Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "Hungarian" appearing on a manifest does not necessarily mean "Magyar" by race or people and similarly "Russian" appearing on a manifest does not necessarily mean "Russian" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" is here to the people of the West Indies other than Cuban and Negroes.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

ARMENIAN (RACE).

All Armenians arriving in the United States, whether coming from Turkey or other countries, are to be listed as Armenians by race, whether they are natives of Armenia or not. Any person who is of Armenian nationality or subjects of Turkey should be classified under the heading

HEBREW (RACE).

The people who are native of the basin of the River Po in northern Italy (it is, some portions of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether speaking Italian, Venetian, Neapolitan, Piedmontese, or any other variety, should be classed as "Italian (north)." Many of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native of the part of Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The object in column 8 should show the country and city or town of last permanent residence. It is important for statistical purposes that accurate information be supplied about country of last permanent residence, and last city or town of foreign residence, whenever it can be.

Aliens who are returning to the United States and are returning from a visit abroad should be recorded as residents in United States for country of last permanent residence.

Column 9 (Name and complete address of nearest relative or friend in country whence alien comes).—The entry in column 9 should give name and address in full of the nearest relative or friend in the country whence alien came.

Column 10 (Final destination).—The entry in column 10 should show definitely the place (city or town) of final destination, as given by the alien, in the United States. If going to a friend, write friend's name and address in full; if to a relative, write name and address of relative.

Column 11 (Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address).—The entry in column 11 should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 12 (Ever in U. S.).—The entry in column 12 should show definitely the fact as to whether the alien has been in the United States before, and if so, when. If the alien has been in the United States before, the entry should show the date of his last arrival, and if he has been in the United States more than once before, the dates of all arrivals should be given.

Column 13 (Have you $50 in your possession? If less, how much?).—The entry in column 13 should show the exact amount of money in the possession of the alien, whether it be in cash, express money order, bank draft, or other form. Money belonging to the head of a family should not be included among the several members of the family.

Column 14 (Whether in possession of ticket, and if not, by whom purchased).—The entry in column 14 should show whether the alien has a ticket, and if not, who purchased it.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entry in column 15 should show whether or not the alien has been in the United States before, and if so, the year, as nearly as can be ascertained, and place, as, 1901, Philadelphia.

Column 16 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 16 should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Column 17 (Remarks).—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Henry Maxwell Eranger Surgeon of the R.M.S. Lafayette sailing Thursday do solemnly, sincerely, and truly declare that I have had one years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Royal Medical Council of Great Britain, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Robt R. Miller Master, of the SS City of Bombay, from Liverpool via St Johns NF. & Halifax NS
solemnly, sincerely, and truly affirm that I have caused the surgeon of said vessel sailing therefrom, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 9 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter appearing only for those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M, male, or F, female.

Column 6 (Married or single).—The entry in column 6 should be either M, married; S, single; W, widowed; or D, divorced.

Column 7 (Occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the meaning of common slang, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of each alien.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through to France, should be classed as "tourists" under head of occupation.

Columns 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes, Yes (can read and write), No, No (can neither read nor write), or Yes, No (can read but not write).

Columns 9 (Nationality) and 10 (Race).—Column 9 should be construed to mean the country of which a person is a citizen or subject.

Column 11 (Race or people).—The entry in column 9 should show the race or people an alien belongs to, irrespective of the nationality.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" for nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country, by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 12 (Land purchased) and 13 (Land owned).—The entry in column 12 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of birth, country of nationality, or race.

Aliens who have purchased land in the United States and are coming from a land abroad should be questioned as to the exact location and country of last permanent residence.

Columns 14 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 14 should show the name and address of such relative. If no such relative has been previously visited, the name and address of friend.

Columns 15 (Final destination).—The entry in column 15 should show destination by the place (city or town) of final destination, if ascertainable (not State or country), if outside the United States.

Columns 16 (Has a ticket through to such final destination).—The entry in column 16 should be either Yes (ticket) or No (not ticket).

Columns 17 (Who paid passage).—The entry in column 17 should show whether passage was paid by himself, by prepaid ticket, by money sent by relatives or friends, by whom sent, steamship company, etc.

Columns 18 (Whether in possession of $50 and if not, how much less).—The entry in column 18 should give in each case the amount of money, if any, in possession. Money includes bank notes, gold, silver, checks, drafts, and express money orders.

Columns 19 (Whether ever before in the United States, and if so, when and where).—The entry in column 19 should show whether or not the alien has been in the United States before, and if so, when and where. Previous residence in the United States should be ascertained, as far as possible, from the records.

Columns 20 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 20 should show whether the alien is going to join a relative or friend, and if so what relative or friend, and his name and complete address.

Columns 21 to 29.—The information to be shown in these columns is subject to inquiry by any inspection officer at the discretion of same.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Master of the Brit S. Eagle Point, from London, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, one in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master Officer.

Sworn to before me this SEP 9 1907 day of , 190 ,

John Coburn, Jr.
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894, 97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Ernest W Kelsey, Surgeon of the S.S. Verona, (State whether Surgeon employed by transportation company, or "contract surgeon," as the case may be.), do solemnly, sincerely, and truly swear that I have had Thirteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Univ of Pa & Pa State Med Commis, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [redacted] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, James Jensen, Master of the S.S. "Admiral Dalby", from Port Antonio Ja., do solemnly, sincerely and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, One in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

James Jensen
Master

Sworn to before me this 7 day of September, 1907.

Fredk. C. Reese
Immigrant Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The names of ages in column 2 should be expressed in years or months, the latter applying only to children of 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widow), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: (Civil) engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, iron polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer. Some who operates a farm, either for himself or others.

Farm laborer. Some who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (If holding a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50 and if less, how much).—The entry in column 15 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien at the time of arrival at the port of entry, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, pearl molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money a farmer may have, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works by the month, week, or day on a farm for the person who employs him.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens arriving.

Aliens intending to pass through, and not out of the United States should be recorded under head of occupation as "in transit." Those coming only to a contiguous territory of the United States, but not intending to pass through to foreign parts, should be classed as "temporary visitors" under head of occupation.

Column 6 (Last permanent residence).—Column 6 is subdivided and the entries therein should be either Yes (Y) or No (N). Yes (Y) in the first subdivision will read as follows: Yes (Y). No (N) will read as follows: No (N).

Column 7 (Nationality).—Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 8 (Race or people).—The entry in column 9 should show the race or people as given in the last column of this manifest.

Special attention should be paid to the distinction between race and nationality, and numbers should be carefully revised by inspectors and examining officers in this regard. For instance, "France" appearing as race should not be accepted as meaning "French," by race or people, but nationality. "French" appearing as a nationality does not necessarily mean "France" as nationality. An alien who is Irish, German, or Hebrew by race might properly appear under the heading of United Kingdom, or other country, by nationality. In this column the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the native people of Cuba.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America, of mixed races.

AFRICAN (BLACK).

"African (black)" refers to the African Negroes, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Europe, South America, Africa, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people of the nation to that part of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Umbria, Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 9 (Last permanent residence).—The entries in column 10 should show the country and city or other place of last permanent residence. It is important from statistical reasons that a township, inspector's district, or county of last permanent residence be given, and not a country or province (as Ireland, Germany, Canada, etc.).

Column 10 (Name of person who paid passage).—The entry in column 11 should show the name of the person who paid the passage of the alien, whether it was a remittance from a relative, friend, or employer, or whether the alien paid his own passage. Initials of persons' names are not sufficient.

Column 11 (Name and complete address of relative or friend in country whence alien came).—The entry in column 12 should show the name and complete address of such relative. If the alien was in charge of a society, the name of the society should be given.

Column 12 (Final destination).—The entry in column 13 should show the city, town, or place (State or Territory, if possible) to which the alien is destined in the United States.

Column 13 (If holding railroad transportation to interior).—The entry in column 14 should be either Y (for yes) or N (for no).

Column 14 (Alien in possession of how much money; if less than $30, how much).—The entry in column 15 should show the amount of money each alien has in his possession, and if less than $30 the exact amount. Money orders in the hands of a female should not be included among the several amounts of $30 each.

Column 15 (If ticket through to destination, and if not, why not).—The entry in column 16 should show whether the alien has a ticket through to his destination in the United States or not, and if not the reason why he is provided of money and has not a ticket through.

Column 16 (Whether in possession of ticket prepaid by others, or by himself, or whether in possession of less than $30, and if so, how much).—The entry in column 17 should show whether the ticket was purchased by the alien or by others, and if so, what relation, friend, employer, or society.

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Kaldager, master, of the S. S. Sworn to before me this 12th day of Sept, 1905,

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter to be given only in those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrived as for example, Clerk, engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *common labor* and *farm laborers*, regardless of the amount of money shown to be in possession.

Farmer (occupied) = Cultivator of a farm, either for himself or others.

Farm laborer = One who works on a farm for the man who operates it.

Steamship companies should look this distinction on the manifests, and corrections should be made by examiners, by inspectors and registry clerks during the personal examination of aliens at arrival.

A head intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "Tourists" under head of occupation.

Column 6 (Able to read or write).—Column 6 is subdivided and the entries therein should be either Yes (Y) or No (N) in each and every case. Not "can read" or "cannot read," but Yes or No.

Column 7 (Nationality).—Column 8 should be construed to mean the country of which immigrant last became a subject.

Column 8 (Race or people).—The entry in column 9 should show the race of people as given in indorsement at time of last admission.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, as Gaul, Frank, Breton, Basque, etc., and "French" appearing on a manifest does not necessarily mean "France" for nationality. An alien who is Irish, German, or Hebrew by race might properly claim only the location of United Kingdom or any other country by nationality. In this connection the following instructions should be partially observed:

CUBAN

The term "Cuban" refers to the Cuban people of Cuba.

WEST INDIAN.

"West Indian" refers to the people of the West Indies—they mean Cuba and Nassau.

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North, or South America, Europe or Africa. No alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN—NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether resident in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, The Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 9 (Last permanent residence).—The entry in column 10 should show the *complete* and *exact* place of last permanent residence. It is important for statistical purposes that a municipality or county be correctly given, country of last permanent residence independent of country of temporary residence (although entry may be the same).

Aliens who have been naturalized previous to their coming to the United States should be recorded as coming from a part of a land which should be recorded as their country of last permanent residence.

Column 10 (Name and complete address of relative or friend in country whence alien came).—The entry in column 11 should give name and full address of such relative or friend, whether living in country whence alien came or elsewhere.

Column 11 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if "not to be returned" to country of last permanent residence in the United States.

Column 12 (If going to join a friend, state relationship).—The entry in column 13 should be either Yes (Y) or No (N).

Column 13 (Ever in U. S., when and where).—The entry in column 14 should show definitely by whom passage was paid, as "self," "friend," "other relative," "friend, steamship company," etc.

Column 14 (Whether in possession of $50 and by whom furnished, if less).—The entry in column 15 should show whether each alien has in his possession at least $50 in money or not. Money orders, drafts, or checks should not be included in the personal effects of immigrants.

Column 15 (Whether going to join husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, niece, or other relative, and if so, what relative; or whether going to join friend, and if so, what friend, with name and complete address).—The entry in column 16 should show whether going to join husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, niece, or other relative, or friend, and if so, what relative or friend, with name and complete address.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether the alien has been in the United States before and if so, when and where. Philadelphia.

Column 17 (Whether ever in prison or almshouse or supported by charity).—The entry in column 18 should show whether the alien has been in prison or almshouse or supported by charity, and if so, when and where.

Column 18 (Health, mental and physical defect).—The answers to these questions are subject to revision by any inspector after the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible]; and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, A Mader, of the Str Adm Farragut, from Jamaica, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 4 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

A. Mader
Master Officer.

Sworn to before me this 15th day of Sept, 1907.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, floor polisher, wood turner, etc., and not simply engineer, polisher, molder, turner, or other such indefinite designations.

A distinction should be made between *professional* and *non-professional* persons, regardless of the amount of money shown, as follows:

A *professional* person is one who practices a learned or scientific profession.

A *skilled laborer* is one who works at a trade or handicraft which requires skill.

Steamship companies should make the distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examinations at arrival.

Aliens (according to race, language, and not of the United States should be recorded under head of nationality as "in transit" those coming only for a temporary sojourn in the United States but not intending to pass through it in transit, should be classed as "tourist" under heading mentioned.

Column 7 (Race or people).—Column 7 is subdivided and the entries therein should be made as Yes or No (Yes to be read and written Y. No. N.) and neither word nor abbreviation Yes or No to be read and written.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which a passenger last was a bona fide subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs as a distinct people.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The terms "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuban and Negro).

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien, whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country of the origin or home of last permanent residence. It is supposed for statistical purposes that all emigrants contemplate some country of last permanent residence independent of country of temporary sojourn (usually in passing to country of).

Aliens who are permanent residents of the United States and who are returning from a visit abroad, should be considered as immigrants to United States for purposes of face permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show destination by city, town, or county. If final destination is unknown, the entry should be "Unknown." Generally, it is outside the United States.

Column 13 (If ticket covers passage through to final destination).—The entry in column 13 should be either Yes (Ticket) or No (No ticket).

Column 14 (Whether going to join relative or friend, and if so, what relative or friend, and whether name and address).—The entry in column 14 should show definitely by which person alien was joined (mother, father, brother, or other relative, friend, steamship agent, etc.).

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should give the exact amount (individual or family) the exact amount of money possessed. Money belonging to the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show by Yes (Y.) or No (N.) as the United States before, and if so, the time (if it is remembered) and place, as near as possible.

Column 17 (Whether going to join husband, wife, father, or other relative or friend).—The entry in column 17 should show whether going to join father, mother, husband, wife, brother, sister, friend, or relative, and if relative, what kind, and complete address.

Column 18, 19, 20.—The answers to these questions are subject to revision by any inspector, after the alien's examination by surgeon.

Affidavit of Surgeon.

I, Ernest W Kelsey, Surgeon of the U.S. Bella, ____, do solemnly, sincerely, and truly swear that I have had thirteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Univ of Pa & Pa State Med Coll, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Immigrant Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example, "coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money they have, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steps should immediately be taken to make this distinction on the manifests, and corrections could be made by inspectors and registry clerks during the personal examinations now in force.

Aliens coming to pass through and out of the United States should be recorded under heads of "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "temporary," under head of occupation.

Columns 7 (Able to read) and 8 (Able to write).—Column 7 is subdivided and the entries therein must be either Yes (Yes can read and write), No (No can neither read nor write), or Yes, No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which a immigrant alien is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in last column but one of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be noted (by erasure) by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and these descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of them practice or speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Land previous and race).—The entry in column 10 should show the country and city or locality of last permanent residence. It is important for statistical purposes that citizenship compared with country and place of last permanent residence independent of country of birth, race and ethnic autonomy, or race.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should show in each case ascertained or known the exact amount of money shown. Money belonging to head of a family should not be included among the several members of the family.

(Inspector).

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 and 2.—The names of aliens in columns 1 and 2 should be expressed in full, giving surname or family name and Christian name or given name in the order usually followed in the United States.

Column 3.—Here write the age of each alien as of his last birthday. Most aliens do not know the exact day of their birth, but usually can approximate it closely enough. Write "1 year" if under 1 year old, and "40 years" if 40 years old, and so forth.

Column 4.—Write "male" or "female," as the case may be, in this column.

Column 5.—Write "single" or "married" in this column, as the case may be. If a widow or widower, write "married." If divorced, write "single."

Column 6.—Write in this column the occupation of each alien, if any. If a child or other person has no occupation, write "none" in the column. If a laborer, write what kind of laborer, whether agricultural or otherwise. If a farmer, state whether he owns or rents the farm he cultivates. If a servant, state what kind of servant. If a clerk, state whether in a store or office, and so forth. Be specific as to occupation.

Column 7.—Write in this column the name and complete address of the person who has paid the passage of each alien, whether by prepayment or by purchase of ticket.

Column 8.—Write in this column the name and complete address of the person whose relative or friend the alien intends to join in the United States, or state other reason why alien is coming to the United States.

Column 9.—Write in this column the name of the country of which each alien is a citizen or subject.

Column 10.—Write in this column the name of the country in which each alien has last resided. Do not abbreviate.

Column 11.—Write in this column the name of the port at which each alien will land in the United States.

Column 12.—Write in this column the name of the State or Territory in the United States in which each alien intends to reside, and the name of the city, town, or village, if he has any definite place of destination.

Special attention is called to the distinction between race and nationality, and aliens should be carefully examined by inspectors and properly described on the record. For instance, a person belonging on a manifest does not necessarily mean a Dutch by race people and, similarly, a French appearing on a manifest does not necessarily mean a "French" by nationality. An alien who is Irish, German, or Hebrew or any mixed people only, under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to all Negroes whether coming from Cuba or other countries, West Indies, Central America, Europe, or Africa, etc., whose ancestors originally came from Negro countries. Negroes should not be classified under this heading.

SYRIAN (NATIVE).

The people who are native to the basin of the River Po in northern Italy, of the compartimenti of Lucania, Lombardy, Venetia, and Umbria, and those living in other countries, in Asia Minor, Syria, Arabia, Palestine, or Africa, who are of the same blood as those in Italy. Most of these people are of the Latin division of the Caucasian race.

ARMENIAN (NATIVE).

The people who are native to the mountainous region south of the basin of the River Po in the compartimenti of Lucania, Calabria, Abruzzi e Molise, Campania, Puglie, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, and Calabria, and the islands of Sardinia, and those descended from people born in any of these districts.

Column 13. (*Final destination.*)—The name to be written in this column should be that of the city or town where the alien intends to reside permanently, not the name of the State. The question to be asked is, "Where is your permanent residence, independent of country of temporary sojourn?"

Aliens in transit through the United States should be carefully examined as to their final destination, and a note should be made of the name and complete address of the person to whom they are going.

Column 14. (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry in column 14 should give the name and address of such relative. If no such relative has been known, a statement to that effect should be made.

Column 15. (*Final destination.*)—The entry in this column should be made exactly the same as that in column 13. If within the United States, state the name of the State or Territory. If outside the United States, write the name of the country.

Column 16. (*Whether have $50 or more in his own possession, and by whom furnished, and for what purpose.*)—The entry in column 16 should be either "Yes" or "No," but not both.

Column 17. (*Whether in possession of ticket through to destination, and whether ticket was purchased in the United States or abroad.*)—The entry in column 17 should be either "Yes" or "No," but not both.

Column 18. (*Whether in possession of $1 or more, and how much.*)—The entry in column 18 should be made opposite the name of each individual or head of family, as the case may be, and should show the amount of money in his possession. Money brought by one individual or family should not be added to that brought by the several members of the group.

Column 19. (*Whether going to join husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, niece, or other relative, and if so, what relative, and by what name and complete address.*)—The entry in column 19 should be made opposite the name of each alien who is going to join a relative, and should show what relative, and the name and complete address of such relative in the United States. The question to be asked is, "Have you any friends or relatives in the U. S.? If so, what friends or relatives, and what is their address?"

Column 20.—The answers to these questions are subject to revision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, J. W. Paton, Surgeon of the S.S. Corean, employed, do solemnly, sincerely, and truly swear that I have had 30 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Glasgow University, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (page). The number of each page is printed in red ink at the top of the page.

Column 2 (line). The number of each line is printed in red ink.

Column 3 (name). The name of each alien must be entered in full, the surname first, followed by the Christian name and middle name, if any. Initials must not be used.

Column 4 (relationship). The entry in column 4 should show the relationship, if any, of each alien to the person whose name and address are given in column 5. Thus, "wife," "child," "father," "mother," "grandfather," "grandmother," "brother," "sister," "uncle," "aunt," "cousin," "friend," "servant," "guardian," "ward," "head of family," "self," or "alone" should be entered, as the case may be.

Column 5 (name and address of person). The entry in column 5 should show the name and complete address of the person in the United States whom the alien named in column 3 intends to join or visit.

Column 6 (sex). The entry in column 6 should be "male" or "female," as the case may be.

Column 7 (married or single). The entry in column 7 should be "married" or "single," as the case may be.

Column 8 (age). The entry in column 8 should show the age of each alien at his last birthday prior to embarkation. Infants under 1 year of age should be returned as "1/12" or "2/12," etc., as the case may be.

Column 9 (can read). The entry in column 9 should be "yes" or "no," as the case may be, to show whether or not the alien can read the language or dialect of some country.

Column 10 (can write). The entry in column 10 should be "yes" or "no," as the case may be, to show whether or not the alien can write the language or dialect of some country.

Column 11 (country or people). The entry in column 11 should show the name of the country to which each alien belongs, or the people to which he claims to belong.

Special attention should be paid to the distinction between race and nationality and manifests should be correctly prepared in accordance with the following rules in this regard:

For instance, "Scotch" or "Welsh" or "Irish" should not be entered as the race or people of an alien. These should be entered as "Scotland," "Wales," or "Ireland," as the case may be, to indicate the nationality. An alien who is a British subject, born in Scotland, should be entered as a native of the United Kingdom of Great Britain and Ireland, and not as a native of Canada, unless he is actually a native of the Dominion of Canada. An alien who is a British subject, born in Ireland, should be entered as a native of the United Kingdom of Great Britain and Ireland, and not as a native of Canada, unless he is actually a native of the Dominion of Canada. An alien who is a British subject, born in Wales, should be entered as a native of the United Kingdom of Great Britain and Ireland, and not as a native of Canada, unless he is actually a native of the Dominion of Canada. An alien who is a British subject, born in Scotland, should be entered as a native of the United Kingdom of Great Britain and Ireland, and not as a native of Canada, unless he is actually a native of the Dominion of Canada.

Column 12 (last permanent residence). The entry in column 12 should show the country of last permanent residence. It is important for statistical purposes that accurate information be obtained as to country of last permanent residence. Mere temporary sojourn in a country for the purpose of evading this requirement will not suffice.

Aliens who are passing in transit through the United States and who return from a visit abroad should be recorded as coming from the country of last permanent residence.

Column 13 (final destination). The entry in column 13 should show definitely the place to which the alien has a ticket, or intends to go, within the United States. If outside the United States, write "Through."

Column 14 (whether having a ticket through to final destination). The entry in column 14 should be either "Yes" or "No," as the case may be.

Column 15 (whether in possession of $50 and if not, by whom furnished and amount). The entry in column 15 should be either "Yes" or "No," as the case may be, and if "No," should show by whom furnished and amount. Thus, "Self, $30," "Father, $50," "Friend, $100," etc.

Column 16 (whether going to join relatives and if so, what relatives and their name and complete address). The entry in column 16 should be "Yes" or "No," as the case may be, and should show the name and complete address of the relative to be joined, whether husband, father, mother, brother, sister, wife, child, uncle, aunt, cousin, friend, guardian, ward, head of family, or other relative or friend.

Column 17 (whether ever before in the United States and if so, when and where). The entry in column 17 should be "Yes" or "No," as the case may be, and if "Yes" should show when and where.

Many foreigners who have resided in the United States for years return to their native countries to visit relatives, friends, or for other reasons. The object of this column is to show whether the alien has been in the United States before and if so, the port at which he landed, and when, as nearly as can be ascertained.

Column 18 (whether going to join a husband, father, or other relative or friend, and if so, what husband, father, or other relative or friend, with name and complete address). The entry in column 18 should show whether the alien is going to join a husband, father, or other relative or friend, and if so, what husband, father, or other relative or friend, with name and complete address.

Columns 19, 20, 21. The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Alien Laborers. The term "alien laborers" includes all persons, skilled and unskilled, who perform manual labor for hire, whether engaged before their importation or afterwards, and whether they go to the United States at their own instance or that of others. Persons coming to the United States to accept positions as private secretaries, governesses, domestic servants, nurses, lecturers, professors, artists, lawyers, physicians, clergymen, authors, actors, and persons following other professions, are not to be regarded as coming under contract or agreement to perform labor, and should not be reported as alien laborers.

Aliens who come to pass through, and not to the United States should be recorded under heads of occupation as "in transit." Those coming only to a temporary sojourn in the United States, but not intending to pass through to Canada, should be classed as "temporary," under head of occupation.

Column 9 (age). Infants under 1 year should be recorded and the entries shorter should be put as "8 mos." or "11 mos." and not "0." No ditto marks should be used.

Column 10 (sex). Write "male" or "female."

Column 11 (married or single). Column 9 should be examined to show the country of birth in connection with a citizen of another.

Column 12 (occupation). The entry in column 12 should show the trade or profession of the person named. If "none" or "housework" or "housekeeper" is entered, it should be understood that he is not a laborer. Persons of no occupation, including children, should be returned as "none." Laborers, including farmers, should be described by the particular kind of labor they perform, as "farmer," "farm laborer," "laborer," "miner," "mason," "carpenter," "engineer," "blacksmith," "tailor," "tailoress," "shoemaker," "servant," "cook," "waiter," "waitress," "clerk," "bookkeeper," "stenographer," "typewriter," "merchant," "manufacturer," "dressmaker," "milliner," "seamstress," "butcher," "baker," "painter," "glazier," "plumber," "gasfitter," "steamfitter," "tinsmith," "machinist," "printer," "bricklayer," "plasterer," "stonecutter," "stonemason," "bricklayer," "plasterer," "stonecutter," "stonemason," "bricklayer," "plasterer," "stonecutter," "stonemason

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age.)—The entry in column 2 should be expressed in years or months, the latter only if under one year of age.

Column 3 (Sex.)—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single.)—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation.)—The entry in column 5 should describe as accurately as possible the occupation (trade or profession) of the person (as, for example, clerk, engineer, draftsman, engineer (mining, civil, or mechanical), machinist, miner, laborer, physician, seamstress, tailoress, dressmaker, milliner, weaver, turner, cook, shoemaker, carpenter, painter, printer, farmer, merchant, peddler, tinsmith, blacksmith, etc.).

Children should always be described by their own occupations, if any, and not by those of their parents.

If without occupation, the word "None" should be entered.

A laborer should not be described as such, but as a general laborer (the man who does not specialize).

Specific and exact descriptions must be given in all cases. Such indefinite terms as "mechanic," "manufacturer," "engineer," "clerk," "agent," "servant," "laborer," and "farmer" should not be used unless they are accompanied by words specifying the particular kind of mechanic, manufacturer, engineer, clerk, agent, servant, laborer, and farmer intended.

Opposite each name should be entered the occupation of the person mentioned, even if the same as that of the head of the family.

Column 6 (Able to read.)—If able to read any language, so state; if not able to read, so state.

Column 7 (Able to write.)—If able to write any language, so state; if not able to write, so state.

Column 8 (Nationality.)—Each person should be described according to the country of which he or she is a citizen or subject.

Column 9 (Race or people.)—The entry should indicate whether the race or people to which he or she belongs is Hebrew, German, Irish, English, Italian, South African, Negro, Spanish, Chinese, Japanese, Russian, Bohemian, Scotch, Welsh, French, Dutch, Finnish, Polish, Portuguese, Bulgarian, Servian, Croatian, Slavonian, Ruthenian, Turkish, Armenian, Syrian, Arabian, Indian, Magyar, Slovak, West Indian, Mexican, Cuban, Porto Rican, Pacific Islander, Scandinavian, or other race or people, as the case may be.

Special attention is called to the fact that the distinction between race and nationality should be carefully observed by immigrants and transportation officials in this regard. For instance, "France" apparently designates a nationality and not necessarily means "French" by race or people, and similarly "French" apparently designates a race and does not necessarily mean "France" by nationality. An Irish, English, German, or Hebrew lady might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

ITALIAN.

The term "Italian" refers to the Italian people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Chinese or Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence.)—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies invariably show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents (the United States) and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came.)—The entry in column 11 should give name and address of such relative, if no such relative living, give name and address of friend.

Column 12 (Final destination.)—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination.)—The entry in column 13 should be either Yes (a ticket) or No (no ticket).

Column 14 (By whom was passage paid.)—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much.)—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where.)—The entry in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894, 97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend.)—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The entries in column 1 should be expressed as years; if under 1 year, in months, the latter applying only to those under 1 year old.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should be the one which most accurately as possible describes the occupation, trade, or profession of each alien, as "farmer," "laborer," "clerk," "servant," "engineer," "carpenter," "mason," "tailor," "tinsmith," "miner," "weaver," "shoemaker," "baker," "butcher," "blacksmith," "printer," "cooper," "machinist," "locksmith," "gunsmith," "painter," "glazier," "plasterer," "plumber," "engraver," "boilermaker," "molder," "pattern maker," "stonecutter," "stonemason," "bricklayer," "plasterer," "roofer," "slater," "saddler," "harnessmaker," "upholsterer," "rigger," "sailmaker," "painter," "sailor," "barber," "hairdresser," "bookbinder," "printer," "photographer," "surveyor," "architect," "draftsman," "merchant," "banker," "accountant," "clerk," "porter," "cook," "waiter," "housekeeper," "nurse," "maid," "valet," "laundress," "seamstress," "milliner," "dressmaker," "operative," "peddler," "butler," "footman," "coachman," "groom," "hostler," "physician," "surgeon," "dentist," "veterinary surgeon," "midwife," "actor," "actress," "artist," "musician," "professor," "teacher," "clergyman," "author," "editor," "journalist," "lawyer," "chemist," "electrician," "engineer," "mechanician," "agriculturist," "scientific specialist," "gentleman," "lady," "student," "boy," "girl," "child," "servant," "laborer," "woman," "without occupation," "stockman," "herder," "cowboy," "driver," "horseman," "shepherd," "fisherman," "seaman," "miner," "hunter," "lumberman," "logger," "sawyer," "turner," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, the former implying the ownership of a certain amount of money—usually at least $1,000.

A farmer is one who operates a farm, either his own or others'.

A farm laborer is one who works on a farm for the year, week, or day.

Steamship companies should make this distinction on the original lists, and care should be taken that it should be made if necessary, by inspectors and registry clerks during the combined examination of alien arrivals.

Aliens intending to pass through and not *to the United States* should be described as "in transit" under head of occupation, as "in transit." Those coming only to Canada should be described as "for Canada" under head of occupation. Those coming only to Mexico should be described as "for Mexico" under head of occupation.

Columns 7 (able to read and write).—Columns 7 should be used to show whether the alien can read or can not read, and whether he can write or can not write. The entry should be either Yes or No. Yes—Yes—can read and write. Yes—No—can read but not write. No—No—can neither read nor write. Yes—Yes—can read but not write.

Column 8 (Nationality).—Column 8 should be used to show the nationality of each alien, that is, the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs, as given in list on reverse side of alien's manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this respect. For instance, "France" appearing on a manifest as the nationality of an immigrant indicates the race or people, and similarly, "French" appearing on a manifest as the nationality would mean "France" for nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any of the countries for nationality. In this connection the following extracts from Part I of the Act, effective

JULY 1, 1907,

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIES.

"West Indian" refers to the people of the West Indies (other than Cuban and Negroes).

SPANISH AMERICA.

"Spanish American" refers to the people of Central and South American race or descent.

I, _____ (Name of Master, Commanding Officer, First or Second Officer.), of the _____, from _____, do solemnly, sincerely, and truly _____ that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, _____ in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

_____ (Officer.)

Sworn to before me this _____ day of _____, 190_.

_____ (Immigration Officer.)

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 (Age).—The return of age in column 3 should be expressed by years or months, the latter only to those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (a widow), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc., and not simply as engineer, polisher, moulder, turner, or other indefinite designations.

A distinction should be made between persons and from minors, regardless of the amount of money they may have in their possession.

A farmer is one who owns or rents a farm, either for himself or others.

A farm laborer is one who works on a farm for the right to labor pertaining to it.

Steamship companies should make no distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and not remain in the United States should be recorded under head of "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through to Canada, should be classed as "tourists" under head of no occupation.

Columns 5 (Able to read), 6 (Able to write).—Columns 5 is subdivided and the entries should be either Yes—Yes (can read and write); Yes—No (can read but not write); or No—No (can neither read nor write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRO-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America, Tunis, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, America, Tunis, or any other country, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independently of country of nativity, race, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit Abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative be living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes or No (as the fact).

Column 14 (Whether paid by self or by whom sent passage (if not).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less, how much).—The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 17 (Whether to join husband, wife, father, mother, brother, sister, child, grandparent, uncle, aunt, cousin, nephew, niece, grandchild, or other relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 21.—The answers by these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Edward W Kelley, Surgeon of the S.S. Admiral Farragut, do solemnly, sincerely, and truly swear that I have had thirteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Univ of Pa + Pa State Med Council, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Inspection Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter appearing as "1 month," "2 months," under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), Wd (widow or widower), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, Clerk, engineer, stationary engineer, locomotive engineer, machinist, engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "laborer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money they may have.

A *farmer* is one who cultivates a farm, either his own or another's.

A *farm laborer* is one who works on a farm for wages or salary.

Should the port physician decide that a child can be more fully and correctly classified by grade, if necessary, by inspectors and records before the personal examination of the alien arrives.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only to a temporary sojourn in the United States but not intending to pass through, as tourists, should be described as "temporary visitors" under head of occupation.

Column 6 (Can read or cannot read).—The entry in column 6 should be either "can read" or "cannot read," the word "can" or "cannot" being used and not "Yes" or "No." Persons who can read any language should be returned as "can read." Yes. No. can read, can't read, etc.

Column 7 (Nationality).—Column 7 should be used to indicate the country of which immigrant is a native or citizen.

Column 8 (Race or people).—The entry in column 8 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and names of which will be carefully revised by inspectors and records clerks in this regard. For instance, "German" appearing on a manifest should not be accepted as "French" by race or people, and similarly, "French" appearing should not be accepted as meaning "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly claim to be a subject of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to natives of the island of Cuba.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, including Cuba and Nicaragua.

CENTRAL AMERICAN.

Spanish American refers to the people of Central and South America, of mixed Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, or other negroid race from Cuba or other island of the West Indies, Mexico, or South, Central or North America. Any appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the inhabitants of Piedmont, Liguria, Parma, Modena, Galeria, Reggio, the Marches and Modena, Campania, Apulia, Basilicata, Calabria, Abruzzi, and Sardinia) and who should be classified as "Italian (north)."

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (comprising the inhabitants of Liguria, Parma, Modena, Galeria, Reggio, the Marches and Modena, Campania, Apulia, Basilicata, Calabria, Abruzzi, and Sardinia) and who should be classified as "Italian (south)."

Column 9 (Last permanent residence).—The entry in column 9 should show the country in which the alien has his permanent residence. The intention of the alien as to his permanent residence should be ascertained, irrespective of length of temporary residence in the United States.

All aliens coming to the United States for the first time should be recorded as having their last permanent residence in the country of which they are natives or citizens, irrespective of the length of time they may have resided in other countries.

Column 10 (Name and complete address of person in country whence alien came).—The entry in column 10 should show the name and complete address of the person in the country whence the alien came who was last in touch with him.

Column 11 (Destined to).—The entry in column 11 should show the name of the city, town, or village in the United States to which the alien is destined.

Column 12 (Ever in prison, etc.).—The entry in column 12 should be either "Yes" or "No," as the case may be, and should show whether the alien has ever been in prison or almshouse or supported by charity.

Column 13 (Have you been in the United States before? If so, when?).—The entry in column 13 should be either "Yes" or "No," as the case may be, and should show whether the alien has ever been in the United States before, and, if so, when.

Column 14 (Have you a ticket to your final destination?).—The entry in column 14 should be either "Yes" or "No," as the case may be, and should show whether the alien has a ticket to his final destination.

Column 15 (Whether going to join a relative or friend, and if so what relative or friend, and what is the name and complete address of such relative or friend).—The entry in column 15 should show whether the alien is going to join a relative or friend, and if so what relative or friend, and the name and complete address of such relative or friend.

Column 16 (Amount of money in possession).—The entry in column 16 should show the amount of money in possession of the alien, whether in gold, silver, paper, or any other form, and the amount should be expressed in dollars and cents.

Column 17 (Whether in possession of $50 and whether any person has paid his passage or not, and if so, by whom).—The entry in column 17 should be either "Yes" or "No," as the case may be, and should show whether the alien has in his possession fifty dollars or more, and whether any person has paid his passage or not, and if so, by whom.

Columns 18 and 19 (Whether going to join husband or other relative in the United States, and what relative, and whether he has ever been in the United States, and if so, when and where).—The entry in column 18 should be either "Yes" or "No," as the case may be, and should show whether the alien is going to join husband or other relative in the United States, and the entry in column 19 should show what relative, and whether he has ever been in the United States, and if so, when and where.

Column 20 (Condition, mental and physical, of alien).—The entry in column 20 should show whether the alien is in good condition mentally and physically, and the entry in column 21 should show whether deformed or crippled, and if so, from what cause.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.
